HAWAII STATE PUBLIC LIBRARY SYSTEM
OFFICE OF THE STATE LIBRARIAN
44 MERCHANT STREET
HONOLULU, HAWAII 96813

October 17, 2017

TO: The Honorable Kenneth Uemura, Chairperson
Committee on Finance and Infrastructure
Board of Education

FROM: Stacey A. Aldrich, State Librarian 
Hawaii State Public Library System

SUBJECT: Committee Action on Recommendation Concerning the
Hawaii State Public Library System's Supplemental Budget
for Fiscal Year 2018-2019

The Fiscal Biennium (FB) 2017-19 Biennium Budget was signed into law under Act 49, Session Laws of Hawaii 2017. The following is an overview of the Hawaii State Public Library System (HSPLS) FY18 staffing and budget:

	2018 STAFFING *	2018 BUDGET
General Fund	559.00	\$35,325,668
Special Fund*		\$4,000,000
Federal Fund		\$1,365,244
Total Budget		\$40,690,912

**Includes Permanent and Temporary*

On August 29, 2017, Governor David Ige issued Executive Memorandum No. 17-04, FY 18 Budget Execution Policies and Instructions, which mandates 10% budget restrictions (5% restriction and 5% contingency) of HSPLS' FY 2018 general fund budget. In the table below, the left column reflects: 1) HSPLS' FY 2018 budget with the 5% restriction that will be addressed using vacancy savings; and 2) the 5% contingency restriction.

AN AFFIRMATIVE ACTION AND EQUAL OPPORTUNITY EMPLOYER

Note that \$600,000 of the 5% contingency restriction was subsequently released for the purchase of the library material collection for the new Nanakuli Public Library, pursuant to Finance Memorandum No. 17-12, FY 19 Supplemental Budget Policies and Guidelines (Fiscal Biennium 2017-19), issued on September 27, 2017.

We are in the process of negotiating the release of the balance of the contingency restriction (\$956,285) to address shortfalls in funding for repair and maintenance to keep HSPLS facilities safe for our staff and library patrons, and the need to increase security at HSPLS facilities this fiscal year.

The right-hand column summarizes HSPLS' FY 2019 supplemental budget request:

	2018 APPROVED BUDGET	2019 BUDGET REQUEST
General Funds		
Additional Positions		3.50
Total FTE (Permanent & Temporary)	559.00	559.00
Base Budget	35,325,668	34,876,260
Additional Requests:		
Collective Bargaining		1,313,476
Additional Positions		103,656
Repair & Maintenance		500,000
Book Funds		1,000,000
Total General Funds	35,325,668	37,793,392
5% Contingency Restriction	(1,556,285)	
5% Restriction	(1,556,285)	
Waived restriction (books for Nanakuli)	600,000	
General Funds Allocation	32,813,098	37,793,392
Special Funds	4,000,000	4,000,000
Federal Funds	1,365,244	1,365,244
Total Operating Budget	38,178,342	43,158,636
CIP		
Approved/Additional Requests:		
Health & Safety	6,500,000	5,000,000
Liliha Library - Ground/Site improvement	500,000	
HSL - Replace roof drain liner	165,000	
Keaau/Mt. View - Planning		300,000
Total CIP	7,165,000	5,300,000

Our FY19 supplemental budget requests are as follows, in order of priority:

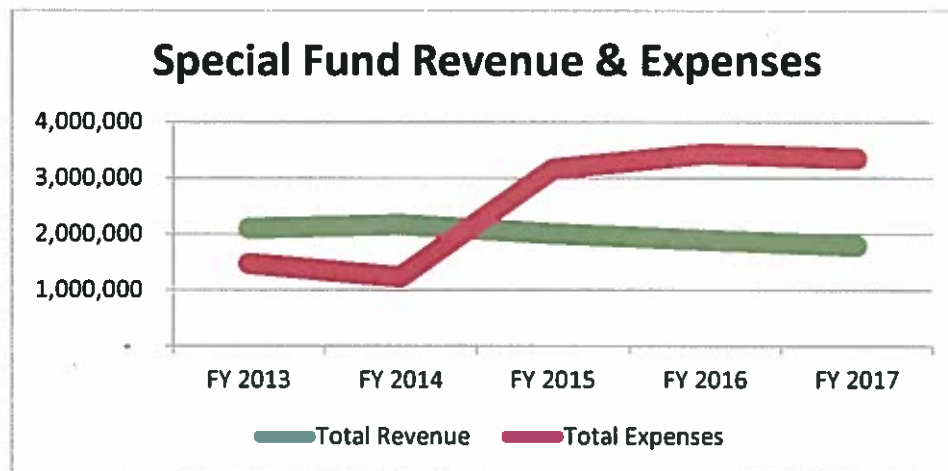

1. 3.50 (FTE) positions for the new Nanakuli Public Library that is currently under construction and scheduled to be opened in the first quarter of 2018. Last year, HSPLS requested 6.5 new positions for the Nanakuli Public Library; we received 3 positions. Therefore, we are requesting an additional 3.50 (FTE) staff positions and \$103,656 to properly staff and operate this new and much larger public library with additional services and programs (small business center and recording studio for capturing local histories) that were requested by the community.
2. \$500,000 for the backlog of repair and maintenance projects. The Comptroller of the Department of Accounting and General Services (DAGS) is recommending an additional \$1.3M in general funds for repair and maintenance projects in FY19 for HSPLS facilities. These projects are considered necessary to ensure the safety of our staff and library patrons. This supplemental budget funding request would increase HSPLS' repair and maintenance budget from \$500K to \$1M for FY 2019. The Comptroller's recommendation and a list of all HSPLS projects is attached.
3. \$1,000,000 for library collections. The purchasing of library collections (physical books, ebooks, emagazines, and databases) for 50 branches and the new Nanakuli Public Library currently relies on several different inconsistent sources of revenue, such as fees, fines and facility rentals. Revenue in general has been on a decline, in large part due to changes in library patron behavior and improving services for patrons. For example, the rental of DVDs, has declined due to more streaming of digital content by patrons. Fines and fees have begun to decline due to patrons' ability to use the Libraries Hawaii App to use as a library card and track when materials are due.

At the same time, library patrons continue to request more copies of library materials in digital format, which increases the cost of purchasing and maintaining our library collection, as we are now maintaining both paper and digital copies to meet all of our library patrons' needs. Providing access to electronic collections is expensive, but it also creates access to the same resources for patrons through all 51 branches across 6 islands, instead of requiring the purchase of multiple copies for every branch.

We must continue to bridge the physical and virtual collections, and it is vital that we have enough funding to have the collections that our communities need. Digital content has a different cost structure, directly affecting our ability to acquire and maintain the digital collection used by our library patrons.

When we pay for digital content we are only leasing copies of the material. Publishers have differing thresholds of when we must pay more to continue access to the publication; in other words, the cost of keeping the most popular publications that library patrons want, in our collection, will continuously rise. In the end, this means we must ensure there is a continuous stable source of funding to ensure patrons have access.

Over the past three fiscal years, HSPLS has expended over \$3M annually on its collections for all 50 public libraries statewide. For FY 2018, there is only about \$2M available for our collections budget, including the recently released funding for the new Nanakuli Public Library (bringing the total to 51 public libraries).

For our FY19 Capital Improvement Projects (CIP) budget, we are requesting the following:

1. \$5M for health and safety, and energy efficiency projects. The DAGS Comptroller has recommended \$13.6M be requested for completion of prioritized health and safety projects in FY 2019. Our request, however, has been reduced to \$5M in recognition of Governor Ige's request to all departments to propose a more conservative budget. Please refer to the attached list for all HSPLS' pending health and safety projects which require additional funding to be completed.
2. \$300,000 in planning funds for a new library to replace the existing Keaau and Mountain View Public and School Libraries on the Island of Hawaii. Previously, planning funds had been allocated to replace the Puna District public and school libraries (Pahoa, Keaau, Mountain View) with a regional public library in Pahoa.

After gathering community input, however, it became clear that one regional library for this large district could not adequately meet the needs of the community. The meetings also highlighted the need to start planning for the relocation of public libraries off of school campuses.

Fortunately, we recently received a very generous offer from W.H. Shipman to donate up to 3 acres of commercial land centrally located in Keaau for a new Public Library. For this reason, HSPLS is requesting additional funds to start the planning process to relocate the Keaau and Mountain View libraries. A summary of the Keaau/Mountain View analysis is attached.

Finally, also attached is an updated report on the status of HSPLS library facilities, including: projects that have been completed in the past year, projects in process, and projects that still need to be done.

HSPLS is an important part of our communities. We offer access to information resources, our stories, technology, and learning every day to whomever walks through our physical or virtual spaces. We want to be sure these valuable community spaces continue to be rich with resources, safe, and open to the public. Our budget request, while conservative, is vital to our ability to maintain and serve the ever-changing and growing needs of our Hawaii communities.

If you need any further information about our budget request, please feel free to contact Keith T. Fujio at 586-3700.

Hawaii State Public Library System (HSPLS)

Keaau- Mountain View Public Library

Background Information

Puna is one of nine districts in the island of Hawaii, and consists of 14 subdivisions covering a large portion of the easternmost point of the island of Hawaii. Historically an area of diverse agricultural development, residential development is rapidly changing this area of the island.

In the mid 1960's and 1970's HSPLS and the Department of Education partnered to create public libraries on school campuses. Since the original concept was implemented, the world has changed. Having the general public on school campuses creates ongoing concern for the safety and security of the students. Active shootings and non-custodial kidnappings are now very real issues for school administration to deal with, making these 40 year old shared use facilities increasingly problematic.

The public libraries in Keaau and Mountain View in particular are located in the middle of the DOE public school campuses, and experience daily concerns over who is walking on their campus during the school day. For patrons, it is often uncomfortable to visit the public library, because of the location on the campus.

According to the Puna Community Development Plan, the division of former agricultural lands in the past 40-50 years (roughly 1958 - 1973) led to more than 52,500 subdivided residential lots. This resulted in Puna containing nearly 45% of the island's total subdivision lots and has made the Puna area the fastest growing region in the entire state.

The 2010 County of Hawaii Data Book describes Puna with a land area of 319,680 acres. This makes the Puna district only slightly smaller than the entire island of Kauai, and as a result of the creation of affordable house lots, it is experiencing a huge rise in population in the area. This expansion has raised the need for increased social services and community resources, including a public library, to meet the needs of the growing number of residents in the area. With the continued increase in population, there is need for a new facility to service both the Mountain View and Keaau areas, as well as allow HSPLS to remove our presence from DOE campuses.

Population Growth

Census Data on Population for Puna

Census information from the State of Hawaii Data Book 2013

Date	Population
1990	20,781
2000	31,335
2010	45,326
2018 (est.)	50,626
2030 (est.)	75,000

Percentage Changes in Population

Statistical information from the State of Hawaii Data Book 2013

Puna District

Date Range	Percentage Growth
1990 – 2000	50.8% Increase
2000 – 2010	44.6% Increase

Percentage Growth of Counties

County	1990- 2000	2000 - 2010
Hawaii	23.6%	24.5%
Maui	27.6%	20.8%
Honolulu	4.8%	8.8%
Kauai	14.2%	14.8%

Proposed Action

We have recently received a very generous offer from W.H. Shipman to donate up to 3 acres of commercial land centrally located in Keaau for a new Public Library. Our FY 2019 Budget request of \$300K would be for the planning of this new regional library to replace both the current Keaau and Mountain View Public and School Libraries and to address the following community needs.

Identified Community Needs:

- Removal of Public Libraries from public school sites
- Providing increased access for community activities
- Meeting the need for workforce development of the populace

- With 85% of the island's Section 8 low-income rental housing certificate holders in Puna, the public libraries provide users access to valuable print and digital resources for creating a diverse workforce for the area.

Hawaii State Public Library System

Facilities Needs Report

October 2017

Hawaii State Public Library System

FACILITIES NEEDS REPORT

October 2017

Stacey A. Aldrich
State Librarian

The Hawaii State Public Library System (HSPLS) is currently made up of 50 branches across 6 islands. For more than 50 years, the State of Hawaii has invested millions of dollars of public funds in buildings, equipment, resources and materials to serve the residents of Hawaii.

Your public libraries provide community spaces where people can gather to learn and grow. Our task is to ensure these spaces remain safe and inviting to users. With sixty percent of HSPLS branches built before 1970 and over forty-six percent of these at 50+ years old we need your support.

In the first half of 2017, Molokai and Honokaa Public Libraries celebrated their 80th Anniversaries. In 2018, the system's flagship branch, the Hawaii State Library, will celebrate its 105th Anniversary. These branches are stellar examples of libraries as treasured community hubs, ensuring access to information and collections, places to connect with each other, and venues to celebrate and sustain Hawaii's rich culture.

The Library for the Blind and Physically Handicapped, celebrated its 85th Anniversary in 2016. This location provides services to those who cannot read standard print because of visual or physical challenges and works to ensure equitable access for all of our community.

In early 2018, HSPLS will add its 51st public library branch when the new Nanakuli Public Library opens.

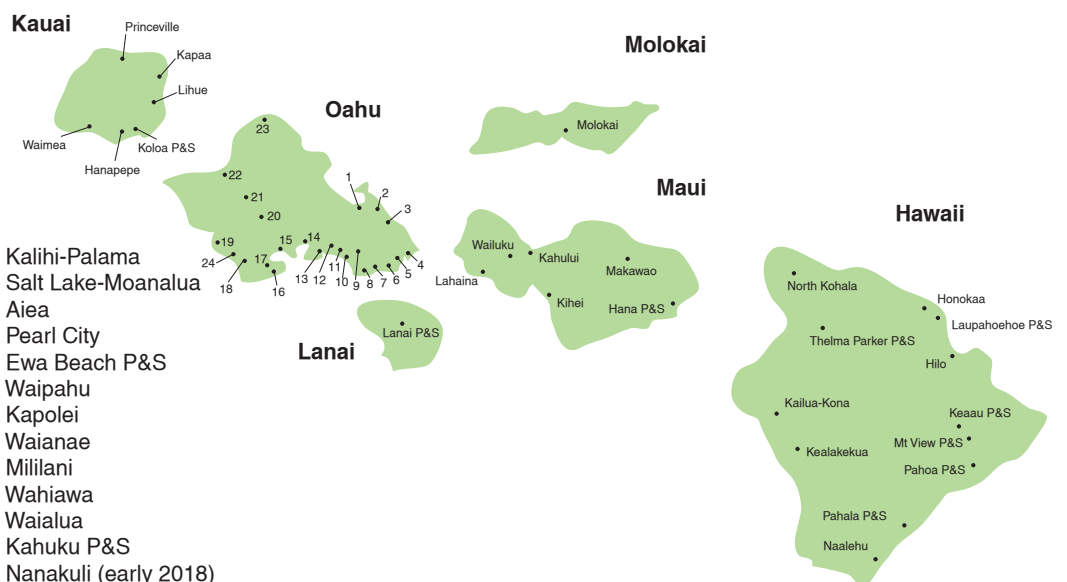

In FY2017, with the funding provided by the Governor and Legislature, HSPLS was able to complete seven (7) CIP projects and twelve (12) R&M projects.

This year's report provides basic information about each of our branches, CIP projects completed in FY17 and those currently underway. It also identifies the currently estimated cost to address the Repair and Maintenance and top CIP issues in each of them. The Department of Accounting and General Services has provided all estimates to HSPLS.

HSPLS continues to review, prioritize, and build strategic directions for improving our public library buildings and spaces to best serve our communities.

If you would like any further information please do not hesitate to contact Keith Fujio, Special Assistant to the State Librarian, at 808-586-3700.

Mahalo,
Stacey A. Aldrich
State Librarian

Comptroller's Recommendation

DAVID Y. IGE
GOVERNOR

RODERICK K. BECKER
Comptroller

AUDREY HIDANO
Deputy Comptroller

STATE OF HAWAII
DEPARTMENT OF ACCOUNTING
AND GENERAL SERVICES
CENTRAL SERVICES DIVISION
729-B KAKOI STREET
HONOLULU, HAWAII 96819

RA-18 XXX

2017

TO: The Honorable Stacey Aldrich, State Librarian
Hawaii State Public Library System

ATTN: Keith Fujio
Administrative Services Officer

FROM: Roderick K. Becker, Comptroller

SUBJECT: Project Funding Request for FY 2019 Budget for HSPLS-Owned Buildings

Enclosed are the prioritized backlog lists of repair/maintenance projects for the upcoming budget request for FY 2019. Soft copies were emailed earlier. Upon request, staff from our Central Services Division can attend scope and consultant selection meetings and provide more detailed scope and photos of the high priority projects.

The individual projects were scored and prioritized by funding type. Also, projects that are ongoing or funded by your Department were removed from the high priority list.

The CIP and General funding needed were based on high priority projects (generally Condition rating '8' and above). Projects rated '8' and higher are energy related or the conditions may cause further damage to the building. The recommended funding for the projects, by source, are:

	<u>CIP Bond Fund</u>	<u>General Fund</u>
FY2019	\$13,693,580	\$1,278,850

If you have any questions, please contact Mr. Dean Shimomura at 831-6733 or dean.h.shimomura@hawaii.gov.
