TO: The Honorable Catherine Payne

SUBJECT: Board Action on Finance and Infrastructure and Student Achievement Joint Committee Recommendations Concerning Approving for Public Hearing Draft Amendments to Hawaii Administrative Rules, Chapter 19, Student Misconduct, Discipline, School Searches and Seizures, Reporting Offenses, Police Interviews and Arrests, and Restitution for Vandalism

1. **RECOMMENDATION**

   It is recommended that the Board of Education ("Board") approve the recommendation by the Hawaii Department of Education ("HIDOE") to send the following matters for public hearing:

   1) Revisions to Hawaii Administrative Rules ("HAR") Chapter 8-19 ("Chapter 19");
   2) Repeal of HAR Chapter 8-41 ("Chapter 41"); and
   3) Creation of HAR Chapter 8-89 ("Chapter 89").

2. **RECOMMENDED EFFECTIVE DATE**

   Upon approval by the Board.

3. **RECOMMENDED COMPLIANCE DATE** (if different from the effective date)

   Not applicable.
4. DISCUSSION

a. Conditions leading to the recommendation:

On September 6, 2018, there was a Board meeting held by the Joint Finance and Infrastructure-Student Achievement Committee to consider the recommendation of the HIDOE to send the following matters out for public hearing: 1) revisions to Chapter 19; 2) repeal of Chapter 41; and 3) creation of Chapter 89. Written public testimony on these matters was submitted to the joint committees and one person presented oral testimony to the joint committees on Chapter 19 and Chapter 89.

Following the public testimony, the joint committees had questions for HIDOE representatives, expressed concerns about specific aspects of Chapters 19 and 89 and asked HIDOE to make changes to address them. There were no concerns from the joint committees or the public regarding the repeal of Chapter 41.

After receiving input and feedback from the public and the joint committees, HIDOE made several proposed updates to Chapter 19 and Chapter 89, which are detailed in the tables below.

In addition, HIDOE made changes to the proposed rules based on the need to balance any necessary disciplinary actions following a violation with the developmental and educational needs of a student.

b. Previous action of the Board and Committee(s) on the same or similar matter:

The Board reviewed several draft revisions to Chapter 41 between 2008 and 2012, but no public hearings were ever conducted. Chapter 19 was most recently revised in 2009.

On September 6, 2018, the Joint Finance and Infrastructure-Student Achievement Committee heard the HIDOE’s recommendation for revisions to Chapter 19 and the repeal of Chapter 41 to be replaced by Chapter 89.

c. Other policies affected:

None.
Arguments in support of the recommendation:

The primary argument in support of the recommendation to approve Chapters 19 and 89 for public hearing is that HIDOE carefully considered all feedback from the public and the Board and updated the administrative rules accordingly. Proposed updates are detailed in the tables below, along with the rationale for these changes. Approving Chapters 19 and 89 for public hearing will also support HIDOE in meeting its commitments outlined in the December 20, 2017 Resolution Agreement with the U.S. Department of Education, Office for Civil Rights ("OCR").

e. Arguments against the recommendation

Public feedback was carefully considered during the process of updating the rules, however, the public and advocacy groups may continue to offer suggestions for strengthening these administrative rules.

f. Other agencies or departments of the State of Hawaii involved in the action:

None.

g. Possible reaction of the public, professional organizations, unions, HIDOE staff and/or others to the recommendations:

h. Educational implications:

The HIDOE’s proposed recommendation will support a safe and healthy learning environment for all students. This proposal is also in alignment with Goal 1, Student Success, Objective 2, Whole Child, of the Strategic Plan.

i. Personnel implications:

All HIDOE employee will receive training on non-discrimination laws, updated rules, policies and procedures. School administrators will receive mandatory training, education, and support on identifying discriminatory conduct and dealing with it appropriately under the rules as well as

SUBCHAPTER 1

GENERAL PROVISIONS

§8-19-1 Philosophy. (a) Hawaii has established and supports a statewide system of public education. The compulsory nature of school attendance ensures that a student shall have the opportunity for an education. In addition to the education provided during the regular school year, the department offers students the opportunity to receive additional instruction and educational services through a self-supporting summer school program on a voluntary attendance basis. The department is committed to:

   (1) Provide the student with optimal learning conditions;
   (2) Select appropriate teachers for the student’s instruction; and
   (3) Other programs that will help the student to succeed.

In 1996, the department initiated a collaborative and systemic reform known as the Comprehensive Student Support System (CSSS), which provides a continuum of academic, social, emotional, and physical environmental supports and services to all students to facilitate their learning and their meeting of high educational standards. It is a CSSS community of caring and supportive relationships among students, teachers, families, and agencies working together that promote timely and appropriate services for all students. The goal of the school system is to provide a learning experience in safe, caring, nurturing, and orderly teaching and learning environments.

   (b) It is the responsibility of every student to demonstrate respectful, responsible, non-discriminatory, safe, and ethical behaviors on department transportation, or during a department sponsored activity on or off school property. The department supports this through the establishment of a proactive systems approach to schoolwide discipline.

   (c) However, when a student’s behavior violates established policies, rules, or regulations of the department, state or local laws, the department may take appropriate disciplinary action in accordance with this chapter. The purpose of school-administered discipline is to:

   (1) Promote and maintain a safe and secure educational environment;
   (2) Teach and acknowledge proper behavior which is beneficial to the educational process and self-development;
   (3) Deter students from acts which interfere with the purpose of education or which are self-destructive, self-defeating or anti-social;
   (4) Maintain proper student conduct to ensure that educational activities and responsibilities remain uninterrupted; and
   (4.1) Stop any discrimination (including unlawful discrimination), harassment (including sexual harassment), or bullying against a student based on a protected class.

   (d) An educational worker conducting or participating in a school program, activity, or function sponsored or approved by the department, or hired to engage in carrying out an educational function, has a reasonable expectation to be free of undue disruption and threat of disorder or acts of violence, or both, committed
against them by students.

(e) In addition to the disciplinary action taken under this chapter, restitution for vandalism or for negligence shall be made in accordance with the provisions of this chapter. The purpose of restitution is to discourage acts of vandalism and negligence and to ensure recovery of the cost of public property damaged by acts of vandalism and negligence.

(f) On occasions it is necessary for police officers to interview students or to take them into custody. This chapter is also intended to safeguard the rights and interests of students in attendance, to cooperate with police officers in the performance of their duties, to preserve the school milieu, and to delineate responsibilities of school personnel. [Eff 9/1/82; am 5/23/86; am and comp 7/19/93; am and comp 5/19/97; comp 2/22/01; am and comp 9/10/09; am and comp ] (Auth: HRS §302A-1112) (Imp: Hawaii Const. Art. X, §3; HRS §§302A-1101, 302A-1112)

to believe that a student has engaged in activity warranting the imposition of
suspension, the principal or designee shall immediately conduct an investigation
of the incident. Upon completion of the investigation and findings, the student
may be suspended if the principal or designee finds that the findings are
sustained. The principal or designee shall inform the parent in writing of the
findings and the disciplinary actions.

(b) If the student or parent denies the charge(s), the principal or designee
shall indicate to the student and parent what evidence school authorities have to
support the findings of the school official. The student or parent, or both shall be
given an opportunity to present the student’s version of the incident. However,
where the student is unable to understand the seriousness of the charges, the
nature of the proceedings, and consequences thereof, or is of such age,

or designee shall request that the parent be present to participate in the
discussion.

(c) If the total number of days in any single semester for suspensions
exceeds ten school days, the due process procedures of this chapter shall apply
unless otherwise indicated by law.

principal or designee shall immediately notify the complex area superintendent to
initiate disciplinary proceedings by obtaining verbal authorization from the
complex area superintendent.

(5) If the student or parent would like to file an appeal, the appeal must be submitted in writing and received by the complex area superintendent by the close of business of the seventh school day from the date of the issued serious discipline notice. The student shall be permitted to attend the school of the student pending the appeal unless the principal finds the continued presence of the student creates a substantial risk to self or others or to the rights of other students to pursue their education free from disruption. However, the student shall not participate in any extracurricular activities, including but are not limited to athletics, trips, or clubs.

(d) Upon receipt of a written request for an appeal, the complex area superintendent shall, within ten school days, schedule an appeal and shall inform the parent of the date, time, and place. The written appeal shall be delivered to the superintendent of education or state level designee within seven school days of the date of the complex area superintendent’s written decision. If no specific request is made for a hearing, the superintendent of education or state level designee shall render a decision based upon the entire record of the proceedings of the complex area superintendent and the parent submitted on the appeal. The superintendent of education or state level designee shall render a final written decision. The student shall be permitted to attend the school of the student pending the appeal unless the complex area superintendent finds that the continued presence of the student creates a substantial risk to self or others or to the rights of other students to pursue their education free from disruption. Where the student is to be excluded from school pending the appeal, the superintendent of education or state level designee shall render a decision within twenty-one calendar days of the date of the receipt of the appeal.

In the event that a parent should file written exceptions for the length of time of a firearms dismissal or modification based upon a designee’s decision, the written
exception will be heard by the superintendent of education or the state level designee. Written exceptions and the request to present argument to the superintendent of education or state level designee must be received within five calendar days of the date of the decision rendered by the superintendent of education, designee or state level designee. A parent may submit written exceptions and waive the right to present argument; however, there will be no right to present argument without first submitting written exceptions. If the parent has timely submitted written exceptions and requests the right to present the argument, the superintendent of education or state level designee shall, within two school days of receiving the request to present argument, inform the parent of the specific date, time, and place to present their arguments. The date for presentation of argument shall be no less than five calendar days and no more than fourteen calendar days from the date of the notice informing the parent of the specific date, time, and place to present their arguments. School lockers provided to the students on campus are subject to opening and inspection (and external dog sniffs) by school officials at any time with or without cause, provided that the searches are not because of the student’s race, color, national origin, ancestry, sex, gender identity and expression, religion, disability, or sexual orientation. None of the restrictions in sections 8-19-15 through 8-19-18 or related to general school searches and seizures shall in any way be construed to create an expectation of privacy in student lockers. Students should assume that their lockers are subject to opening and inspection (and external dog sniffs) any time with or without cause. As a general policy, except as provided in section 8-19-14 regarding student lockers, the searches and seizures are permissible if there are reasonable grounds to suspect, based on the attendant circumstances that the search will turn up evidence that the student or students have violated or are violating either the law or the student conduct prohibited under this chapter. Searches and seizures conducted by school officials shall abide by the provisions of this subchapter. (2) The manner in which the search is to be conducted is reasonably related to the purpose of the search.

(3) The student who will be subjected to a search shall be informed of the purpose of the search and shall be given an opportunity to voluntarily relinquish the evidence sought by the school official.

(b) The principal or designee of the school shall be informed by the school official who will conduct the search that a search is to be conducted and of the purpose of the search unless it is an emergency where immediate action is necessary to protect the health or safety, or both of a person or persons.

(3) A school official shall not conduct a search requiring bodily contact of a student except when such a search is necessary to prevent harm to the health or safety, or both of a person or persons.

(4) In the course of a search, the use of force against a student is prohibited unless the school official believes that the force to be used is necessary to prevent harm to the health or safety, or both of a person or persons or where the student physically resists the search.

§8-19-26 Procedures applicable to vandalism. (a) Whenever a principal or designee has reason to believe that a student may be responsible for an act of vandalism against any public school building, facility or ground, the principal or designee shall immediately initiate an investigation.

(b) If the vandalism is an act which subjects the student to disciplinary action under this chapter, the principal or designee shall include as part of the investigation required under sections 8-19-7, 8-19-8, 8-19-9, and 8-19-10, a determination of the facts and circumstances that support restitution under this subchapter. Further action related to restitution shall be held in abeyance until disciplinary action has been determined and appeal procedures have been exhausted.

(c) If after the investigation, the principal or designee has reason to believe that a student is responsible for the vandalism, the principal or designee shall schedule a conference with the student and parent. Attendance at the conference shall be limited to the principal or designee, student, and parent.

(d) Advance written notice of the conference shall be made on departmental forms, which shall be delivered by mail to the parent. No student or parent shall be required to make restitution in any manner unless the parent has been notified and has been given an opportunity to be heard. The notice shall inform the parent of the findings and the date, time, and location of the conference. The notice shall be mailed at least fifteen calendar days before the date of the conference. When necessary to achieve effective communication the notice shall be provided in the native language of the parent. The school may use other means of communication, such as the telephone, to augment the written communication between the school and the parent.

(1) The parent shall respond to the notice within seven calendar days from the date of the notice.

(2) The conference date provided for in the notice may be rescheduled if the parent of the student contacts the school to arrange for a new conference date. The request to reschedule the conference shall be made within seven calendar days of the date of the notice.

(3) The conference and an informal settlement may be agreed upon in cases where damages do not exceed $3,500. If a settlement is reached, a written agreement for restitution shall be executed between the parent and school. A written agreement shall be executed only if the damages do not exceed $3,500.

(e) If a parent fails to respond to the notice within the time limit, the principal or designee may:

(1) Reschedule the conference date if the principal or designee
determines that the failure to respond was for good cause or if it is in the best interest of the school or student; or

(2) Inform the parent in writing that a notice was given for an opportunity to be heard at a conference with the principal or designee, and because of the failure to respond to the notice, the matter shall be referred to the complex area superintendent by the principal or designee for further action.

(f) The conference shall be conducted in the following manner:

(1) The parties present at the conference shall be the principal or designee, student, and parent. Except for the principal or designee of the school in which the vandalism occurred, the student, and the parent, no other person shall be permitted to be present at the conference for any reason.

(2) At the conference, the principal or designee of the school in which the vandalism occurred shall present the findings of the investigation and the restitution requirements.

(3) If the student and the parent agree with the amount and manner in which restitution is to be made, the principal or designee, the student and the parent shall execute a written agreement on departmental forms which shall specify the manner in which restitution is to be made and the time period within which the restitution shall be completed, provided that the damages do not exceed $3,500. Restitution may be made in any manner, including monetary restitution by the student and parent. If damages exceed $3,500, the matter shall be referred to the complex area superintendent who shall refer the matter to the attorney general for further action.

(4) When the restitution is completed, all records and documents regarding the investigation and conference shall be maintained at the school for three years. No information about the investigation, conference and the actions taken shall be communicated to any person not directly involved in the proceedings.

(5) If a written agreement is executed and the parent or student fails to comply with the terms of the agreement, the principal or designee may forward the matter to the complex area superintendent. The complex area superintendent shall review the matter and take appropriate action, which may include referral to the attorney general for further action.

(6) If the student and the parent do not agree with the findings made by the principal or designee, the principal or designee shall transmit all the records and documents regarding the investigation and conference, and shall report the findings and circumstances of the matter to the complex area superintendent who shall review the matter and take appropriate action which may include referral of the matter to the attorney general for further action. If damages exceed $3,500, the matter shall be referred to the attorney general for further action. [Eff 5/23/86; am and comp 7/19/93; comp 5/19/97; comp
§8-19-30  Complaint procedure. (a) The department will take immediate and appropriate steps to stop any discrimination, harassment (including sexual harassment), or bullying against a student, including those based on a protected class as defined in section 8-19-2, to prevent its recurrence and to remedy discriminatory effects on the complainant/victim or others, if appropriate.

(b) Complaints regarding inappropriate behavior or stemming from allegations that fall under this chapter may be filed at any time by:

(1) Students who experience discrimination, harassment (including sexual harassment), bullying, or retaliation;
(2) Students who witness discrimination, harassment (including sexual harassment), bullying, or retaliation against another student;
(3) Parents, legal guardians, educational representatives, or individuals with a power of attorney who know about or witness discrimination, harassment (including sexual harassment), bullying, or retaliation against a student; or
(4) Employees, staff, or volunteers who witness or know about discrimination, harassment, (including sexual harassment), bullying, or retaliation against a student.

(c) Complaints alleging violations of this chapter may be made using the Department of Education Hawaii Administrative Rules Title 8, Chapter 19 Complaint Form, and the complaint may be filed at any time. Individuals who do not have access to or prefer not to use the Department of Education Hawaii Administrative Rules Title 8, Chapter 19 Complaint Form may nonetheless make a complaint, either in writing or orally, by providing the following information:

(1) The name of the respondent or a sufficient description of the respondent so that an identity can be determined;
(2) The date(s) when the alleged discrimination, harassment (including sexual harassment), bullying, or retaliation occurred;
(3) A factual description of how the discrimination, harassment
(including sexual harassment), bullying, or retaliation allegedly occurred and the protected basis of the complaint, if any;
(4) A description of the injury or harm, if any; and
(5) Attachments, if any, documenting the alleged conduct.
(d) Written complaints may be given to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCB. Verbal complaints may be made either in person or over the phone to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCB.
(e) The principal or designee or complex area superintendent, in consultation with the CRCB, will assess the complaint to determine if the factual allegations allege actionable discrimination, harassment (including sexual harassment), bullying, or retaliation. Complaints relating to the denial of FAPE will be addressed under Hawaii administrative rules chapters 8-60 and 8-61. If the complaint involves a student with a disability, the principal or designee shall ensure that the student's FAPE is not affected.
(f) When a complaint is filed, the principal or designee will either:
   (1) Immediately initiate an investigation pursuant to section 8-19-31; or
   (2) If deemed appropriate, offer the parties an opportunity to resolve the complaint informally before any formal investigation process begins. This informal process will only be used if the parties voluntarily agree to participate. The parties are not required to resolve the complaint directly with each other. Once the informal process is initiated, either party has the right to end the informal process at any time, which will result in starting the formal investigative process.

   Informal resolution is not appropriate in cases where (1) the allegation is serious enough that it appears to place the complainant or any other person at physical risk, (2) the incident has resulted in a criminal charge, (3) the incident involves a referral to the police or Child Welfare Services, (4) the complaint involves an allegation of severe, persistent or pervasive bullying or other serious form of discrimination, (5) there is a pending investigation against the respondent, (6) there is an objective and obvious power imbalance between the parties, or (7) an investigation is otherwise appropriate under the circumstances.

   If informal resolution is not appropriate, or if the parties are unable to come to a resolution, an investigation will be initiated by the principal or designee in accordance with section 8-19-31.

   (g) Both parties may make a request for immediate interventions to the principal, any vice principal, the complex area superintendent, or the CRCB. The principal or designee may institute immediate interventions without a request, if they deem them appropriate. Immediate interventions will be considered by the principal or designee, in consultation with the CRCB, and if it is determined that immediate interventions are necessary, the principal or designee will implement the immediate interventions. Failure to comply with the terms of immediate interventions may be considered a separate violation, which may result in a separate investigation, findings, and determination. [Eff.
§8-19-31 Investigation. (a) When a complaint is made, the principal or designee will assign an impartial school level investigator (“investigator”) to conduct a thorough and impartial investigation. Once an investigation is initiated, the principal or designee shall make a good faith effort at the earliest point possible to inform the parents about the investigation. If after making reasonable attempts, the principal or designee is unable to contact the parent, the investigator may engage in and complete the investigation.

The complainant/victim and respondent will be allowed to provide the names of witnesses who they believe have information relevant to the complaint and provide evidence that they believe is relevant to the complaint.

(b) Once the investigator has obtained the necessary relevant information and documents, the investigator will analyze and document the available evidence, objectively evaluate the credibility of parties and witnesses, synthesize all available evidence, including inculpatory and exculpatory evidence, and take into account the unique and complex circumstances of each case. Once that is complete, the investigator will prepare findings of fact and make a determination on any appropriate action that needs to be taken to end any discrimination, harassment, bullying, or retaliation and prevent its recurrence and remedy its effects on the complainant/victim and the department community. The investigator will forward their findings to the principal or designee, who will determine whether the facts constitute prohibited student conduct under either section 8-19-6(a) or section 8-19-13(a). Any disciplinary actions taken will be subject to the provisions of section 8-19-5 through section 8-19-13, as applicable, including the right to appeal.

(c) At the conclusion of the investigation, the principal or designee, in consultation with the CRCB, shall determine whether any remedies will be provided to any individual involved in the investigation. If it is determined that remedies will be provided, the principal or designee will implement the remedies. The complainant/victim will be notified of any remedies provided and any other actions taken by the department that directly relate to the complainant/victim. The respondent will be notified of any actions taken by the department that directly relate to the respondent.

(d) The investigator will seek to complete the investigation within five (5) calendar days from the date the investigator was assigned the matter. If the investigation takes longer than five days, the investigator will notify the parties in writing of the delay, provide reasons for the delay, and the length of additional time needed to complete the investigation. The parties will be provided written notification of the outcome of the investigation and any other actions taken by the department that directly relate to the complainant or the respondent. §8-19-34 Retaliation prohibited. Retaliation and retaliatory harassment is prohibited against any person because he/she engaged in a protected activity. [Eff. ] (Auth: HRS §302A-1112)

§8-19-35 Right to seek other relief. Nothing in this chapter shall be construed to limit or waive the right of the complainant/victim to seek other relief as provided under federal and state laws. A complainant/victim has the right to file a discrimination complaint with the federal or state government, including law enforcement agencies:
(a) Without filing a complaint under this chapter;
(b) At the same time a complaint is filed or an incident is reported under this chapter;
(c) At any time during the pendency of a complaint filed or an incident reported under this chapter; or
(d) After a complaint filed or incident reported under this chapter has been addressed.

Historical Note: This chapter is based substantially upon Department of Education “Rule 21, Relating to Student Discipline” [Eff 3/28/64; am 11/29/73; am 5/01/76; R 9/1/82]; “Rule 3, Relating to Police Interviews and Arrest of Students During School Hours” [Eff 9/23/63; am 6/20/77; R 9/1/82]; “Rule 24, Relating to Students Smoking on School Premises” [Eff 3/28/64; R 9/1/82].
§8-19-1 Philosophy. (a) Hawaii has established and supports a statewide system of public education. The compulsory nature of school attendance ensures that a student shall have the opportunity for an education. In addition to the education provided during the regular school year, the department offers students the opportunity to receive additional instruction and educational services through a self-supporting summer school program on a voluntary attendance basis. The department is committed to:

(1) Provide the student with optimal learning conditions;
(2) Select appropriate teachers for the student’s instruction; and
(3) Other programs that will help the student to succeed.

In 1996, the [Hawaii state] department [of education] initiated a collaborative and systemic reform known as the Comprehensive Student Support System (CSSS), which provides a continuum of academic, social, emotional, and physical environmental supports and services to all students to facilitate their learning and their meeting of high educational standards. It is a CSSS community of caring and supportive relationships among students, teachers, families, and agencies working together that promote timely and appropriate services for all students. The goal of the school system is to provide a learning experience [that allows all students to achieve the Vision of the Public School Graduate, 2005-2008, Department of Education Strategic Plan, State of Hawaii, Department of Education, Office of Superintendent, June 2005,] in safe, caring, nurturing, and orderly teaching and learning environments.

(b) It is the responsibility of every student to demonstrate respectful, responsible, non-discriminatory, safe, and ethical behaviors on department [of education] transportation, or during a department [of education] sponsored activity on or off school property. The department supports this through the establishment of a proactive systems approach to schoolwide discipline.

(c) However, when a student’s behavior violates established policies, rules, or regulations of the department, state or local laws, the department may take appropriate disciplinary action in accordance with this chapter. The purpose of school-administered discipline is to:

(1) Promote and maintain a safe and secure educational environment;
(2) Teach and acknowledge proper behavior which is beneficial to the educational process and self-development;
(3) Deter students from acts which interfere with the purpose of education or which are self-destructive, self-defeating or anti-social; [and]
(4) Maintain proper student conduct to ensure that educational activities and responsibilities remain uninterrupted[.]; and

(4.1) Stop any discrimination (including unlawful discrimination), harassment (including sexual harassment), or bullying against a student based on a protected class.

(d) An educational worker conducting or participating in a school
program, activity, or function sponsored or approved by the department, or hired
to engage in carrying out an educational function, has a reasonable expectation
to be free of undue disruption and threat of disorder or acts of violence, or both,
committed against them by students.

(e) In addition to the disciplinary action taken under this chapter,
restitution for vandalism or for negligence shall be made in accordance with the
provisions of this chapter. The purpose of restitution is to discourage acts of
vandalism and negligence and to ensure recovery of the cost of public property
damaged by acts of vandalism and negligence.

(f) On occasions it is necessary for police officers to interview students or
to take them into custody. This chapter is also intended to safeguard the rights
and interests of students in attendance, to cooperate with police officers in the
performance of their duties, to preserve the school milieu, and to delineate
responsibilities of school personnel. [Eff 9/1/82; am 5/23/86; am and comp

A copy of the crisis removal notice shall be mailed to the complex area superintendent. In addition to the crisis removal notice required by this subsection, the principal or designee shall attempt to confirm the notice by telephoning the parent.

(d) A student who is the subject of a crisis removal shall be permitted to resume attendance at school as soon as the crisis no longer exists.

(e) A crisis removal shall not continue for more than ten school days, except when approved by the complex area superintendent during an appeal.
§8-19-7.1 **Investigation.** (a) Immediately after making a crisis removal or whenever the principal or designee has reason to believe that a student has engaged in an activity warranting the imposition of a suspension, the principal or designee shall initiate a thorough investigation. Complaints of discrimination, harassment (including sexual harassment), bullying and/or retaliation are subject to the complaint and investigation provisions of section 8-19-30.

(b) When conducting an investigation, the principal or designee shall make a good faith effort at the earliest point possible to inform the parent about the school’s investigation. If after making reasonable attempts, the principal or designee is unable to contact the parent, the school may engage in and complete the investigation. The investigation shall be completed as quickly as possible. If the principal or designee elects to initiate proceedings for the imposition of serious discipline other than crisis removal, the principal or designee upon completion of the investigation, shall make a written report containing a brief summary of the testimony of witnesses interviewed, any other evidence, and the principal or designee’s reason(s) for the initiation of disciplinary proceedings.

§8-19-8 **Suspension.** (a) Whenever a principal or designee has reason to believe that a student has engaged in activity warranting the imposition of suspension, the principal or designee shall immediately conduct an investigation of the incident. Upon completion of the investigation and findings, the student may be suspended if the principal or designee finds that the findings are sustained. The principal or designee shall inform the parent in writing of the findings and the disciplinary actions.

(b) If the student or parent denies the charge(s), the principal or designee shall indicate to the student and parent what evidence school authorities have to support the findings of the school official. The student or parent, or both shall be given an opportunity to present the student’s version of the incident. However, where the student is unable to understand the seriousness of the charges, the nature of the proceedings, and consequences thereof, or is of such age, intelligence or experience as to make meaningful discussion difficult, the principal or designee shall request that the parent be present to participate in the discussion.

(c) If the total number of days in any single semester for suspensions exceeds ten school days, the due process procedures of this chapter shall apply unless otherwise indicated by law.
(d) The parent shall be given verbal notice of any suspension regardless of its length. §8-19-9 Due process for suspensions exceeding ten days, disciplinary transfer, and dismissal. (a) If, based upon the investigation, the principal or designee believes that a student engaged in an activity which constitutes a violation of this chapter, and if the principal or designee recommends that serious discipline other than crisis removal be imposed, the principal or designee shall immediately notify the complex area superintendent to initiate disciplinary proceedings by obtaining verbal authorization from the complex area superintendent.

(b) Upon obtaining verbal authorization from the complex area superintendent, the principal or the designee will make a good faith effort to inform the parent of:

2. The opportunity to appeal, and
3. That the disciplinary action will be implemented immediately.

(c) Within three school days of the verbal authorization from the complex area superintendent, the principal or designee shall mail a written notice of the serious discipline incident with the appeal form to the parent. If the student or parent would like to file an appeal, the appeal must be submitted in writing and received by the complex area superintendent by the close of business of the seventh school day from the date of the issued serious discipline notice. The student shall be permitted to attend the school of the student pending the appeal unless the principal finds the continued presence of the student creates a substantial risk to self or others or to the rights of other students to pursue their education free from disruption. However, the student shall not participate in any extracurricular activities, including but are not limited to athletics, trips, or clubs.

Upon receipt of a written request for an appeal, the complex area superintendent shall, within ten school days, schedule an appeal and shall inform the parent of the date, time, and place. Written notice of the appeal shall be mailed to the parent and principal or designee at least fifteen calendar days before the appeal. The appeal shall be conducted by the complex area superintendent or by an impartial department [of education] person, or an impartial designee, who may be an official of the department, designated by the complex area superintendent. The appeal shall be conducted as follows:

If the disciplinary action is upheld, the complex area superintendent shall indicate the total number of suspension days and within the suspension beginning and ending dates take into consideration the number of suspension days the student may have already served.

The parent may appeal the decision of the complex area superintendent by providing written notice of their appeal and a specific statement whether they are requesting a hearing to the superintendent of
education or state level designee identifying the specific issues and arguments with supporting documents and evidence the individual is appealing. The written appeal shall be delivered to the superintendent of education or state level designee within seven school days of the date of the complex area superintendent’s written decision. If no specific request is made for a hearing, the superintendent of education or state level designee shall render a decision based upon the entire record of the proceedings of the complex area superintendent and the parent submitted on the appeal. The superintendent of education or state level designee shall render a final written decision. The student shall be permitted to attend the school of the student pending the appeal unless the complex area superintendent finds that the continued presence of the student creates a substantial risk to self or others or to the rights of other students to pursue their education free from disruption. Where the student is to be excluded from school pending the appeal, the superintendent of education or state level designee shall render a decision within twenty-one calendar days of the date of the receipt of the appeal.

The superintendent of education or state level designee shall examine the evidence and render a decision based on the disciplinary action within fourteen calendar days. The decision shall be personally delivered or mailed to the parent or attorney of record. In addition, the parent shall be informed of the right to submit written exceptions to the decision and to present argument to the superintendent of education or state level designee. Written exceptions and the request to present argument to the superintendent of education or state level designee must be received within five calendar days of the date of the decision rendered by the superintendent of education, designee or state level designee. A parent may submit written exceptions and waive the right to present argument; however, there will be no right to present argument without first submitting written exceptions. If the parent has timely submitted written exceptions and requests the right to present the argument, the superintendent of education or state level designee shall, within two school days of receiving the request to present argument, inform the parent of the specific date, time, and place to present their arguments. The date for presentation of argument shall be no less than five calendar days and no more than fourteen calendar days from the date of the notice informing the parent of the specific date, time, and place to present their arguments. SCHOOL SEARCHES AND SEIZURES

§8-19-14 Policy on opening and inspection of student lockers.
School lockers provided to the students on campus are subject to opening and
inspection (and external dog sniffs) by school officials at any time with or without

to opening and inspection (and external dog sniffs) any time with or without
§8-19-15 **Policy on general school searches and seizures.** Except as provided in section 8-19-14 regarding student lockers, students have a reasonable expectation of privacy in their persons on campus, or other department [of education] premises, on department [of education] transportation, or during a department [of education] sponsored activity or event on or off school property. Schools have an equally legitimate need to maintain order and an environment where learning can take place. In fulfilling this legitimate need, school officials may on occasions need to carry out searches and seizures on campus, or other department [of education] premises, on department [of education] transportation, or during a department [of education] sponsored activity or event on or off school property. As a general policy, except as provided in section 8-19-14 regarding student lockers, the searches and seizures are permissible if there are reasonable grounds to suspect, based on the attendant circumstances that the search will turn up evidence that the student or students have violated or are violating either the law or the student conduct prohibited under this chapter. Searches and seizures conducted by school officials shall abide by the provisions of this subchapter. [Eff 5/23/86; comp 7/19/93; comp 5/19/97; comp 2/22/01; am and comp 9/10/09]  (Auth:  HRS §302A-1112) (Imp: Hawaii Const. Art. X, §3; HRS §§302A-1101, 302A-1112)

§8-19-16 **Authority.** Except as provided in section 8-19-14 regarding student lockers, property may be searched if there are reasonable grounds to suspect, based on the attendant circumstances that the search will turn up evidence that student or students, or others on campus, or other department [of education] premises, on department [of education] transportation, or during a department [of education] sponsored activity or event on or off school property have violated the law or the provisions of this chapter. A school official conducting a search shall be accompanied by another school official serving as a witness, unless it is an emergency where prompt action is necessary to protect the health or safety, or both of any person or persons. §8-19-17 **Conditions under which general school searches and seizures may be carried out.** (a) Except as provided in section 8-19-14 regarding student lockers searches and seizures may be carried out by school officials when all of the following conditions are met:  
(1) If at the time of the search, there are reasonable grounds to suspect based on the attendant circumstances that the search will turn up evidence that the student or students have violated the law or
provisions prohibited under this chapter.

(2) The manner in which the search is to be conducted is reasonably related to the purpose of the search.

(3) The student who will be subjected to a search shall be informed of the purpose of the search and shall be given an opportunity to voluntarily relinquish the evidence sought by the school official.

(b) The principal or designee of the school shall be informed by the school official who will conduct the search that a search is to be conducted and of the purpose of the search unless it is an emergency where immediate action is necessary to protect the health or safety, or both of a person or persons.

(c) If more than one student is suspected of committing a violation, then, if practical and not a risk to health or safety, the school official conducting the search shall start with the student most suspected of having the item sought in the search. §8-19-18 Prohibited searches and seizures. Except as provided in section 8-19-14 regarding student lockers:

(1) Random searches are prohibited.

(2) Strip searches are prohibited.

(3) A school official shall not conduct a search requiring bodily contact of a student except when such a search is necessary to prevent harm to the health or safety, or both of a person or persons.

(4) In the course of a search, the use of force against a student is prohibited unless the school official believes that the force to be used is necessary to prevent harm to the health or safety, or both of a person or persons or where the student physically resists the search.

(5) A search conducted under the provisions of this subchapter shall be limited to the object or objects for which the search was conducted. However, any other object observed during a search may be seized by a school official when possession of the object is a violation of law or the provisions of this chapter, or when non-seizure may pose a threat to the health or safety, or both of a person or persons, including the school official conducting the search. §8-19-25 Liability for vandalism. (a) When any student is found to be responsible for an act of vandalism against any public school building, facility, or ground, restitution shall be made by the student or parent. There shall be no restitution when vandalism cannot be proved to have been committed by the student.

(b) Notwithstanding the provisions of this chapter, the State may elect to bring any appropriate action for the recovery of damages to school properties.

(c) If a student is to be disciplined for an act of vandalism under this chapter, restitution procedures shall be initiated only after the disciplinary procedures of this chapter have been completed and the principal or designee conducting the investigation has reason to believe that the student has violated the provisions of this chapter. [Eff 5/23/86; comp 7/19/93; comp 5/19/97; comp 2/22/01; am and comp 9/10/09] (Auth: HRS §302A-1112) (Imp: HRS §§302A-1112, 302A-1153)
§8-19-26 Procedures applicable to vandalism. (a) Whenever a principal or designee has reason to believe that a student may be responsible for an act of vandalism against any public school building, facility or ground, the principal or designee shall immediately initiate an investigation.

(b) If the vandalism is an act which subjects the student to disciplinary action under this chapter, the principal or designee shall include as part of the investigation required under sections 8-19-7, 8-19-8, 8-19-9, and 8-19-10, a determination of the facts and circumstances that support restitution under this subchapter. Further action related to restitution shall be held in abeyance until disciplinary action has been determined and appeal procedures have been exhausted.

(c) If after the investigation, the principal or designee has reason to believe that a student is responsible for the vandalism, the principal or designee shall schedule a conference with the student and parent. Attendance at the conference shall be limited to the principal or designee, student, and parent.

(d) Advance written notice of the conference shall be made on departmental forms, which shall be delivered by mail to the parent. No student or parent shall be required to make restitution in any manner unless the parent has been notified and has been given an opportunity to be heard. The notice shall inform the parent of the findings and the date, time, and location of the conference. The notice shall be mailed at least fifteen calendar days before the date of the conference. When necessary to achieve effective communication the notice shall be provided in the native language of the parent. The school may use other means of communication, such as the telephone, to augment the written communication between the school and the parent.

(1) The parent shall respond to the notice within seven calendar days from the date of the notice.

(2) The conference date provided for in the notice may be rescheduled if the parent of the student contacts the school to arrange for a new conference date. The request to reschedule the conference shall be made within seven calendar days of the date of the notice.

(3) The conference and an informal settlement may be agreed upon in cases where damages do not exceed $3,500. If a settlement is reached, a written agreement for restitution shall be executed between the parent and school. A written agreement shall be executed only if the damages do not exceed $3,500.

(e) If a parent fails to respond to the notice within the time limit, the principal or designee may:

(1) Reschedule the conference date if the principal or designee determines that the failure to respond was for good cause or if it is in the best interest of the school or student; or

(2) Inform the parent in writing that a notice was given for an opportunity to be heard at a conference with the principal or designee, and because of the failure to respond to the notice, the matter shall be referred to the complex area superintendent by the principal or
designee for further action.

(f) The conference shall be conducted in the following manner:

(1) The parties present at the conference shall be the principal or designee, student, and parent. Except for the principal or designee of the school in which the vandalism occurred, the student, and the parent, no other person shall be permitted to be present at the conference for any reason.

(2) At the conference, the principal or designee of the school in which the vandalism occurred shall present the findings of the investigation and the restitution requirements.

(3) If the student and the parent agree with the amount and manner in which restitution is to be made, the principal or designee, the student and the parent shall execute a written agreement on departmental forms which shall specify the manner in which restitution is to be made and the time period within which the restitution shall be completed, provided that the damages do not exceed $3,500. Restitution may be made in any manner, including monetary restitution by the student and parent. If damages exceed $3,500, the matter shall be referred to the complex area superintendent who shall refer the matter to the attorney general for further action.

(4) When the restitution is completed, all records and documents regarding the investigation and conference shall be maintained at the school for three years. No information about the investigation, conference and the actions taken shall be communicated to any person not directly involved in the proceedings.

(5) If a written agreement is executed and the parent or student fails to comply with the terms of the agreement, the principal or designee may forward the matter to the complex area superintendent. The complex area superintendent shall review the matter and take appropriate action, which may include referral to the attorney general for further action.

(6) If the student and the parent do not agree with the findings made by the principal or designee, the principal or designee shall transmit all the records and documents regarding the investigation and conference, and shall report the findings and circumstances of the matter to the complex area superintendent who shall review the matter and take appropriate action which may include referral of the matter to the attorney general for further action. If damages exceed $3,500, the matter shall be referred to the attorney general for further action. §8-19-27 REPEALED [R 2/22/01]

§8-19-28 REPEALED [R 2/22/01]
§8-19-30 Complaint procedure. (a) The department will take immediate and appropriate steps to stop any discrimination, harassment (including sexual harassment), or bullying against a student, including those based on a protected class as defined in section 8-19-2, to prevent its recurrence and to remedy discriminatory effects on the complainant/victim or others, if appropriate.

(b) Complaints regarding inappropriate behavior or stemming from allegations that fall under this chapter may be filed at any time by:

1. Students who experience discrimination, harassment (including sexual harassment), bullying, or retaliation;
2. Students who witness discrimination, harassment (including sexual harassment), bullying, or retaliation against another student;
3. Parents, legal guardians, educational representatives, or individuals with a power of attorney who know about or witness discrimination, harassment (including sexual harassment), bullying, or retaliation against a student; or
4. Employees, staff, or volunteers who witness or know about discrimination, harassment (including sexual harassment), bullying, or retaliation against a student.

(c) Complaints alleging violations of this chapter may be made using the Department of Education Hawaii Administrative Rules Title 8, Chapter 19 Complaint Form, and the complaint may be filed at any time. Individuals who do not have access to or prefer not to use the Department of Education Hawaii administrative rules Title 8, Chapter 19 Complaint Form may nonetheless make a complaint, either in writing or orally, by providing the following information:

1. The name of the respondent or a sufficient description of the respondent so that an identity can be determined;
2. The date(s) when the alleged discrimination, harassment (including sexual harassment), bullying, or retaliation allegedly occurred;
3. A factual description of how the discrimination, harassment (including sexual harassment), bullying, or retaliation allegedly occurred and the protected basis of the complaint, if any;
4. A description of the injury or harm, if any; and
5. Attachments, if any, documenting the alleged conduct.

(d) Written complaints may be given to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCB. Verbal complaints
may be made either in person or over the phone to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCB.

(e) The principal or designee or complex area superintendent, in consultation with the CRCB, will assess the complaint to determine if the factual allegations allege actionable discrimination, harassment (including sexual harassment), bullying, or retaliation. Complaints relating to the denial of FAPE will be addressed under Hawaii administrative rules chapters 8-60 and 8-61. If the complaint involves a student with a disability, the principal or designee shall ensure that the student’s FAPE is not affected.

(f) When a complaint is filed, the principal or designee will either:

(1) Immediately initiate an investigation pursuant to section 8-19-31; or
(2) If deemed appropriate, offer the parties an opportunity to resolve the complaint informally before any formal investigation process begins. This informal process will only be used if the parties voluntarily agree to participate. The parties are not required to resolve the complaint directly with each other. Once the informal process is initiated, either party has the right to end the informal process at any time, which will result in starting the formal investigative process.

Informal resolution is not appropriate in cases where (1) the allegation is serious enough that it appears to place the complainant or any other person at physical risk, (2) the incident has resulted in a criminal charge, (3) the incident involves a referral to the police or Child Welfare Services, (4) the complaint involves an allegation of severe, persistent or pervasive bullying or other serious form of discrimination, (5) there is a pending investigation against the respondent, (6) there is an objective and obvious power imbalance between the parties, or (7) an investigation is otherwise appropriate under the circumstances.

If informal resolution is not appropriate, or if the parties are unable to come to a resolution, an investigation will be initiated by the principal or designee in accordance with section 8-19-31.

(g) Both parties may make a request for immediate interventions to the principal, any vice principal, the complex area superintendent, or the CRCB. The principal or designee may institute immediate interventions without a request, if they deem them appropriate. Immediate interventions will be considered by the principal or designee, in consultation with the CRCB, and if it is determined that immediate interventions are necessary, the principal or designee will implement the immediate interventions. Failure to comply with the terms of immediate interventions may be considered a separate violation, which may result in a separate investigation, findings, and determination. [Eff.

§8-19-31 Investigation. (a) When a complaint is made, the principal or designee will assign an impartial school level investigator (“investigator”) to conduct a thorough and impartial investigation. Once an investigation is initiated, the principal or designee shall make a good faith effort at the earliest point possible to inform the parents about the investigation. If after making reasonable
attempts, the principal or designee is unable to contact the parent, the investigator may engage in and complete the investigation.

The complainant/victim and respondent will be allowed to provide the names of witnesses who they believe have information relevant to the complaint and provide evidence that they believe is relevant to the complaint.

(b) Once the investigator has obtained the necessary relevant information and documents, the investigator will analyze and document the available evidence, objectively evaluate the credibility of parties and witnesses, synthesize all available evidence, including inculpatory and exculpatory evidence, and take into account the unique and complex circumstances of each case. Once that is complete, the investigator will prepare findings of fact and make a determination on any appropriate action that needs to be taken to end any discrimination, harassment, bullying, or retaliation and prevent its recurrence and remedy its effects on the complainant/victim and the department community. The investigator will forward their findings to the principal or designee, who will determine whether the facts constitute prohibited student conduct under either section 8-19-6(a) or section 8-19-13(a). Any disciplinary actions taken will be subject to the provisions of section 8-19-5 through section 8-19-13, as applicable, including the right to appeal.

(c) At the conclusion of the investigation, the principal or designee, in consultation with the CRCB, shall determine whether any remedies will be provided to any individual involved in the investigation. If it is determined that remedies will be provided, the principal or designee will implement the remedies. The complainant/victim will be notified of any remedies provided and any other actions taken by the department that directly relate to the complainant/victim. The respondent will be notified of any actions taken by the department that directly relate to the respondent.

(d) The investigator will seek to complete the investigation within five (5) calendar days from the date the investigator was assigned the matter. If the investigation takes longer than five days, the investigator will notify the parties in writing of the delay, provide reasons for the delay, and the length of additional time needed to complete the investigation. The parties will be provided written notification of the outcome of the investigation and any other actions taken by the department that directly relate to the complainant or the respondent. §8-19-32 Continued investigation. The department will investigate allegations of violations of this chapter even absent a filing of a formal complaint or if a complaint has been withdrawn. [Eff. ] (Auth: HRS §302A-1112)

§8-19-33 Translation, interpretation, writing assistance, or reasonable accommodation. Any individual making a complaint or participating in an investigation that requires translation, interpretation, or writing assistance shall be afforded such assistance by the department. Any individuals with
disabilities who require reasonable accommodation(s) to make a complaint or participate in an investigation shall be afforded such assistance by the department.  [Eff.  ] (Auth:  HRS §302A-1112)

§8-19-34 Retaliation prohibited. Retaliation and retaliatory harassment is prohibited against any person because he/she engaged in a protected activity.  [Eff.  ] (Auth:  HRS §302A-1112)

§8-19-35 Right to seek other relief. Nothing in this chapter shall be construed to limit or waive the right of the complainant/victim to seek other relief as provided under federal and state laws. A complainant/victim has the right to file a discrimination complaint with the federal or state government, including law enforcement agencies:

(a) Without filing a complaint under this chapter;
(b) At the same time a complaint is filed or an incident is reported under this chapter;
(c) At any time during the pendency of a complaint filed or an incident reported under this chapter; or
(d) After a complaint filed or incident reported under this chapter has been addressed.

(11) Act 110, SL 2018, which prohibits discrimination on the basis of sex, gender identity or expression or sexual orientation in any state educational program or activity or any educational program or activity that receives state funding.

“Cyberbullying” means electronically transmitted acts, i.e., Internet, cell phone, personal digital assistant (PDA), or wireless hand-held device that an employee, a volunteer, and/or a third party exhibits toward a student(s), either on or off-campus, that hurts, harms, or humiliates the student physically or emotionally; and is sufficiently severe, persistent, or pervasive, or creates an intimidating, threatening, or abusive educational environment for the student.

Electronic transmissions include but are not limited to the use of data, computer software that is accessed through a computer, a computer network system, other computerized systems, cellular phones or other similar electronic devices that display e-mail, text messaging, blogs,
photos, drawings, video clips, on-line community websites, social media, or faxes, or a combination of the foregoing. Additionally, cyberbullying may also be based on a person’s protected class, including but not limited to, a person’s race, color, religion, sex, sexual orientation, gender identity, gender expression, age, national origin, ancestry, disability, physical appearance and characteristics, and socio-economic status.

“Decision maker” means the administrator with authority to make decisions regarding findings on complaints filed under this chapter.

“Discrimination” means excluding the participation in or denying the benefits of the DOE’s administration of its educational programs and activities, or otherwise treating a student differently on the basis of a protected class.

“DOE” refers to the Hawaii State Department of Education.

“DOE employees with supervisory authority” refers to employees with supervisory responsibilities in their position description.

“Employee” means a DOE employee.

“Gender expression” means the manner in which a person represents or expresses gender to others, often through behavior, clothing, hairstyles, activities, voice, or mannerisms.

“Gender identity” means a person’s internal, deeply-felt sense of being male, female, or other, whether or not that gender-related identity is different from the person’s physiology or assigned sex at birth. Everyone has a gender identity.

"Harassment,” see definition of “bullying.”

“Immediate interventions” means individualized services offered as soon as possible to either or both the complainant or respondent involved in a complaint as appropriate to protect students from possible racial, sexual, or disability harassment. Immediate interventions may be offered prior to an investigation or while an investigation is pending. Immediate interventions for students pending an investigation may include counseling, extensions of time or other course-related adjustments, modifications of work or class schedules, campus escort services, restrictions on contact between the parties, leaves of absence, increased security and monitoring of certain areas of campus, or other similar accommodations. Immediate interventions may be put in place by the principal or designee on a case-by-case and temporary basis after the DOE receives notice of a complaint and before any outcomes – investigatory, disciplinary, or remedial – have been determined. These measures may be instituted to preserve the complainant’s educational experience, ensure the safety of all parties and the broader DOE
community, maintain the integrity of the investigative and/or resolution process, and deter retaliation. Immediate interventions shall be available throughout all phases of an investigation. They may be amended or withdrawn as additional information is gathered.

“Investigator” means an administrator, individual, or group of individuals assigned to investigate complaints made pursuant to this chapter. There may be circumstances that require having an investigator external to the DOE investigate complaints.

“Legal Guardian” means a person who has the legal right and authority to make educational and other decisions for a child under the person’s guardianship.

"Parent" means the natural or legal parent, legal guardian, or other legal custodian of a student. For students eighteen years of age or older, all parental rights herein transfer to the student unless the natural or legal parent, legal guardian, or other legal custodian has legally obtained decision making rights for the student.

“Persons with disabilities” means persons who have a physical or mental impairment that substantially limits one or more life activities, have a record of an impairment, or are regarded as having an impairment.

“Protected class/basis” for the purposes of this chapter includes race, color, religion, sex, sexual orientation, gender identity, gender expression, age, national origin, ancestry, disability, physical appearance and characteristics, and socio-economic status.

“Remedies” are individualized services offered at the conclusion of an investigation that preserve the educational experience or ensure the safety of all students and the broader DOE community. Remedies for students may include, but are not limited to, the adjustment of academic schedules and coursework, and the provision of academic, medical and psychological support services.

"Respondent" means the employee, volunteer, and/or third party who is identified in the complaint as having allegedly discriminated against, harassed, or bullied a student. Respondent also includes the DOE when a complaint alleges systemic discrimination.

“Retaliation” means an adverse action against an employee, volunteer, and/or student because they engaged in protected activity. Protected activity includes filing a complaint of discrimination, harassment (including sexual harassment), or bullying; participating in a complaint or investigation proceeding dealing with discrimination, harassment (including sexual harassment), or bullying; inquiring about rights under this chapter; or otherwise opposing acts covered under this chapter. An adverse action is any action that would dissuade a reasonable person
from making or supporting a complaint under these rules. Reprisals or retaliation shall be prohibited when there is protected activity that was engaged in in good faith.

“School” means all academic and non-college type schools established and maintained by the DOE in accordance with state law.

“Sexual assault” means the act of committing unwanted physical contact of a sexual nature on a person, whether by an acquaintance or by a stranger. Such contact is unwanted when it occurs without consent of the person, or when the person is incapacitated or otherwise incapable of giving consent. If a student is a subject of sexual assault and is under the age of consent or if the perpetrator of sexual assault is an adult and an employee or volunteer of the DOE, it shall be deemed that no consent was given. Sexual assault is a form of sexual harassment.

“Sexual exploitation” means the violation of the sexual privacy of another, or taking unjust or abusive sexual advantage of another without consent and when such behavior does not otherwise constitute sexual assault. Consent means affirmative, conscious, and voluntary agreement to engage in agreed upon forms of sexual contact. If a student is a subject of sexual exploitation and is under the age of consent or if the perpetrator of sexual exploitation is an adult and an employee or volunteer of the DOE, it shall be deemed that no consent was given. Sexual exploitation is a form of sexual harassment.

“Sexual harassment” means any unwanted, unwelcome, or unsolicited verbal or physical act of a sexual nature directed at an individual because of his or her sex. Sexual harassment can include requests for sexual favors or sexual advances when submission to or rejection of the conduct is either an explicit or implicit term or condition of a student’s education or participation in a department program, activity or service; or when submission to or rejection of the conduct is used as a basis in decisions affecting that student’s education or participation in a department program, activity, or service. Sexual harassment also includes, but is not limited to, sexual misconduct, unwelcome sexual advances, requests for sexual favors, or other verbal, nonverbal, or physical conduct of a sexual nature. It can include conduct such as touching of a sexual nature, making sexual comments, jokes or gestures, writing graffiti or displaying or distributing sexually explicit drawings, pictures or written materials, calling students sexually charged names, spreading sexual rumors, rating students on sexual activity, or circulating, showing, or creating e-mails or websites of a sexual nature. Sexual exploitation, sexual assault, and domestic violence also fall under the definition of sexual harassment.

Common terms to describe sexual orientation include, but are not limited to, heterosexual, gay, lesbian, and bisexual. Sexual orientation and gender identity are different.

"Student" means a person who is currently enrolled in a public school, or in any program, service, or activity conducted by the DOE.

"Systemic discrimination" means discrimination that results when an established policy, rule, regulation or procedure of the DOE has the continuing effect of violating non-discrimination rights.

“Third party” means any person who is not an employee or volunteer of the DOE who is on the DOE’s property with the permission of the DOE.

§8-89-3 Applicability. (a) This chapter shall apply to all students who are currently enrolled in the DOE schools and covers all protected class conduct of DOE employees (including full-time, part-time, casual, substitute, and temporary employees), volunteers, or third parties that occurs on DOE property or outside of DOE property, if the conduct was in connection with a DOE-sponsored program or activity, or if the conduct occurs outside of the context of school activities and that conduct negatively impacts a student’s ability to participate in or to receive benefits, services, or opportunities in the school’s program or activities. Charter schools are excluded from this chapter and are subject to regulations promulgated by the Hawaii State Public Charter School Commission.

(b) With respect to Section 504 of the Rehabilitation Act of 1973, this chapter shall apply to complaints concerning disparate treatment under Subpart A, General Provisions, and facilities or program
accessibility under Subpart C, Program Accessibility, of 34 C.F.R. 104.

§ 8-89-4 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter that can be given effect without the invalid provision or application, and to this end, the provisions of this chapter are severable. [Eff. ] (Auth: HRS §302A-1112)

§8-89-5 Reporting Requirements. Student(s) or their parent(s), or legal guardian(s) should inform any DOE employee with supervisory authority or the CRCB of any discrimination, harassment (including sexual harassment), bullying, or retaliation engaged in by DOE employees (including full-time, part-time, casual, substitute, and temporary employees), volunteers, or third parties covered under this chapter in order to address and prevent further incidents from occurring. [Eff. ] (Auth: HRS §302A-1112)

§8-89-6 Complaint and Investigative Procedure. (a) Complaints stemming from allegations that fall under this chapter may be filed by:

1. Students who experience discrimination, harassment (including sexual harassment), bullying, or retaliation;
2. Students who witness discrimination, harassment (including sexual harassment), bullying, or retaliation against another student;
3. Parents, legal guardians, educational representatives, or individuals with a power of attorney who know about or witness discrimination, harassment (including sexual harassment), bullying, or retaliation against a student; or
4. Employees, staff, or volunteers who witness or know about discrimination, harassment (including sexual harassment), bullying, or retaliation against a student.

(b) Complaints alleging violations of this chapter can be made using the DOE’s Anti-Harassment, Anti-Bullying, and Anti-Discrimination
Against Student(s) Policy Complaint Form. Individuals who do not have access to or prefer not to use the DOE’s Anti-Harassment, Anti-Bullying, and Anti-Discrimination Against Student(s) Policy Complaint Form can nonetheless make a complaint, either in writing or orally, by providing the DOE with the following information:

1. The name of the respondent or a sufficient description of the respondent so that an identity can be determined;
2. The date(s) when the alleged discrimination occurred;
3. The protected basis of the complaint and a factual description of how the discrimination allegedly occurred;
4. A description of the injury or harm, if any; and
5. Attachments, if any, documenting the alleged conduct.

Written complaints may be given to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCB. Verbal complaints may be made either in person or over the phone to any teacher or staff, principal, vice-principal, complex area superintendent, or the CRCB. All complaints must be forwarded as soon as possible to the CRCB for processing, and failure to report a student’s complaint may result in disciplinary action.

When a complaint is received, the CRCB shall promptly assess the situation, will determine if the complaint falls under this chapter, and will investigate in accordance with subsections 8-89-6(f)-(i). Complaints that do not fall under this chapter will be referred to the appropriate office for review. Complaints relating to the denial of FAPE will be addressed under Hawaii Administrative Rules, chapters 8-60 and 8-61. If a complaint involves a student with a disability, the principal or designee shall ensure that the student’s FAPE is not affected.

Both parties may make a request for immediate interventions to the principal, any vice principal, the complex area superintendent, or the CRCB. The principal or designee may institute immediate interventions without a request, if they deem them appropriate. Immediate interventions will be considered by the principal or designee, in consultation with the CRCB, and if it is determined that immediate interventions are necessary, the principal or designee will implement the immediate interventions. Failure to comply with the terms of immediate interventions may be considered a separate violation, which may result in a separate investigation, findings, and determination.

When an investigation is required, the CRCB will assign an impartial investigator to conduct the investigation. At the initiation of an investigation, the parent will be notified.
(g) The complainant and respondent will be allowed to provide the assigned investigator the names of witnesses who they believe have information relevant to the complaint and provide evidence that they believe is relevant to the complaint. Once the investigator has obtained the necessary relevant information and documents, the investigator will analyze and document the available evidence, objectively evaluate the credibility of parties and witnesses, synthesize all available evidence— including inculpatory and exculpatory evidence—and take into account the unique and complex circumstances of each case. Once that is complete, the investigator will prepare a final investigation report, which will include findings of facts and determinations of any violations of rules, policies, and/or procedures.

(h) The final investigation report shall be forwarded to the decision maker, who shall determine any appropriate action, which may include discipline. If there is a finding of cause, the decision maker shall determine any appropriate discipline to end the discrimination, prevent its recurrence and remedy its effects on the complainant and/or school. The decision maker, in consultation with the CRCB, shall determine whether any remedies will be provided to students involved in the investigation. If it is determined that remedies will be provided, the principal or designee will implement the remedies. The complainant shall be notified of any remedies provided and any other actions taken by the DOE that directly relate to the complainant. The respondent shall be notified of any actions taken by the DOE that directly relate to the respondent.

(i) The investigator shall make a good faith effort to conduct a fair, impartial investigation in a timely manner designed to provide all parties with resolution. The investigation will be completed within sixty (60) calendar days of the filing of a complaint or from the report of the suspected violation of this chapter, unless the CRCB determines in its discretion that more time is required to initiate and complete the investigation. If the investigation cannot be completed within the sixty (60) calendar day time frame, the CRCB will notify the complainant and respondent in writing of the status of the investigation and provide an update on status every thirty (30) calendar days thereafter. [Eff. ] (Auth: HRS §302A-1112)

§8-89-7 Continued Investigation. When a complainant makes a complaint against an employee, the investigation shall be completed in the event that the employee resigns before it is finished and shall include a determination of any potential immediate interventions and/or remedies for complainant(s) and any other students or employees affected by the
alleged harassment. Additionally, the CRCB shall investigate allegations of violations of this chapter even absent a filing of a formal complaint or if a complaint has been withdrawn.  [Eff.__] (Auth: HRS §302A-1112)

§8-89-8 Retaliation Prohibited. Retaliation and retaliatory harassment is prohibited against any person because he/she engaged in a protected activity.  [Eff.__] (Auth: HRS §302A-1112)

§8-89-9 Right to Seek Other Relief. Nothing in this chapter shall be construed to limit or waive the right of the complainant to seek other relief as provided under federal and state laws. A complainant has the right to file a discrimination complaint with the federal or state government, including law enforcement agencies:
(1) Without filing a complaint under this chapter;
(2) At the same time a complaint is filed under this chapter;
(3) At any time during the pendency of a complaint filed under this chapter; or

§8-89-10 Translation, Interpretation, Writing Assistance, or Reasonable Accommodation. Any individual making a complaint or participating in an investigation that requires translation, interpretation, or writing assistance shall be afforded such assistance by the DOE. Any individuals with disabilities who require reasonable accommodation(s) to make a complaint or participate in an investigation shall be afforded such assistance by the DOE.  [Eff.                           ] (Auth:  HRS §302A-1112)

§8-89-11 Student’s Right to Privacy. (a) Information relating to complaints, investigations, and reports shall remain confidential and shall only be shared with appropriate individuals necessary to complete the investigation and decision making process.
(b) Identifiable information regarding a student shall not be disclosed without notice to the student’s parent or legal guardian.
(c) Investigation records shall be maintained by the DOE separate from educational records."  [Eff.                            ] (Auth:  HRS §302A-1112)
2. The adoption of chapter 8-89, Hawaii Administrative Rules, shall take effect ten days after filing with the office of the Lieutenant Governor.

I certify that the foregoing are copies of the rules drafted in the Ramseyer format, pursuant to the requirements of section 91-4.1, Hawaii Revised Statutes, which were adopted on [date] and filed with the Office of the Lieutenant Governor.
