# The Future of Hawaiian Education

Hawaii is leading the way nationally and internationally for culturally responsive education.

- Shared leadership models that support community and family engagement and school partnerships
- Culturally responsive evaluations and assessments
- Culture and place based education to close the achievement gap

## GOAL 1: STUDENT SUCCESS

# Key Challenges

- System wide valuing of Hawaiian education for all students
- Developing a manageable scope and focus for the Office of Hawaiian Education
- Aligning federal and state accountability requirements for Hawaiian language assessments
- Limited time and resources to implement policies systems-wide and prepare all students before they graduate
