AGENDA ITEM: Investigative Committee (a permitted interaction group pursuant to Hawaii Revised Statutes, Section 92-2.5(b)(1)) concerning search for a superintendent: update on stakeholder feedback and findings and recommendations regarding superintendent job description

I. EXECUTIVE SUMMARY

• The Board established a Search Committee to, among other things, develop a superintendent job description in connection with the search for a superintendent.

• The Search Committee used a comprehensive stakeholder outreach process to revise the superintendent job description. A proposed draft of the job description is attached as Exhibit A.

• In accordance with Sunshine Law, Board Members cannot discuss or take action on the Search Committee's recommendation to adopt the proposed draft of the job description at this meeting, but can do so at the Board’s March 3, 2022 meeting.

II. BACKGROUND

On June 3, 2021, the Board of Education (“Board”) formed an investigative committee (a permitted interaction group pursuant to Hawaii Revised Statutes Section 92-2.5(b)(1)) tasked with investigating issues related to the search for a superintendent in accordance with the process and timeline approved by the Board (this investigative committee is herein referred to as the “Search Committee”). The Board assigned Board Members Kaimana Barcarse, Lynn Fallin, Kili Namau’u, and myself to the investigative committee, with me serving as committee chairperson.
On May 20, 2021, the Board adopted a general timeline and process for searching for and selecting a long-term superintendent, provided that the Search Committee may make any revisions necessary to complete its tasks. The process includes public input through various means, including an advisory group consisting of individuals representing key stakeholder groups with significant interest in public education (herein referred to as the “Advisory Group”).

On August 19, 2021, the Search Committee provided the Board with an update on the composition of the Advisory Group. On December 16, 2021, the Search Committee updated the Board on the Advisory Group’s responsibilities and the process for selecting members to the Advisory Group.

On October 21, 2021, the Board accepted grant funds from the Harold K.L. Castle Foundation and The Learning Coalition for various services from the National Association of State Boards of Education (“NASBE”), including assistance with the search and selection of a state superintendent. As a part of the same action, the Board also approved a general timeline for NASBE services, which, in effect amended the May 20, 2021 timeline for the search process so that the Board is scheduled to select a superintendent in May 2022 instead of March 2022. At the Board’s December 16, 2021 meeting, the Search Committee reported that it is operating on the following timeline:

### III. UPDATE

**Stakeholder Input.** The Search Committee gathered stakeholder input to develop the superintendent job description through meetings with its Advisory Group, focus groups, and meetings with key legislative committee chairpersons. Former NASBE President and CEO, Robert Hull facilitated these meetings. Search Committee members were present at the Advisory Group meeting and focus group meetings.

The Search Committee met virtually with the Advisory Group on January 18, 2022 to get feedback on the education system’s greatest needs, areas of growth, and desired outcomes to develop a superintendent job description and competencies. After considering the Advisory Group’s feedback, Mr. Hull asked Search Committee and Advisory Group members to complete a survey to determine whether their comments and concerns were reflected in tailored descriptions of the five forces of leadership.

During the week of January 31, 2022, the Search Committee held seven virtual focus groups. The focus groups represented school-based educators, school administrators, parents, community (business, military, advocacy, non-profit), Department staff, and students. There were two focus group sessions for various school-level professionals, including teachers, counselors, and interpreters. When the Search Committee formed the focus groups, it endeavored to create groups that reflected the diversity of Hawaii’s public education system with individuals that could represent various constituencies, including Department schools, charter schools, Kaiapuni (Hawaiian immersion) schools or programs, special education, multi-lingual learners, adult education, Native Hawaiians, Pacific Islanders, Micronesian, and Filipino. Focus group participants generously shared their
knowledge, thoughts, and experiences, providing Search Committee members with valuable, personal insights.

During the week of February 7, 2022, Mr. Hull requested meetings with key state legislators, the chairpersons of the education and money committees. He met with Senator Michelle Kidani, Representative Sylvia Luke, and Representative Justin Woodson. They all graciously shared their thoughts regarding the Hawaii’s public education system.

Using the feedback gather from the Search Committee, Advisory Group, focus groups, and meetings with legislators, Mr. Hull revised the superintendent job description. Mr. Hull met with the Search Committee and worked with them through several drafts of the job description to ensure the job description reflected the feedback gathered. The superintendent job description was also revised to align it with the Board’s current superintendent evaluation process. The “Primary Responsibilities” section reflects the professional standards in the Board’s evaluation process. Using this comprehensive stakeholder outreach process, the Search Committee created a superintendent job description (attached as Exhibit A) that reflects the core competencies and job responsibilities that reflect the needs, desires, and opinions of our statewide community. The original job description is attached as Exhibit B. A redline was not provided because the changes were extensive.

In accordance with Sunshine Law, Board Members cannot discuss or take action on the Search Committee’s recommendation at this meeting, but can do so at the Board’s March 3, 2022 General Business Meeting. If the Board approves the job description, the Search Committee will publish it and begin accepting applications in March.
