## KAIMILOA ELEMENTARY

Academic Plan Highlights

SY 2016 - 2017

*Kaimiloa Elementary School*

*"A place where we see learning through the eyes of our students and students see themselves as their own teachers."*

**Goal 1: Student Success: All DOE students demonstrate they are on a path toward success in college, career, and citizenship.**

***What we will do at Kaimiloa:***

- Create an environment that supports all students in becoming Visible Learners.
- Provide time and resources supporting instruction to Common Core State Standards.
- Provide time, resources and support to teachers in the development of their curriculum to address writing to sources.
- Provide support and professional development in STEM (Science, Technology, Engineering and Math) integration;
- Provide training and support in Comprehensive Student Support and Response to Intervention that will support the needs of struggling learners with timely interventions;
- Develop a system of tracking and monitoring interventions provided to students;
- Increase parental involvement with family literacy services;
- Develop teacher understanding of formative instruction and Learning/Data Team process.

***What students will gain as a result of what we do:***

- Increase achievement by at least a year, closing the gap for at-risk students;
- Recognize and showcase work that exceeds, meets and/or is approaching standards;
- Increased opportunities to use technology as a support for learning.
- Create projects and/or complete performance tasks that exhibit STEM learning;
- Ability to link and make relevant connections across content areas;
- Readiness to begin Kindergarten, knowing the rituals and routines of the school;
- Reduce the need for intense remediation because of early intervention strategies;
- Able to successfully meet the shifts in ELA and Math found in Common Core State Standards;
- Able to successfully meet the academic rigor of the new SBAC Assessments.

**Goal 2: Staff Success: The DOE has a high-performing culture where employees have the training, support, and professional development to contribute effectively to student success.**

***What we will do at Kaimiloa:***

- Provide time for teachers to collaborate and plan together for all students;
- Support and implement SPED and ELL inclusion practices through professional development;
- Sustain in school and after school safety net programs based on data of students' needs;
- Participate in professional development that improves teaching practices;
- Collaborate and support our teachers with best teaching practices through Learning Teams process;
- Support all teachers to become highly effective through mentorship and coaching;
- Provide common, dedicated meeting time for teachers to plan, assess and analyze data connected to student growth.

***What students will gain as a result of what we do:***

- Increase skills and knowledge that ensure success at the secondary level;
- Receive home and family support that enhances learning;
- Closing of gaps of our most at-risk students;
- Increased student achievement that is based on focused teaching practices.

**Goal 3: Successful Systems of Support: The system and culture of the DOE work to effectively organize financial, human and community resources in support of student achievement.**

***What we will do at Kaimiloa:***

- Improve communication with parents using technology;
- Determine and problem solve barriers to student learning;
- Partner with the community to promote civic responsibility;
- Provide opportunities for students to interact and participate in their community, enhancing real-life learning.

***Every student at Kaimiloa will know where they are in any learning progression by answering the following questions:***

***Where am I going?  
How am I doing?  
What to next?***

### **School Demographics**

Enrollment: 663  
Free/Reduced Lunch: 64%  
SPED: 6.3%  
English Language Learners: 11%  
PreSchool Attendance: 33%

***Seek, Learn, Empower***
