Student Voice

MHS Student Senate

- Vehicle for driving student discussions and gathering student opinions on topics ranging from the bell schedule to lessons they would like to learn through our advisory program.

R.S.V.P. - RAISING STUDENT VOICE & PARTICIPATION

- Student leaders are the catalyst & conduit for student voice on campus. RSVP allows students to share genuine thoughts, ideas, and opinions. Students then offer realistic suggestions for an action plan. Finally, students respond and help implement.

Aina Pono Program

- Listened to what the students wanted to eat
- Worked together to provide feedback to our Cafeteria Staff
- Educated our peers on the importance of local food and eating healthy
- Presented to legislators to campaign for support of the program
