<b>Budget Proviso</b>						
17	OFS/BB	Act 119 HB 500, CD1 (2015) Relating to the State Budget, Section 127	1) B&F shall ensure that non-facility per pupil general fund amounts allocated for DOE and charter school students are equal on an annualized fiscal year basis; 2) all general fund appropriations for school-based budgeting (EDN100), instructional support (EDN200), state administration (EDN300), and school support (EDN400) shall be considered non-facility appropriations for DOE students; 3) the general fund appropriation for charter schools (EDN600) shall be considered the non-facility appropriation for charter school students; 4) all grant appropriations issued pursuant to chapter 42F and funds appropriated for teacher recruitment and retention incentive for hard-to-fill positions are excluded from non-facility appropriations for the DOE and charter schools; 5) for fiscal year 2015-2016 and fiscal year 2016-2017, the director of finance shall: (1) Determine the sum of general fund appropriations made for the DOE and charter school student non-facility costs; (2) Determine DOE and charter school student enrollment based upon verified actual student enrollment counts as of October 15; (3) Determine a per pupil amount by dividing the sum of general fund appropriations determined under paragraph (1) by the sum of student enrollment determined under paragraph (2); (4) Transfer a general fund amount between the DOE and charter schools prior to November 1, 2015, and November 1, 2016, respectively, that will provide each with a per pupil allocation equal to the amount determined on an annualized fiscal year basis under paragraph (3)	Account for all calculations and transfers related to this section in a report to the legislature, governor, DOE, and charter schools within ten days of any transfer. Report is Gov to Legislature		

2016- 2017 Legislative Reports

#	OFFICE	STATUTE	REPORT OR ACTION REQUESTED	DUE DATE	RECV	POST
18	OFS	Act 124 HB1700, CD1 (2016)  Relating to the State Budget - Section 25.1	Requires the Department of Education to evaluate the benefits and detriments of the pilot project. Requires the report to include a recommendation of whether to establish a permanent declining balance debit card program, to refrain from establishing a permanent program, or to continue the pilot project for further evaluation.	Report due 20 days prior to the 2018 session.		
<b>Bills</b>						
19	OFS/ASB	Act 087 SB 1090, CD1 (2015)  Relating to Employees' Retirement System	1) Requires State and counties to furnish payroll and personnel transaction information to the Employees' Retirement System. 2) Requires the State or county to pay to the system in a lump sum at the beginning of the fiscal year the amount equal to the employer contributions payable by the department or agency, if a department or agency fails to provide the information in the required format. 3) Requires unpaid amounts to bear interest. 4) Requires the Employees' Retirement System to submit annual progress reports.	ERS report due 20 days prior sessions of 2016, 2017, 2018, 2019, and 2020.		
20	OFS	Act 160 SB 1361, CD1 (2015)  Relating to Budgeting; Position Ceilings	Requires "position ceilings" to be included in the executive budget and related documents. Requires a "position ceiling" to separately identify the maximum number of permanent and temporary positions authorized in the executive budget. Prohibits the expenditure of funds on certain positions exceeding the applicable ceiling, with certain exceptions. Authorizes department heads, with the approval of the governor, to establish positions for special, research, and demonstration projects, provided that funding is available for the positions (effective upon approval). States intent that the provisions also apply to the judiciary budget by operation of existing law. Effective 7/1/2016. (CD1)  Section 7(d)(2): ...Except with respect to appropriations to fund financing agreements under chapter 37D, DOE may transfer appropriated funds and positions for the operating cost category among programs and among cost elements in a program, and between quarters, as applicable.  Section 79(d)(3): UH and DOE must account for each transfer implemented in quarterly reports to the governor and annual reports at the end of each fiscal year to the legislature and the governor, include information on the sources and uses of the transfer.	Shall apply to the six-year program and financial plans, budgets, supplemental budgets, and variance reports submitted to the legislature, beginning with 2017 and every session thereafter.		

2016- 2017 Legislative Reports

#	OFFICE	STATUTE	REPORT OR ACTION REQUESTED	DUE DATE	RECV	POST
21	OFS	SB 2550, CD1 (2016)  Relating to Federal Funds	Requires the Governor to prepare a federal funding policy study:  (1) Identify the federal fund awards that departments regularly receive to pay for programs and projects; (2) Estimate the amount of federal funds to be expended by the state government annually in the next two fiscal bienniums; (3) The dependence of departments on federal funds to pay for major programs and projects; (4) Address the likelihood of a reduction of federal funds for state programs and projects in the next two fiscal bienniums; and (5) Discuss generally the impact on state government and Hawaii residents if federal funding levels are reduced.	Interim report to the Legislature 20 days prior to 2017 session; Final Report due in 2018.  Budget to coordinate response to B&F requests for information.		
<b>Concurrent Resolutions</b>						
22	OFS	SCR 138, (2016)  General Excise Tax and Use Tax Increase for Public Education and Long Term Care Financing	Requests the Tax Review Commission to conduct or commission a study to: (1) Evaluate the impacts of a general excise and use tax increase, as proposed under SB 2599 for public education (Increases the general excise tax and use tax from four per cent to five per cent and requires that additional revenue collected from the general excise tax increase be deposited into a special account in the general fund for department of education operations, including salaries and maintenance costs.)	Requests the Commission to submit the study to the Legislature and Governor as part of the Tax Review Commission report.		
<b>OHR</b>						
<b>Statute</b>						
23	OHR	302-430, 431, 440, HRS  Coverage for Workers Comp	430: Whenever a student participating in a school-approved work-based learning program sponsored by the DOE or the University of Hawaii undertakes to perform work for a private or public employer as part of the student's work-based learning program, whether paid or unpaid, the State is the responsible employer for the purposes of workers' compensation coverage and is student's exclusive remedy to the same extent as provided for in chapter 386 as against the State and the private employer participating in the program.  440: Whenever an exceptional child as defined in section 302A-101 undertakes to perform work for a private employer as part of a school-approved work-based learning program, whether paid or unpaid, the State is the responsible employer for the purposes of workers' compensation coverage.	Per 302A-431, DOE and the University of Hawaii must submit a report to the governor and the legislature prior to the convening of each session in the first year of each biennium that identifies the cost impacts to the State of providing workers' compensation coverage for students under sections 302A-430 and 302A-440.  External Due: 12/21/16

#	OFFICE	STATUTE	REPORT OR ACTION REQUESTED	DUE DATE	RECV	POST
<b>Bills</b>						
35	OSFSS	Act 233, SB 2542, CD1 (2016)	Establishes a policy regarding full funding for routine repair and maintenance of state-owned buildings, facilities, and other improvements. (1) Preserve the condition of state-owned buildings, facilities, (2) Prevent further additions to the State's deferred maintenance backlog; (3) Preserve public moneys by making near-term investments for routine repair and maintenance instead of incurring more expensive capital replacement or renewal costs in the future; and (4) Promote transparency. The required annual report is on the funds and positions necessary by the department to perform routine repair and maintenance on the state-owned building, facility, or other improvement during the fiscal year covered by the report. The annual report shall cover the fiscal year that commences following the submittal of the report and break down the funds and positions deemed necessary for routine repair and maintenance by means of financing and cost element.	B&F to provide the annual report to the Legislature, with coordination and information provided by DOE.		
36	OSFSS	Act 130 SB 3077, CD1 (2016)  Relating to Statewide Community Planning	Establishes the Hawaii interagency council for transit-oriented development, an advisory body to coordinate and facilitate state agency transit-oriented development planning, and facilitate consultation and collaboration between the State and the counties on transit-oriented development initiatives.	DBEDT is lead; Superintendent is named as member ( 'or designee not allowed', unless specifically unable to attend meeting').  Report due by December 31, 2017, and an annual report thereafter.		
37	OSFSS	Act 241 HB 2018, CD1 (2016)  Relating to Government Processes and Services	DAGS to conduct and implement Best Practices for CIPs. 1) Requires all executive departments and state agencies to use timelines that include a comprehensive list of all activities required on a project, a) not simply rely on contractor timelines, which may not reflect all project phases. b) List shall include all phases in a project's life cycle, namely, the initiation, planning, design, bid, construction, and post construction phases; (2) Follow state procurement office guidance for tracking payments and deliverables by using a contract administration worksheet; a) milestones or deliverables, which are marked off as items are completed; and (3) identify and involve stakeholders throughout a project's execution and closing, including providing information about project costs, schedules, and performance.	Requires DAGS to submit a status report 20 days prior to 2017 session.
