KAPAA' PILOT PROJECT

“Goal is to create a summer reading program that is more about pleasurable reading and community engagement and less about reading incentives and the number of books read.”

-Lani Kawahara
Branch Manager

KAPAA' PILOT PROJECT

“get kids doing/trying/thinking rather than counting/earning/winning.” –Association for Library Service

Instead of weekly prizes, all participants will take part in a “group build” or collaborative project. Bingo cards will be given to Toddlers through Young Adults to encourage reading and activities. All Participants will be asked to record number of minutes spent reading.

- **Toddlers thru Pre-K** will be filling in a fun, oversized superhero poster with stickers they earn by playing Summer Reading Bingo
- **K-6th graders** will earn puzzle pieces for a large 700+ piece superhero puzzle on the library wall by playing Summer Reading Bingo
- **YAs** will participate in a Read to Feed program donating \$50 to KIFB Backpack program. YA's will use Bingo cards to race two superheroes to the end of the program by reading the most minutes. Minutes read will activate the donation at the end of the program.
- **Adults** will participate in a Read to Feed program where time spent reading is converted into a \$250 donation to Kauai Independent Food Bank from the Friends of the Kapaa' Public Library.

KAPAA' PILOT PROJECT

We will be evaluating this pilot to learn more about the experience and effectiveness of this approach for future summer reading programming.
