The Board of Education is holding a series of community engagement meetings across the state relating to its strategic plan. You are invited to join Board Members and various Department of Education staff to share opinions on priority areas and provide insight on how well the public education system is meeting the needs of students, families, schools, and communities.

* If you need an auxiliary aid/service or other accommodation due to a disability, contact Board staff at (808) 586-3334 and BOE.Hawaii@boe.hawaii.gov as soon as possible. Requests made as early as possible will allow adequate time to fulfill your request.

Upon request, this notice is available in alternate formats such as large print, Braille, or electronic copy.
