SUBJECT: Board Action on Approving for Public Hearing Draft Amendments to Hawaii Administrative Rules, Chapter 19, Student Misconduct, Discipline, School Searches, and Seizures, Reporting Offenses, Police Interviews, and Arrests, and Restitution for Vandalism

1. **RECOMMENDATION**

   It is recommended that the Board of Education ("Board") approve the recommendation by the Hawaii Department of Education ("HIDOE") to send the following matters for public hearing:

   1) Revisions to Hawaii Administrative Rules ("HAR") Chapter 8-19 ("Chapter 19").

2. **RECOMMENDED EFFECTIVE DATE**

   Upon the start of the 2019-2020 school year.

3. **RECOMMENDED COMPLIANCE DATE** (if different from the effective date)

   Not applicable.

4. **DISCUSSION**

   a. Conditions leading to the recommendation:

   AN AFFIRMATIVE ACTION AND EQUAL OPPORTUNITY EMPLOYER
On September 6, 2018, there was a hearing held by the joint Committees of Finance and Infrastructure and Student Achievement to consider the recommendation of the HIDOE to send the following matters out for public hearing: 1) revisions to Chapter 19; 2) repeal of Chapter 41; and 3) creation of Chapter 89. Written public testimony on these matters was submitted to the joint committees and one person presented oral testimony to the joint committees on Chapter 19 and Chapter 89.

Following the public testimony, the joint committees had questions for HIDOE representatives, expressed concerns about specific aspects of Chapters 19 and 89 and asked HIDOE to make changes to address them. There were no concerns from the joint committees or the public regarding the repeal of Chapter 41.

After receiving input and feedback from the public and the joint committees, HIDOE made several proposed updates to Chapter 19 and Chapter 89, which it presented to the Board on October 4, 2018. Again, written public testimony was submitted to the Board, and four people presented oral testimony. Following this testimony, the Board voted unanimously to send the revised Chapter 19 and Chapter 89 to public hearing.

Before proceeding to public hearing, in November and December 2018, HIDOE held 11 engagement sessions with school administrators and another 11 engagement sessions with community members to discuss the proposed changes to Chapter 19 and Chapter 89. These engagement sessions took place on Oahu, the Big Island, Maui, Kauai, Lanai, and Molokai. At these engagement sessions, school administrators and community members reacted positively to some aspects of the proposed rule updates, but also strongly expressed that a few more changes should be made to the proposed rules before they were presented and considered at a public hearing.

b. Arguments in support of the recommendation:

The primary argument in support of the recommendation to approve Chapter 19 for public hearing is that HIDOE carefully considered all feedback from school administrators and the public and updated the administrative rules accordingly. Approving Chapter 19 for public hearing will also support HIDOE in meeting its commitments outlined in the December 20, 2017, Resolution Agreement with the U.S. Department of Education, Office for Civil Rights. Proposed substantive updates made since the administrative rules were last reviewed by the Board at its October 4, 2018, general meeting are detailed in the table below, along with the rationale for these changes. Smaller corrections were also made, including grammatical and formatting changes.

**c. Arguments against the recommendation:**

The public and advocacy groups may continue to offer suggestions for strengthening these administrative rules, but it is the HIDOE’s position that public feedback has been carefully considered and the rules updated accordingly.

SUBCHAPTER 1

GENERAL PROVISIONS

§8-19-1 Philosophy. (a) Hawaii has established and supports a statewide system of public education. The compulsory nature of school attendance ensures that a student shall have the opportunity for an education. In addition to the education provided during the regular school year, the department offers students the opportunity to receive additional instruction and educational services through a self-supporting summer school program on a voluntary attendance basis. The department is committed to:

(1) Provide the student with optimal learning conditions;
(2) Select appropriate teachers for the student’s instruction; and
(3) Other programs that will help the student to succeed.
In 1996, the [Hawaii state] department of education initiated a collaborative and systemic reform known as the Comprehensive Student Support System (CSSS), which provides a continuum of academic, social, emotional, and physical environmental supports and services to all students to facilitate their learning and their meeting of high educational standards. It is a CSSS community of caring and supportive relationships among students, teachers, families, and agencies working together that promote timely and appropriate services for all students. The goal of the school system is to provide a learning experience that allows all students to achieve the Vision of the Public School Graduate, 2006-2008, Department of Education Strategic Plan, State of Hawaii, Department of Education, Office of Superintendent, June 2006, in safe, caring, nurturing, and orderly teaching and learning environments.

(b) It is the responsibility of every student to demonstrate respectful, responsible, non-discriminatory, safe, and ethical behaviors on department transportation, or during a department-sponsored activity on or off school property. The department supports this through the establishment of a proactive systems approach to schoolwide discipline.

(c) However, when a student’s behavior violates established policies, rules, or regulations of the department, state or local laws, the department may take appropriate disciplinary action in accordance with this chapter. The purpose of school-administered discipline is to:

(1) Promote and maintain a safe and secure educational environment;

(2) Teach and acknowledge proper behavior which is beneficial to the educational process and self-development;

(3) Deter students from acts which interfere with the purpose of education or which are self-destructive, self-defeating or anti-social; and

(4) Maintain proper student conduct to ensure that educational activities and responsibilities remain uninterrupted;

(5) Stop any discrimination (including unlawful discrimination), harassment (including sexual harassment), or bullying against a student based on a protected class.

(d) An educational worker conducting or participating in a school program, activity, or function sponsored or approved by the department, or hired to engage in carrying out an educational function, has a reasonable expectation to be free of undue disruption and threat of disorder or acts of violence, or both, committed against them by students.

(e) In addition to the disciplinary action taken under this chapter, restitution for vandalism or for negligence shall be made in accordance with the provisions of this chapter. The purpose of restitution is to discourage acts of vandalism and negligence and to ensure recovery of the cost of public property damaged by acts of vandalism and negligence.

(f) On occasions it is necessary for police officers to interview students or to take them into custody. This chapter is also intended to safeguard the rights and interests of students in attendance, to cooperate with police officers in the performance of their duties, to preserve the school milieu, and to delineate responsibilities of school personnel. SUBCHAPTER 8

COMPLAINTS PROCEDURE AND INVESTIGATION OF DISCRIMINATION, HARASSMENT (INCLUDING SEXUAL HARASSMENT), BULLYING AND/OR RETALIATION

§8-19-30 Complaint procedure. (a) The department will take immediate and appropriate steps to stop any discrimination, harassment (including sexual harassment), or bullying against a student, including those based on a protected class as defined in section 8-19-2, to prevent its recurrence
and to remedy discriminatory effects on the complainant/victim or others, if appropriate.

(b) Complaints regarding inappropriate behavior or stemming from allegations that fall under this chapter may be filed at any time by:

(1) Students who experience discrimination, harassment (including sexual harassment), bullying, or retaliation;
(2) Students who witness discrimination, harassment (including sexual harassment), bullying, or retaliation against another student;
(3) Parents, legal guardians, educational representatives, or individuals with a power of attorney who know about or witness discrimination, harassment (including sexual harassment), bullying, or retaliation against a student; or
(4) Employees, staff, or volunteers who witness or know about discrimination, harassment (including sexual harassment), bullying, or retaliation against a student.

(c) Complaints alleging violations of this chapter may be made using the Department of Education Hawaii Administrative Rules Title 8, Chapter 19 Complaint Form, and the complaint may be filed at any time. Individuals who do not have access to or prefer not to use the Department of Education Hawaii Administrative Rules Title 8, Chapter 19 Complaint Form may nonetheless make a complaint, either in writing or orally, by providing the following information:

(1) The name of the respondent or a sufficient description of the respondent so that an identity can be determined;
(2) The date(s) when the alleged discrimination, harassment (including sexual harassment), bullying, or retaliation allegedly occurred;
(3) A factual description of how the discrimination, harassment (including sexual harassment), bullying, or retaliation allegedly occurred and the protected basis of the complaint, if any;
(4) A description of the injury or harm, if any; and
(5) Attachments, if any, documenting the alleged conduct.

(d) Written complaints may be given to any teacher or staff, principal, vice-principal, complex area superintendent, or the Civil Rights Compliance Branch. Verbal complaints may be made either in person or over the phone to any teacher or staff, principal, vice-principal, complex area superintendent, or the Civil Rights Compliance Branch.

(e) The principal or designee or complex area superintendent, in consultation with the Civil Rights Compliance Branch, will assess the complaint to determine if the factual allegations allege actionable discrimination, harassment (including sexual harassment), bullying, or retaliation. Complaints that do not fall under the subchapter will be referred to the appropriate office or administrator for review.

(f) When a complaint is filed, the principal or designee will either:

(1) Immediately initiate an investigation pursuant to section 8-19-31; or
(2) If deemed appropriate, offer the parties an opportunity to resolve the complaint informally before any formal investigation process begins. This informal process will only be used if the parties voluntarily agree to participate.
The parties are not required to resolve the complaint directly with each other. Once the informal process is initiated, either party has the right to end the informal process at any time, which will result in starting the formal investigative process.

Informal resolution is not appropriate in cases where (1) the allegation is serious enough that it appears to place the complainant/victim or any other person at physical risk, (2) the incident has resulted in a criminal charge, (3) the incident involves a referral to the police or Child Welfare Services, (4) the complaint involves an allegation of severe, persistent or pervasive bullying or other serious form of discrimination, (5) there is a pending investigation against the respondent, (6) there is an objective and obvious power imbalance between the parties, or (7) an investigation is otherwise appropriate under the circumstances.

If informal resolution is not appropriate, or if the parties are unable to come to a resolution, an investigation will be initiated by the principal or designee in accordance with section 8-19-31.

(q) Both parties may make a request for immediate interventions to the principal, any vice principal, the complex area superintendent, or the Civil Rights Compliance Branch. The principal or designee may institute immediate interventions without a request, if they deem them appropriate. Immediate interventions will be considered by the principal or designee, in consultation with the Civil Rights Compliance Branch, and if it is determined that immediate interventions are necessary, the principal or designee will implement the immediate interventions. The Civil Rights Compliance Branch will ensure that such immediate interventions are taken. Failure to comply with the terms of immediate interventions may be considered a separate violation, which may result in a separate investigation, findings, and determination. [Eff ]

§8-19-31 Investigation. (a) When a complaint is made, the principal or designee will assign an impartial school level investigator (“investigator”) to conduct a thorough and impartial investigation. Once an investigation is initiated, the principal or designee shall make a good faith effort at the earliest point possible to inform the parents about the investigation. If after making reasonable attempts, the principal or designee is unable to contact the parent, the investigator may engage in and complete the investigation.

The complainant/victim and respondent will be allowed to provide the names of witnesses who they believe have information relevant to the complaint and provide evidence that they believe is relevant to the complaint.

(b) Once the investigator has obtained the necessary relevant information and documents, the investigator will analyze and document the available evidence, objectively evaluate the credibility of parties and witnesses, synthesize all available evidence, including inculpatory and exculpatory evidence, and take into account the unique and complex circumstances of each case. Once that is complete, the investigator will prepare findings of fact and make a determination
on any appropriate action that needs to be taken to end any discrimination, harassment, bullying, or retaliation and prevent its recurrence and remedy its effects on the complainant/victim and the department community. The investigator will forward their findings to the principal or designee, who will determine whether the facts constitute prohibited student conduct under either section 8-19-6(a) or 8-19-13(a). Any disciplinary actions taken will be subject to the provisions of sections 8-19-5 through 8-19-13, as applicable, including the right to appeal.

(c) At the conclusion of the investigation, the principal or designee, in consultation with the Civil Rights Compliance Branch, shall determine whether any remedies will be provided to any individual involved in the investigation. If it is determined that remedies will be provided, the principal or designee will implement the remedies. The complainant/victim will be provided written notification of whether the allegations have been substantiated, the outcome of the investigation, any remedies provided, and any other actions taken by the department that directly relate to the complainant/victim. The respondent will be provided written notification of whether the allegations have been substantiated, the outcome of the investigation, any remedies provided, and any other actions taken by the department that directly relate to the respondent.

(d) The investigator will seek to complete the investigation within five school days from the date the investigator was assigned the matter. If the investigation takes longer than five days, the investigator will notify the parties in writing of the delay, provide reasons for the delay, and the length of additional time needed to complete the investigation. §8-19-32 Continued investigation. The department will investigate allegations of violations of this subchapter even absent a filing of a formal complaint or if a complaint has been withdrawn. [Eff (Auth: HRS §302A-1112)]

§8-19-33 Language assistance, writing assistance, or reasonable accommodation. Any individual making a complaint or participating in an investigation that requires language assistance or writing assistance shall be afforded such assistance by the department. Any individuals with disabilities who require reasonable accommodation(s) to make a complaint or participate in an investigation shall be afforded such assistance by the department. [Eff (Auth: HRS §302A-1112)]

§8-19-34 Retaliation prohibited. Retaliation and retaliatory harassment is prohibited against any person because the person engaged in a protected activity. [Eff (Auth: HRS §302A-1112)]

§8-19-35 Right to seek other relief. Nothing in this chapter shall be
construed to limit or waive the right of the complainant/victim to seek other relief as provided under federal and state laws. A complainant/victim has the right to file a discrimination complaint with the federal or state government, including law enforcement agencies:

1. Without filing a complaint under this chapter;
2. At the same time a complaint is filed or an incident is reported under this chapter;
3. At any time during the pendency of a complaint filed or an incident reported under this chapter; or
4. After a complaint filed or incident reported under this chapter has been addressed." [Eff ] (Auth: HRS §302A-1112)

2. Material, except source notes and other notes, to be repealed is bracketed and stricken. New material is underscored.

3. Additions to update source notes and other notes to reflect these amendments and compilation are not underscored.

4. These amendments to and compilation of chapter 8-19, Hawaii Administrative Rules, shall take effect ten days after filing with the office of the Lieutenant Governor.

I certify that the foregoing are copies of the rules drafted in the Ramseyer format pursuant to the requirements of section 91-4.1, Hawaii Revised Statutes, which were adopted on and filed with the Office of the Lieutenant Governor.
