OFFICE OF THE SUPERINTENDENT

April 19, 2016

TO: The Honorable Lance A. Mizumoto
Chairperson, Board of Education

FROM:  Kathryn S. Matayoshi
Superintendent

SUBJECT: **Update on the Review and Extension of the 2011-2018 Joint
Department of Education and Board of Education Strategic Plan**

1. DESCRIPTION

On January 19, 2016, the Board of Education approved a review and extension of the strategic plan to guide the next few years. In the spirit and practice of an approach of continuous improvement, the review and extension retains the 2012 update's goals and framework for improvement as a strong continuing foundation for educational improvement but will make mid-course adjustments to better support improved student outcomes.

2. PRESENTATION

Asst. Superintendent Tammi Chun of the Office of Strategy, Innovation and Performance will present an update on the Strategic Plan review and extension to include a briefing on the outreach plan.

Community Engagement Objectives

To create an updated understanding of student success based on Hawaii's public school students' aspirations.

1. To inspire community conversation about students' aspirations and how to support them
2. To define "student success" based on student aspirations
3. To discover, foster, and support innovative practices that facilitate student success in order to inform other schools and the system

What does high quality education and student success look like to you?

“High quality education looks like teachers who care, and students who try! A good program is Upward Bound. I have been in it since 8th grade. They taught me a lot about the college application process. By freshman year I knew more about the process than seniors. It gives you a fighting chance.”

What does high quality education and student success look like to you?

“High quality education is engaging and inspiring. Learning takes place when teachers, parents, and students respect and care for each other. Everyone involved feels mutually invested and excited to work together. The quality of education is reflective of the effort put in by all stakeholders.”
