- A. List the specific policy, regulation, rule, procedure or the specific article within the collective bargaining agreement from which the school is seeking relief.

Article X, C.2.a.

Twelve hundred eighty five (1,285) minutes of instructional time per work week.

- B. Describe 1) the desired change, and 2) what the school hopes to accomplish as it relates to improving student learning and increasing student achievement. Include specific quantitative, qualitative and longitudinal data to support the need for the request.

LIS is seeking to create common planning time during the regular work week. Instructional minutes per week will be 1,310 minutes, exceeding the 1,285 minutes as stated in the Agreement Between The Hawaii State Teachers Association and The State of Hawaii Board of Education, by 25 minutes.

Currently, LIS teachers meet in Content Department PLCs once a month. That is not sufficient time for teachers to plan/align their curricula, discuss formative assessment results, and how they plan to address the weak benchmarks in future lessons. The general education teachers lack consistent contact and collaboration time with the ELL and SPED support teachers regarding their roles in the full-inclusion classrooms. Teachers have not been allowed sufficient time to collaborate and co-teach in the full-inclusion classroom environment. It is very difficult to address student progress or lack of student progress when there is not sufficient time to meet, discuss, and plan. School improvement is heavily dependent upon quality planning time among teachers in order for student instruction to be effective. Without it, teachers are working in isolation even if we have school-wide initiatives. "School-wide initiative" sounds good on paper, but in reality, we are not allowed to give a school-wide effort with our current schedule.

- C. If a renewal, describe and evaluate the outcomes of the requested change. Explain what was achieved and the impact on student learning. (Include specific quantitative and/or qualitative data.)

WAIVER/EXCEPTION SIGNATURE PAGE

The signatures on this page acknowledge that the decision to request the attached waiver/exception was reached through a collaborative process. If this request is an exception to a collective bargaining agreement, the decision by members of the bargaining unit was achieved through consensus. (Because exceptions to collective bargaining agreements involve the rights of other employees, consensus, specifically by affected unit members, is necessary to waive those rights. It is possible for these unit members to agree on a fallback decision-making option provided that the agreement on the fallback option was reached through consensus.)

Library group opens second used bookstore at Wharf Cinema Center

LAHAINA — The Maui Friends of the Library is opening a second bookstore to recycle hard back and paperback books donated to the organization from Maui residents and visitors.

The store is located at The Wharf Cinema Center on the top floor next to the movie theaters.

It will be open Mondays through Saturdays from 10 a.m. to 6 p.m. (closed on major holidays).

All proceeds from book sales go to help the libraries in Maui County, including Lahaina Public Library located across Front Street from the new store.

"Sometimes a door closes and a window really does open," said Dorothy Tolliver, Maui Friends of the Library president.

She explained that while commercial bookstores have been closing their doors on the island, there are still many readers and many books with more than one life.

"By reselling used books, we are able to keep them out of our landfill, help our libraries with needs outside the operating budgets from the state, and promote literacy," she commented.

Tolliver thanked Donna Soares and the owners of the center for their generosity in donating the space for the bookstore.

She said that the store is air conditioned for the comfort of the customers and volunteer staff. Wharf Cinema Center parking is available behind the center.

JoAnn Carroll, now retired and former owner of the Old Lahaina Book Emporium, stepped forward to help the Maui Friends of the Library set up the new store that opened Tuesday, Nov. 2, and will hold its grand opening celebration later in the year.

Carroll, who joined the MFOL Board of Directors, will work in the store a few hours a week, help train the volunteers and get the operation moving smoothly.

She will be helped by Machele and Tom Stabler, who also have bookstore experience.

"We need many, many volunteers who are willing to donate four hours a week or more to working at the store," said Carroll.

"Our libraries are a great cause to support, and now book lovers and library supporters can volunteer right here on the West Side."

She encouraged prospective volunteers to contact her by calling 269-3429 or e-mailing maui4books@yahoo.com.

The Maui Friends of the Library, a nonprofit organization comprised of volunteers, has operated a used book store in Puunene since 1987.

Proceeds from used book sales fund scholarships for future librarians, provide funding for keiki programs and fulfill requests from branch librarians to purchase books and other materials when state budgets run short. Learn more at www.mfol.org.

JoAnn Carroll and John Tryggestad, both members of the Maui Friends of the Library Board of Directors, prepare the space at the top floor of The Wharf Cinema Center for a new used bookstore. Proceeds from book sales will help fund special needs of the county's public libraries.
