SUBJECT: Committee Action on Approving for Public Hearing Draft Amendments to Hawaii Administrative Rules, Chapter 19, Student Misconduct, Discipline, School Searches and Seizures, Reporting Offenses, Police Interviews and Arrests, and Restitution for Vandalism

1. RECOMMENDATION

The State of Hawaii Department of Education (HIDOE) recommends that the State of Hawaii Board of Education (BOE) approve for public hearing the draft amendments to Hawaii Administrative Rules (HAR), Chapter 19, Student Misconduct, Discipline, School Searches and Seizures, Reporting Offenses, Police Interviews and Arrests, and Restitution for Vandalism.

2. RECOMMENDED EFFECTIVE DATE

Upon BOE approval, the HIDOE will seek the authorization of the Governor to move forward with a public hearing.

3. RECOMMENDED COMPLIANCE DATE (if different from the effective date)

Not applicable.
4. DISCUSSION

a. Conditions leading to the recommendation:

In September of 2011, the United States Department of Education, Office for Civil Rights (OCR), initiated a compliance review of the HIDOE. The OCR enforces Title IX of the Education Amendments of 1972 (dealing with gender equity), Title VI of the Civil Rights Act of 1964 (dealing with race, color and national origin), and Section 504 and the Americans with Disabilities Act (ADA) (dealing with disability) as they pertain to students. There was no complaint that initiated the September 2011 review. The review focused on policies related to bullying and harassment in 28 HIDOE schools based on race, sex and disability.

The results of the OCR review culminated in a Resolution Agreement between the OCR and the HIDOE on December 20, 2017. The Resolution Agreement requires that the HIDOE institute a grievance procedure relating to conduct between students which includes, at a minimum:

1) A notice that complaint procedures apply to complaints alleging all forms of race, sex, and disability discrimination (including racial, sexual, and disability harassment) carried out by employees, students or third parties;

2) A clear and easily understood explanation of how and where complaints may be filed, including the title, office address, e-mail address, and telephone number of the individuals with whom to file a complaint;

3) Assurance that the HIDOE will take immediate and appropriate steps to stop any harassment, prevent recurrence and remedy discriminatory effects on the complainant and others, if appropriate;

4) Provisions for adequate, reliable and impartial investigation of complaints, including the opportunity for the complainant and alleged perpetrator to provide witnesses and evidence;

5) Reasonably prompt time frames for the major stages of the investigative process;

6) A provision requiring concurrent written notification to both/all parties of the outcome of the complaint investigation and any appeals as well as notification to the complainant of all remedies provided and any other actions taken by the HIDOE that directly relate to the complainant, and notification to the respondent of any actions taken by the HIDOE that directly relate to the respondent;
7) Appropriate definitions and examples of what types of actions may constitute racial, sexual, and disability harassment;

8) Provisions clarifying that when there is a complaint of alleged racial, sexual, or disability harassment of a student made against an employee, the investigation will be completed even if the employee resigns before it is finished and will include a determination of any potential remedies for complainants and any other students or employees affected by the alleged harassment;

9) Provisions clarifying that any informal resolution mechanism set forth in the complaint procedure will only be used if the parties voluntarily agree to their use; that the parties should not be required to resolve the problem directly with each other; and that the parties must be notified that they have the right to end the informal process at any time and begin the formal stage of the complaint process;

10) Provisions ensuring that students are notified of the availability of interim measures to protect students during the investigation of possible racial, sexual, or disability harassment and how interim measures may be requested; and that the coordinator(s) will be responsible for ensuring that the schools implement appropriate interim measures;

11) Notice of potential remedies for parties, including but not limited to adjustment of academic schedules and coursework, and the provision of academic, medical and psychological support services; and

12) A statement that retaliation and retaliatory harassment is prohibited against any individual who files a race, sex, or disability discrimination complaint with the HIDOE or participates in a complaint investigation in any way, as well as a clear explanation of how retaliation or retaliatory harassment can be reported to the HIDOE.

Because Chapter 19 addresses conduct between students, it was revised to include conduct that occurred between students that was based on the protected classifications of sex, race, and disability. The amendment and compilation of Chapter 19 include revisions required under the Agreement.

The revisions include the following additions:

1) Definitions relating to protected class conduct, including bullying based on a protected class; cyberbullying based on a protected class; dating violence; discrimination; harassment based on a protected class that includes
2) definitions for sexual harassment, racial/color/national origin harassment, disability harassment and gender based harassment; immediate interventions; protected class/basis; remedies; retaliation; sexual assault; sexual exploitation; and stalking.

3) Dating violence, sexual assault, sexual exploitation and stalking to the list of Class A offenses. Also, bullying (including bullying based on a protected class), cyberbullying (including cyberbullying based on a protected class), discrimination based on protected class, harassment (including harassment based on a protected class) and retaliation to the list of Class B offenses.

4) Requirement that all class A, B, C, and D offenses based on a protected class be reported to the principal or designee for investigation.

6) Reference to HAR §8-89 for conduct by adults towards students based on protected classifications.

7) A section relating to a student’s right to privacy.

8) A new subchapter that addresses complaints relating to protected class conduct, which includes:

   a) A description of the complaint process for protected class discrimination complaints filed by students against other students and a clear and an easily understood explanation of how and where such complaints could be filed;

   b) A provision for informal resolution between the students;

   c) Immediate interventions to protect students during the investigation from possible racial, sexual or disability harassment, a description of types of immediate interventions, and an explanation of how immediate interventions may be requested;

   d) Provisions for adequate, reliable and impartial investigations during the student to student protected class complaint process and reasonably prompt time frames for the major stages of the investigation;

   e) A provision requiring concurrent written notification to both/all parties of the outcome of the complaint process as well as notification to the complainant of all remedies provided and any other actions taken by the HIDOE that directly related to the complainant; and notification to
the respondent of any actions taken by the HIDOE that directly related to the respondent;

f) A description of the potential remedies available for the parties upon the completion of the complaint process; and

g) Timeframe for any investigation to be completed.

9) A provision that an investigation will be continued even absent a filing of a formal complaint or if a complaint has been withdrawn.

10) A provision for translation, interpretation, writing assistance or reasonable accommodation during the investigation process.

11) A provision prohibiting retaliation.

12) A provision regarding the right to seek other relief as provided under federal and state laws.

b. Previous action of the Board on the same or similar matter:

The BOE approved proposed amendments to Chapter 19 and Governor Linda Lingle signed the revised Chapter 19 on August 31, 2009 with an effective date of September 10, 2009. The amendments shifted Chapter 19’s basic philosophy and established Chapter 19 as part of a continuum of student behavioral supports inclusive of a proactive schoolwide discipline system with positive behavioral interventions and supports as a prerequisite. The amendments further ensured a strong focus on interventions to teach students appropriate behaviors.

c. Other policies affected:

None.

d. Arguments in support of the recommendation:

The HIDOE is committed to providing a non-discriminatory learning environment that provides equal access to public education for all students and embraces the values of dignity and respect for one another by strictly prohibiting protected class discrimination, including harassment and sexual harassment.

The HIDOE and its schools prohibit discrimination and harassment (including sexual harassment) and bullying against a student in any program, activity, or service of the HIDOE on the basis of race, color, religion, sex, sexual
orientation, gender identity or expressions, age, national origin, ancestry, or disability and any retaliation for reporting such conduct.

The amendment and compilation of Chapter 19 ensures compliance with applicable federal law, including Title IX; Title VI; and Section 504/ADA; and state law Act 110, SLH 2018 (relating to Civil Rights). Additionally, the amended portions of Chapter 19 will complement the HIDOE’s efforts to ensure that students are safe, healthy, and supported in school, so that they can engage fully in high-quality educational opportunities. This is in furtherance of and alignment with Goal 1, Student Success, Objective 2, Whole Child, of the HIDOE/Board Strategic Plan 2017-2020 (“Strategic Plan”).

e. Arguments against the recommendation:

Individuals with concerns regarding proposed revisions to Chapter 19 may raise the following:

i. **Definitions.** A need for broader or different definitions of “discrimination,” “harassment,” “gender identity or expression,” and/or “sexual orientation.” The definition of “discrimination” is consistent with the provisions of Board Policy 305-10. The definition of “harassment” is taken from case law and is regularly used by other schools and universities, including the University of Hawaii in Executive Policy 1.204, titled “Interim Policy and Procedure on Sex Discrimination and Gender-Based Violence.” Further, the current definitions of “gender identity or expression” and “sexual orientation” are the definitions cited in Hawaii Revised Statutes §378-1, §489-2 and Act 110, SLH 2018.

ii. **Concerns about the person who acts as the primary decision maker.** A consideration of another HIDOE employee instead of the principal as the primary decision maker because the principal may be perceived to be biased and/or will not take appropriate action against the respondents. However, principals generally make decisions as to student discipline in their schools under Chapter 19 and, as such, need to be involved in the decision making process. If evidence of conflict of interest or bias arises, a different decision maker will be selected, such as a complex area superintendent or a designee. Further, principals will receive mandatory training in civil rights, complaints, and the complaint process by the CRCO and will have district level Equity Specialists available to consult with on matters applicable to performing their duties as decision makers.

f. Other agencies or departments of the State of Hawaii involved in the action:

None.
g. Possible reaction of the public, professional organizations, unions, HIDOE staff and/or others to the recommendation:

The HIDOE anticipates that the public, professional organizations, unions, HIDOE staff and others will support the proposed revisions to Chapter 19. As previously noted, individuals or entities may propose recommendations as noted in Section "e" of this document.

h. Educational implications:

The HIDOE’s proposed recommendation will support a safe and healthy learning environment for all students. This proposal is also in alignment with Goal 1, Student Success, Objective 2, Whole Child, of the Strategic Plan.

i. Personnel implications:

School administrators will receive mandatory training, education and support on identifying protected class conduct and dealing with it appropriately under the rules as well as addressing the new provisions. In addition, the CRCO Equity Specialists who are assigned to each complex area will provide support to administrators dealing with protected class conduct at their schools.

j. Facilities implications:

None.

k. Financial implications:

The HIDOE is required to provide training to school administrators in conducting investigations pursuant to the newly revised Chapter 19. The Legislature appropriated money for training for fiscal year 2018-2019. Additional monies may be needed for training.

5. OTHER SUPPLEMENTARY RECOMMENDATIONS

None.

SUBCHAPTER 1

GENERAL PROVISIONS

§8-19-1 Philosophy. (a) Hawaii has established and supports a statewide system of public education. The compulsory nature of school attendance ensures that a student shall have the opportunity for an education. In addition to the education provided during the regular school year, the department offers students the opportunity to receive additional instruction and educational services through a self-supporting summer school program on a voluntary attendance basis. The department is committed to:

1. Provide the student with optimal learning conditions;
2. Select appropriate teachers for the student’s instruction; and
3. Other programs that will help the student to succeed.

In 1996, the department initiated a collaborative and systemic reform known as the Comprehensive Student Support System (CSSS), which provides a continuum of academic, social, emotional, and physical environmental supports and services to all students to facilitate their learning and their meeting of high educational standards. It is a CSSS community of caring and supportive relationships among students, teachers, families, and agencies working together that promote timely and appropriate services for all students. The goal of the school system is to provide a learning experience in safe, caring, nurturing, and orderly teaching and learning environments.

(b) It is the responsibility of every student to demonstrate respectful, responsible, non-discriminatory, safe, and ethical behaviors on department transportation, or during a department sponsored activity on or off school property. The department supports this through the establishment of a proactive systems approach to schoolwide discipline.

(c) However, when a student’s behavior violates established policies, rules, or regulations of the department, state or local laws, the department may take appropriate disciplinary action in accordance with this chapter. The purpose of school-administered discipline is to:

1. Promote and maintain a safe and secure educational environment;
2. Teach and acknowledge proper behavior which is beneficial to the educational process and self-development;
3. Deter students from acts which interfere with the purpose of education or which are self-destructive, self-defeating or anti-social;
4. Maintain proper student conduct to ensure that educational activities and responsibilities remain uninterrupted; and
4.1 Stop any discrimination (including unlawful discrimination), harassment (including sexual harassment), or bullying against a student based on a protected class.

(d) An educational worker conducting or participating in a school program, activity, or function sponsored or approved by the department, or hired to engage in carrying out an educational function, has a reasonable expectation to be free of undue disruption and threat of disorder or acts of violence, or both,
committed against them by students.

(e) In addition to the disciplinary action taken under this chapter, restitution for vandalism or for negligence shall be made in accordance with the provisions of this chapter. The purpose of restitution is to discourage acts of vandalism and negligence and to ensure recovery of the cost of public property damaged by acts of vandalism and negligence.

(f) On occasions it is necessary for police officers to interview students or to take them into custody. This chapter is also intended to safeguard the rights and interests of students in attendance, to cooperate with police officers in the performance of their duties, to preserve the school milieu, and to delineate responsibilities of school personnel. Written exceptions and the request to present argument to the superintendent of education or state level designee must be received within five calendar days of the date of the decision rendered by the superintendent of education, designee or state level designee. A parent may submit written exceptions and waive the right to present argument; however, there will be no right to present argument without first submitting written exceptions. As a general policy, except as provided in section 8-19-14 regarding student lockers, the searches and seizures are permissible if there are reasonable grounds to suspect, based on the attendant circumstances that the search will turn up evidence that the student or students have violated or are violating either the law or the student conduct prohibited under this chapter. Searches and seizures conducted by school officials shall abide by the provisions of this subchapter. [Eff 5/23/86; comp 7/19/93; comp 5/19/97; comp 2/22/01; am and comp 9/10/09, am and comp

(2) The manner in which the search is to be conducted is reasonably related to the purpose of the search.

(3) The student who will be subjected to a search shall be informed of the purpose of the search and shall be given an opportunity to voluntarily relinquish the evidence sought by the school official.

(b) The principal or designee of the school shall be informed by the school official who will conduct the search that a search is to be conducted and of the purpose of the search unless it is an emergency where immediate action is necessary to protect the health or safety, or both of a person or persons.

Attendance at the conference shall be limited to the principal or designee, student, and parent.

(d) Advance written notice of the conference shall be made on departmental forms, which shall be delivered by mail to the parent. No student or parent shall be required to make restitution in any manner unless the parent has been notified and has been given an opportunity to be heard. The notice shall inform the parent of the findings and the date, time, and location of the conference. The notice shall be mailed at least fifteen calendar days before the date of the conference. When necessary to achieve effective communication the notice shall be provided in the native language of the parent. The school may use other means of communication, such as the telephone, to augment the written communication between the school and the parent.

(1) The parent shall respond to the notice within seven calendar days from the date of the notice.

(2) The conference date provided for in the notice may be rescheduled if the parent of the student contacts the school to arrange for a new conference date. The request to reschedule the conference shall be made within seven calendar days of the date of the notice.

(3) The conference and an informal settlement may be agreed upon in cases where damages do not exceed $3,500. If a settlement is
reached, a written agreement for restitution shall be executed between the parent and school. A written agreement shall be executed only if the damages do not exceed $3,500.

(e) If a parent fails to respond to the notice within the time limit, the principal or designee may:
   (1) Reschedule the conference date if the principal or designee determines that the failure to respond was for good cause or if it is in the best interest of the school or student; or
   (2) Inform the parent in writing that a notice was given for an opportunity to be heard at a conference with the principal or designee, and because of the failure to respond to the notice, the matter shall be referred to the complex area superintendent by the principal or designee for further action.

(f) The conference shall be conducted in the following manner:
   (1) The parties present at the conference shall be the principal or designee, student, and parent. Except for the principal or designee of the school in which the vandalism occurred, the student, and the parent, no other person shall be permitted to be present at the conference for any reason.
   (2) At the conference, the principal or designee of the school in which the vandalism occurred shall present the findings of the investigation and the restitution requirements.
   (3) If the student and the parent agree with the amount and manner in which restitution is to be made, the principal or designee, the student and the parent shall execute a written agreement on departmental forms which shall specify the manner in which restitution is to be made and the time period within which the restitution shall be completed, provided that the damages do not exceed $3,500. Restitution may be made in any manner, including monetary restitution by the student and parent. If damages exceed $3,500, the matter shall be referred to the complex area superintendent who shall refer the matter to the attorney general for further action.
   (4) When the restitution is completed, all records and documents regarding the investigation and conference shall be maintained at the school for three years. No information about the investigation, conference and the actions taken shall be communicated to any person not directly involved in the proceedings.
   (5) If a written agreement is executed and the parent or student fails to comply with the terms of the agreement, the principal or designee may forward the matter to the complex area superintendent. The complex area superintendent shall review the matter and take appropriate action, which may include referral to the attorney general for further action.
   (6) If the student and the parent do not agree with the findings made by the principal or designee, the principal or designee shall transmit all the records and documents regarding the investigation
and conference, and shall report the findings and circumstances of
the matter to the complex area superintendent who shall review the
matter and take appropriate action which may include referral of the
matter to the attorney general for further action. If damages exceed

SUBCHAPTER 8
COMPLAINTS RELATING TO PROTECTED CLASS CONDUCT

§8-19-30 Complaint procedure. (a) The department will take
immediate and appropriate steps to stop any discrimination, harassment
(including sexual harassment), or bullying against a student based on a protected
class as defined in §8-19-2, to prevent its recurrence and to remedy
discriminatory effects on the complainant/victim or others, if appropriate.
(b) Complaints stemming from allegations that fall under this subchapter
may be filed at any time by:
(1) Students who experience protected class discrimination,
harassment (including sexual harassment), bullying, or retaliation;
(2) Students who witness protected class discrimination,
harassment (including sexual harassment), bullying, or retaliation
against another student;
(3) Parents or legal guardians who know about or witness protected
class discrimination, harassment (including sexual harassment),
bullying, or retaliation against a student; or
(4) Employees, staff, or volunteers who witness or know about
protected class discrimination, harassment (including sexual
harassment), bullying, or retaliation against a student.
(c) Complaints alleging violations of this subchapter may be made using
the Department of Education Hawaii Administrative Rules Title 8, Chapter 19
Civil Rights Complaint Form, and the complaint may be filed at any time.
Individuals who do not have access to or prefer not to use the Department of
Education Hawaii Administrative Rules Title 8, Chapter 19 Civil Rights Complaint
Form may nonetheless make a complaint, either in writing or orally, by providing
the following information:
(1) The name of the respondent or a sufficient description of the
respondent so that an identity can be determined;

(2) The date(s) when the alleged discrimination occurred;

(3) The protected basis of the complaint and a factual description of how the discrimination allegedly occurred;

(4) A description of the injury or harm, if any; and

(5) Attachments, if any, documenting the alleged conduct.

d) Written complaints may be given to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCO. Verbal complaints may be made either in person or over the phone to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCO.

e) The principal or designee or complex area superintendent, in consultation with the CRCO, will assess the complaint to determine if the factual allegations allege a violation of this subchapter. If there are no facts that support a violation of this subchapter, the complaint will be addressed under Subchapters 2 and 3. If there are facts that support a violation of this subchapter, the principal or designee will either:

(1) Immediately initiate an investigation pursuant to section 8-19-31; or

(2) If deemed appropriate, offer the parties an opportunity to resolve the complaint informally before any formal investigation process begins. This informal process will only be used if the parties voluntarily agree to participate. The parties are not required to resolve the complaint directly with each other. Once the informal process is initiated, either party has the right to end the informal process at any time, which will result in starting the formal investigative process.

Informal resolution is not appropriate in cases where (1) the allegation is serious enough that it appears to place the complainant or any other person at physical risk, (2) the incident has resulted in a criminal charge, (3) the incident involves a referral to the police or Child Welfare Services, (4) the complaint involves an allegation of severe, persistent or pervasive harassment or other serious form of discrimination, (5) there is a pending investigation against the respondent, (6) there is an objective and obvious power imbalance between the parties, or (7) an investigation is otherwise appropriate under the circumstances.

If informal resolution is not appropriate, or if the parties are unable to come to a resolution, an investigation will be initiated by the principal or designee in accordance with section 8-19-31.

(f) Both parties may make a request for immediate interventions to the principal, any vice principal, the complex area superintendent, or the CRCO. The principal or designee may institute immediate interventions without a request, if they deem them appropriate. Immediate interventions will be considered by the principal or designee, in consultation with the CRCO, and if it is determined that immediate interventions are necessary, the principal or designee will implement the immediate interventions. Failure to comply with the terms of immediate interventions may be considered a separate violation, which may result in a separate investigation, findings, and determination. [Eff. ]

§8-19-31 Investigation. (a) When a complaint is made alleging violations of this subchapter, the principal or designee will assign an impartial school level investigator (“investigator”) to conduct a thorough and impartial investigation. Once an investigation is initiated, the principal or designee shall make a good faith effort at the earliest point possible to inform the parent about the investigation. If after making reasonable attempts, the principal or designee is unable to contact the parent, the investigator may engage in and complete the investigation.

The complainant/victim and respondent will be allowed to provide the names of witnesses who they believe have information relevant to the complaint and provide evidence that they believe is relevant to the complaint.

(b) Once the investigator has obtained the necessary relevant information and documents, the investigator will analyze and document the available evidence, objectively evaluate the credibility of parties and witnesses, synthesize all available evidence, including inculpatory and exculpatory evidence, and take into account the unique and complex circumstances of each case. Once that is complete, the investigator will prepare findings of fact and make a determination on any appropriate action that needs to be taken to end any discrimination, harassment, bullying, or retaliation and prevent its recurrence and remedy its effects on the complainant/victim and the department community. The investigator will forward their findings to the principal or designee, who will determine whether the facts constitute prohibited student conduct under either section 8-19-6(a) or section 8-19-13(a). Any disciplinary actions taken will be subject to the provisions of section 8-19-5 through section 8-19-13, as applicable, including the right to appeal.

(c) At the conclusion of the investigation, the principal or designee, in consultation with the CRCO, shall determine whether any remedies will be provided to any individual involved in the investigation. If it is determined that remedies will be provided, the principal or designee will implement the remedies. The complainant/victim will be notified of any remedies provided and any other actions taken by the department that directly relate to the complainant/victim. The respondent will be notified of any actions taken by the department that directly relate to the respondent.

(d) The investigator will seek to complete the investigation within five (5) calendar days from the date the investigator was assigned the matter. If the investigation takes longer than five days, the investigator will notify the parties in writing of the delay, provide reasons for the delay, and the length of additional time needed to complete the investigation. The parties will be provided written notification of the outcome of the investigation and any other actions taken by the department that directly relate to the complainant or the respondent. §8-19-32 Continued investigation. The department will investigate allegations of violations of this subchapter even absent a filing of a formal
complaint or if a complaint has been withdrawn. [Eff. ]
(Auth: HRS §302A-1112)

§8-19-33 Translation, interpretation, writing assistance, or reasonable accommodation. Any individual making a complaint or participating in an investigation that requires translation, interpretation, or writing assistance shall be afforded such assistance by the department. Any individuals with disabilities who require reasonable accommodation(s) to make a complaint or participate in an investigation shall be afforded such assistance by the department. [Eff. ] (Auth: HRS §302A-1112)

§8-19-34 Retaliation prohibited. Retaliation and retaliatory harassment is prohibited against any person because he/she engaged in a protected activity. [Eff. ] (Auth: HRS §302A-1112)

§8-19-35 Right to seek other relief. Nothing in this chapter shall be construed to limit or waive the right of the complainant/victim to seek other relief as provided under federal and state laws. A complainant/victim has the right to file a discrimination complaint with the federal or state government:
(a) Without filing a complaint under this chapter;
(b) At the same time a complaint is filed or an incident is reported under this chapter;
(c) At any time during the pendency of a complaint filed or an incident reported under this chapter; or
(d) After a complaint filed or incident reported under this chapter has been addressed.

Historical Note: This chapter is based substantially upon Department of Education “Rule 21, Relating to Student Discipline” [Eff 3/28/64; am 11/29/73; am 5/01/76; R 9/1/82]; “Rule 3, Relating to Police Interviews and Arrest of Students During School Hours” [Eff 9/23/63; am 6/20/77; R 9/1/82]; “Rule 24, Relating to Students Smoking on School Premises” [Eff 3/28/64; R 9/1/82].
§8-19-1 Philosophy. (a) Hawaii has established and supports a statewide system of public education. The compulsory nature of school attendance ensures that a student shall have the opportunity for an education. In addition to the education provided during the regular school year, the department offers students the opportunity to receive additional instruction and educational services through a self-supporting summer school program on a voluntary attendance basis. The department is committed to:

(1) Provide the student with optimal learning conditions;
(2) Select appropriate teachers for the student’s instruction; and
(3) Other programs that will help the student to succeed.

In 1996, the Hawaii state department of education initiated a collaborative and systemic reform known as the Comprehensive Student Support System (CSSS), which provides a continuum of academic, social, emotional, and physical environmental supports and services to all students to facilitate their learning and their meeting of high educational standards. It is a CSSS community of caring and supportive relationships among students, teachers, families, and agencies working together that promote timely and appropriate services for all students. The goal of the school system is to provide a learning experience that allows all students to achieve the Vision of the Public School Graduate, 2005-2008.

(b) It is the responsibility of every student to demonstrate respectful, responsible, non-discriminatory, safe, and ethical behaviors on department transportation, or during a department-sponsored activity on or off school property. The department supports this through the establishment of a proactive systems approach to schoolwide discipline.

(c) However, when a student’s behavior violates established policies, rules, or regulations of the department, state or local laws, the department may take appropriate disciplinary action in accordance with this chapter. The purpose of school-administered discipline is to:

(1) Promote and maintain a safe and secure educational environment;
(2) Teach and acknowledge proper behavior which is beneficial to the educational process and self-development;
(3) Deter students from acts which interfere with the purpose of education or which are self-destructive, self-defeating or anti-social; and
(4) Maintain proper student conduct to ensure that educational activities and responsibilities remain uninterrupted; and

(4.1) Stop any discrimination (including unlawful discrimination), harassment (including sexual harassment), or bullying against a student based on a protected class.
(d) An educational worker conducting or participating in a school program, activity, or function sponsored or approved by the department, or hired to engage in carrying out an educational function, has a reasonable expectation to be free of undue disruption and threat of disorder or acts of violence, or both, committed against them by students.

(e) In addition to the disciplinary action taken under this chapter, restitution for vandalism or for negligence shall be made in accordance with the provisions of this chapter. The purpose of restitution is to discourage acts of vandalism and negligence and to ensure recovery of the cost of public property damaged by acts of vandalism and negligence.

(f) On occasions it is necessary for police officers to interview students or to take them into custody. This chapter is also intended to safeguard the rights and interests of students in attendance, to cooperate with police officers in the performance of their duties, to preserve the school milieu, and to delineate responsibilities of school personnel.

§8-19-7 Crisis removal. (a) A principal or designee, in an emergency, may crisis remove a student immediately based upon preliminary inquiry and findings that the student’s conduct presents a clear immediate threat to the physical safety of self or others or is so extremely disruptive as to make the student’s immediate removal necessary to preserve the right of other students to pursue an education free from undue disruption.

(b) Upon imposition of a crisis removal, schools shall make a good faith effort to inform the parent immediately by telephone.

(c) A follow-up written notice of the crisis removal shall be personally delivered or mailed to the parent. The notice of the crisis removal shall contain the following written statements:

1. Allegations of the specific acts committed by the student that form the basis of the crisis removal;
(2) The allegations of the specific acts that were substantiated;
(3) A statement of the disciplinary action(s); and
(4) A statement of a conference date, time, and place offered
    by the school administration to meet with the parent. A copy of the
    crisis removal notice shall be mailed to the complex area
    superintendent. In addition to the crisis removal notice required by this
    subsection, the principal or designee shall attempt to confirm the notice
    by telephoning the parent.

(d) A student who is the subject of a crisis removal shall be permitted to
    resume attendance at school as soon as the crisis no longer exists.

(e) A crisis removal shall not continue for more than ten school days,
    except when approved by the complex area superintendent during an appeal.

§8-19-7.1 Investigation. (a) Immediately after making a crisis removal or
    whenever the principal or designee has reason to believe that a student has
    engaged in an activity warranting the imposition of a suspension, the principal or
    designee shall initiate a thorough investigation.

    (b) When conducting an investigation, the principal or designee shall
        make a good faith effort at the earliest point possible to inform the parent about
        the school’s investigation. If after making reasonable attempts, the principal or
        designee is unable to contact the parent, the school may engage in and complete
        the investigation. The investigation shall be completed as quickly as possible. If
        the principal or designee elects to initiate proceedings for the imposition of
        serious discipline other than crisis removal, the principal or designee upon
        completion of the investigation, shall make a written report containing a brief
        summary of the testimony of witnesses interviewed, any other evidence, and the
        principal or designee’s reason(s) for the initiation of disciplinary proceedings.

    (c) The principal or designee shall give to the parent notice of the findings
        against the student. If the student or parent denies the charge(s), the principal or
        designee shall indicate to the parent and the student the evidence to support the
        findings of the school official. The student or parent shall be given an opportunity
        to present the student's version of the incident. [Eff and comp 9/10/09] (Auth: HRS §302A-1112) (Imp: HRS §302A-1112)

§8-19-8 Suspension. (a) Whenever a principal or designee has reason
    to believe that a student has engaged in activity warranting the imposition of
    suspension, the principal or designee shall immediately conduct an investigation
    of the incident. Upon completion of the investigation and findings, the student
    may be suspended if the principal or designee finds that the findings are
    sustained. The principal or designee shall inform the parent in writing of the
    findings and the disciplinary actions.

    (b) If the student or parent denies the charge(s), the principal or designee
        shall indicate to the student and parent what evidence school authorities have to
support the findings of the school official. The student or parent, or both shall be
given an opportunity to present the student’s version of the incident. However,
where the student is unable to understand the seriousness of the charges, the
nature of the proceedings, and consequences thereof, or is of such age,
intelligence or experience as to make meaningful discussion difficult, the principal
or designee shall request that the parent be present to participate in the
discussion.
(c) If the total number of days in any single semester for suspensions
exceeds ten school days, the due process procedures of this chapter shall apply
unless otherwise indicated by law.
(d) The parent shall be given verbal notice of any suspension regardless

§8-19-9 Due process for suspensions exceeding ten days,
disciplinary transfer, and dismissal. (a) If, based upon the investigation, the
principal or designee believes that a student engaged in an activity which

recommends that serious discipline other than crisis removal be imposed, the
principal or designee shall immediately notify the complex area superintendent to
initiate disciplinary proceedings by obtaining verbal authorization from the
complex area superintendent.
(b) Upon obtaining verbal authorization from the complex area

(c) Within three school days of the verbal authorization from the complex
area superintendent, the principal or designee shall mail a written notice of the

5. If the student or parent would like to file an appeal, the appeal must be submitted in writing and received by the complex area superintendent by the close of business of the seventh school day from the date of the issued serious discipline notice. The student shall be permitted to attend the school of the student pending the appeal unless the principal finds the continued presence of the student creates a substantial risk to self or others or to the rights of other students to pursue their education free from disruption. However, the student shall not participate in any extracurricular activities, including but are not limited to athletics, trips, or clubs.

(d) Upon receipt of a written request for an appeal, the complex area superintendent shall, within ten school days, schedule an appeal and shall inform the parent of the date, time, and place. Written notice of the appeal shall be mailed to the parent and principal or designee at least fifteen calendar days before the appeal. The appeal shall be conducted by the complex area superintendent or by an impartial department of education person, or an impartial designee, who may be an official of the department, designated by the complex area superintendent. If the disciplinary action is upheld, the complex area superintendent shall indicate the total number of suspension days and within the suspension beginning and ending dates take into consideration the number of suspension days the student may have already served.

(e) The parent may appeal the decision of the complex area superintendent by providing written notice of their appeal and a specific statement whether they are requesting a hearing to the superintendent of education or state level designee identifying the specific issues and arguments with supporting documents and evidence the individual is appealing. The written appeal shall be delivered to the superintendent of education or state level designee within seven school days of the date of the complex area superintendent’s written decision. If no specific request is made for a hearing, the superintendent of education or state level designee shall render a decision based upon the entire record of the proceedings of the complex area superintendent and the parent submitted on the appeal. The superintendent of education or state level designee shall render a final written decision. The student shall be permitted to attend the school of the student pending the appeal unless the complex area superintendent finds that the continued presence of the student creates a substantial risk to self or others or to the rights of other students to pursue their education free from disruption. Where the student is to be excluded from school pending the appeal, the superintendent of education or state level designee shall render a decision within twenty-one calendar days of the date of the receipt of the appeal.

In the event that a parent should file written exceptions for the length of time of a firearms dismissal or modification based upon a designee’s decision, the written exception will be heard by the superintendent of education or the state level designee. Written exceptions and the request to present argument to the superintendent of education or state level designee must be received within five calendar days of the date of the decision rendered by the superintendent of education, designee or state level designee. A parent may submit written exceptions and waive the right to present argument; however, there will be no right to present argument without first submitting written exceptions. SCHOOL SEARCHES AND SEIZURES

§8-19-14 Policy on opening and inspection of student lockers.
School lockers provided to the students on campus are subject to opening and inspection (and external dog sniffs) by school officials at any time with or without cause, provided that the searches are not because of the student’s race, color, national origin, ancestry, sex, gender identity and expression, religion, disability, or sexual orientation. Section 8-19-15 shall have no applicability to the opening and inspection (and external dog sniffs) of student lockers. None of the restrictions in sections 8-19-15 through 8-19-18 or related to general school searches and seizures shall in any way be construed to create an expectation of privacy in student lockers. Students should assume that their lockers are subject to opening and inspection (and external dog sniffs) any time with or without cause. §8-19-15 Policy on general school searches and seizures. Except as provided in section 8-19-14 regarding student lockers, students have a reasonable expectation of privacy in their persons on campus, or other department [of education] premises, on department [of education] transportation, or during a department [of education] sponsored activity or event on or off school property. Schools have an equally legitimate need to maintain order and an environment where learning can take place. In fulfilling this legitimate need, school officials may on occasions need to carry out searches and seizures on campus, or other department [of education] premises, on department [of education] transportation, or during a department [of education] sponsored activity or event on or off school property. As a general policy, except as provided in section 8-19-14 regarding student lockers, the searches and seizures are permissible if there are reasonable grounds to suspect, based on the attendant circumstances that the search will turn up evidence that the student or students have violated or are violating either the law or the student conduct prohibited under this chapter. Searches and seizures conducted by school officials shall abide by the provisions of this subchapter. 2. The manner in which the search is to be conducted is reasonably related to the purpose of the search.
3. The student who will be subjected to a search shall be informed of the purpose of the search and shall be given an opportunity to voluntarily relinquish the evidence sought by the school official.

SUBCHAPTER 7

RESTITUTION FOR VANDALISM

§8-19-25 Liability for vandalism. (a) When any student is found to be responsible for an act of vandalism against any public school building, facility, or
ground, restitution shall be made by the student or parent. There shall be no restitution when vandalism cannot be proved to have been committed by the student.

(b) Notwithstanding the provisions of this chapter, the State may elect to bring any appropriate action for the recovery of damages to school properties.

(c) If a student is to be disciplined for an act of vandalism under this chapter, restitution procedures shall be initiated only after the disciplinary procedures of this chapter have been completed and the principal or designee conducting the investigation has reason to believe that the student has violated the provisions of this chapter. [Eff 5/23/86; comp 7/19/93; comp 5/19/97; comp 2/22/01; am and comp 9/10/09] (Auth: HRS §302A-1112) (Imp: HRS §§302A-1112, 302A-1153)

§8-19-26 Procedures applicable to vandalism. (a) Whenever a principal or designee has reason to believe that a student may be responsible for an act of vandalism against any public school building, facility or ground, the principal or designee shall immediately initiate an investigation.

(b) If the vandalism is an act which subjects the student to disciplinary action under this chapter, the principal or designee shall include as part of the investigation required under sections 8-19-7, 8-19-8, 8-19-9, and 8-19-10, a determination of the facts and circumstances that support restitution under this subchapter. Further action related to restitution shall be held in abeyance until disciplinary action has been determined and appeal procedures have been exhausted.

(c) If after the investigation, the principal or designee has reason to believe that a student is responsible for the vandalism, the principal or designee shall schedule a conference with the student and parent. Attendance at the conference shall be limited to the principal or designee, student, and parent.

(d) Advance written notice of the conference shall be made on departmental forms, which shall be delivered by mail to the parent. No student or parent shall be required to make restitution in any manner unless the parent has been notified and has been given an opportunity to be heard. The notice shall inform the parent of the findings and the date, time, and location of the conference. The notice shall be mailed at least fifteen calendar days before the date of the conference. When necessary to achieve effective communication the notice shall be provided in the native language of the parent. The school may use other means of communication, such as the telephone, to augment the written communication between the school and the parent.

(1) The parent shall respond to the notice within seven calendar days from the date of the notice.

(2) The conference date provided for in the notice may be rescheduled if the parent of the student contacts the school to arrange for a new conference date. The request to reschedule the conference shall be made within seven calendar days of the date of the notice.

(3) The conference and an informal settlement may be agreed upon in cases where damages do not exceed $3,500. If a settlement
is reached, a written agreement for restitution shall be executed between the parent and school. A written agreement shall be executed only if the damages do not exceed $3,500.

(e) If a parent fails to respond to the notice within the time limit, the principal or designee may:

(1) Reschedule the conference date if the principal or designee determines that the failure to respond was for good cause or if it is in the best interest of the school or student; or

(2) Inform the parent in writing that a notice was given for an opportunity to be heard at a conference with the principal or designee, and because of the failure to respond to the notice, the matter shall be referred to the complex area superintendent by the principal or designee for further action.

(f) The conference shall be conducted in the following manner:

(1) The parties present at the conference shall be the principal or designee, student, and parent. Except for the principal or designee of the school in which the vandalism occurred, the student, and the parent, no other person shall be permitted to be present at the conference for any reason.

(2) At the conference, the principal or designee of the school in which the vandalism occurred shall present the findings of the investigation and the restitution requirements.

(3) If the student and the parent agree with the amount and manner in which restitution is to be made, the principal or designee, the student and the parent shall execute a written agreement on departmental forms which shall specify the manner in which restitution is to be made and the time period within which the restitution shall be completed, provided that the damages do not exceed $3,500. Restitution may be made in any manner, including monetary restitution by the student and parent. If damages exceed $3,500, the matter shall be referred to the complex area superintendent who shall refer the matter to the attorney general for further action.

(4) When the restitution is completed, all records and documents regarding the investigation and conference shall be maintained at the school for three years. No information about the investigation, conference and the actions taken shall be communicated to any person not directly involved in the proceedings.

(5) If a written agreement is executed and the parent or student fails to comply with the terms of the agreement, the principal or designee may forward the matter to the complex area superintendent. The complex area superintendent shall review the matter and take appropriate action, which may include referral to the attorney general for further action.

(6) If the student and the parent do not agree with the findings made by the principal or designee, the principal or designee shall
transmit all the records and documents regarding the investigation and conference, and shall report the findings and circumstances of the matter to the complex area superintendent who shall review the matter and take appropriate action which may include referral of the matter to the attorney general for further action. If damages exceed $3,500, the matter shall be referred to the attorney general for further action. SUBCHAPTER 8

COMPLAINTS RELATING TO PROTECTED CLASS CONDUCT

§8-19-30 Complaint procedure. (a) The department will take immediate and appropriate steps to stop any discrimination, harassment (including sexual harassment), or bullying against a student based on a protected class as defined in §8-19-2, to prevent its recurrence and to remedy discriminatory effects on the complainant/victim or others, if appropriate.

(b) Complaints stemming from allegations that fall under this subchapter may be filed at any time by:

(1) Students who experience protected class discrimination, harassment (including sexual harassment), bullying, or retaliation;

(2) Students who witness protected class discrimination, harassment (including sexual harassment), bullying, or retaliation against another student;

(3) Parents or legal guardians who know about or witness protected class discrimination, harassment (including sexual harassment), bullying, or retaliation against a student; or

(4) Employees, staff, or volunteers who witness or know about protected class discrimination, harassment, (including sexual harassment), bullying, or retaliation against a student.

(c) Complaints alleging violations of this subchapter may be made using the Department of Education Hawaii Administrative Rules Title 8, Chapter 19 Civil Rights Complaint Form, and the complaint may be filed at any time. Individuals who do not have access to or prefer not to use the Department of Education Hawaii Administrative Rules Title 8, Chapter 19 Civil Rights Complaint Form may nonetheless make a complaint, either in writing or orally, by providing the following information:
(1) The name of the respondent or a sufficient description of the respondent so that an identity can be determined;
(2) The date(s) when the alleged discrimination occurred;
(3) The protected basis of the complaint and a factual description of how the discrimination allegedly occurred;
(4) A description of the injury or harm, if any; and
(5) Attachments, if any, documenting the alleged conduct.

(d) Written complaints may be given to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCO. Verbal complaints may be made either in person or over the phone to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCO.

(e) The principal or designee or complex area superintendent, in consultation with the CRCO, will assess the complaint to determine if the factual allegations allege a violation of this subchapter. If there are no facts that support a violation of this subchapter, the complaint will be addressed under Subchapters 2 and 3. If there are facts that support a violation of this subchapter, the principal or designee will either:

(1) Immediately initiate an investigation pursuant to section 8-19-31; or
(2) If deemed appropriate, offer the parties an opportunity to resolve the complaint informally before any formal investigation process begins. This informal process will only be used if the parties voluntarily agree to participate. The parties are not required to resolve the complaint directly with each other. Once the informal process is initiated, either party has the right to end the informal process at any time, which will result in starting the formal investigative process.

Informal resolution is not appropriate in cases where (1) the allegation is serious enough that it appears to place the complainant or any other person at physical risk, (2) the incident has resulted in a criminal charge, (3) the incident involves a referral to the police or Child Welfare Services, (4) the complaint involves an allegation of severe, persistent or pervasive harassment or other serious form of discrimination, (5) there is a pending investigation against the respondent, (6) there is an objective and obvious power imbalance between the parties, or (7) an investigation is otherwise appropriate under the circumstances.

If informal resolution is not appropriate, or if the parties are unable to come to a resolution, an investigation will be initiated by the principal or designee in accordance with section 8-19-31.

(f) Both parties may make a request for immediate interventions to the principal, any vice principal, the complex area superintendent, or the CRCO. The principal or designee may institute immediate interventions without a request, if they deem them appropriate. Immediate interventions will be considered by the principal or designee, in consultation with the CRCO, and if it is determined that immediate interventions are necessary, the principal or designee will implement the immediate interventions. Failure to comply with the terms of immediate interventions may be considered a separate violation, which may result in a separate investigation, findings, and determination. [Eff. _Auth: HRS §302A-1112] (Imp: HRS §§302A-1101, 302A-1112; 42
§8-19-31 Investigation. (a) When a complaint is made alleging violations of this subchapter, the principal or designee will assign an impartial school level investigator (“investigator”) to conduct a thorough and impartial investigation. Once an investigation is initiated, the principal or designee shall make a good faith effort at the earliest point possible to inform the parent about the investigation. If after making reasonable attempts, the principal or designee is unable to contact the parent, the investigator may engage in and complete the investigation.

The complainant/victim and respondent will be allowed to provide the names of witnesses who they believe have information relevant to the complaint and provide evidence that they believe is relevant to the complaint.

(b) Once the investigator has obtained the necessary relevant information and documents, the investigator will analyze and document the available evidence, objectively evaluate the credibility of parties and witnesses, synthesize all available evidence, including inculpatory and exculpatory evidence, and take into account the unique and complex circumstances of each case. Once that is complete, the investigator will prepare findings of fact and make a determination on any appropriate action that needs to be taken to end any discrimination, harassment, bullying, or retaliation and prevent its recurrence and remedy its effects on the complainant/victim and the department community. The investigator will forward their findings to the principal or designee, who will determine whether the facts constitute prohibited student conduct under either section 8-19-6(a) or section 8-19-13(a). Any disciplinary actions taken will be subject to the provisions of section 8-19-5 through section 8-19-13, as applicable, including the right to appeal.

(c) At the conclusion of the investigation, the principal or designee, in consultation with the CRCO, shall determine whether any remedies will be provided to any individual involved in the investigation. If it is determined that remedies will be provided, the principal or designee will implement the remedies. The complainant/victim will be notified of any remedies provided and any other actions taken by the department that directly relate to the complainant/victim. The respondent will be notified of any actions taken by the department that directly relate to the respondent.

(d) The investigator will seek to complete the investigation within five (5) calendar days from the date the investigator was assigned the matter. If the investigation takes longer than five days, the investigator will notify the parties in writing of the delay, provide reasons for the delay, and the length of additional time needed to complete the investigation. The parties will be provided written notification of the outcome of the investigation and any other actions taken by the department that directly relate to the complainant or the respondent. §8-19-33 Translation, interpretation, writing assistance, or reasonable accommodation. Any individual making a complaint or participating in an investigation that requires translation, interpretation, or writing assistance shall be afforded such assistance by the department. Any individuals with disabilities who require reasonable accommodation(s) to make a complaint or participate in an investigation shall be afforded such assistance by the department. §8-19-34 Retaliation prohibited. Retaliation and retaliatory harassment is prohibited against any person because he/she engaged in a protected activity. [Eff. ] (Auth: HRS §302A-1112)

§8-19-35 Right to seek other relief. Nothing in this chapter shall be construed to limit or waive the right of the complainant/victim to seek other relief as provided under federal and state laws. A complainant/victim has the right to file a discrimination complaint with the federal or state government:
(a) Without filing a complaint under this chapter;
(b) At the same time a complaint is filed or an incident is reported under this chapter;
(c) At any time during the pendency of a complaint filed or an incident reported under this chapter; or
(d) After a complaint filed or incident reported under this chapter has been addressed.
