POLICY 500-20

SCHOOL COMMUNITY COUNCIL WAIVERS

The Board has established procedures whereby School Community Councils ("SCC"), upon application to the appropriate authorities, may be granted waivers from specific provisions in statute, rules, policies, procedures, regulations, or collective bargaining agreements. The Department shall administer the procedures and make them widely available to the public.

Waivers are designed to enhance flexibility in order to facilitate school improvement. Schools are encouraged to explore alternate solutions before seeking waivers or exceptions to collective bargaining agreements.

Schools shall ensure that requests for waivers and exceptions align with their respective school's Academic and Financial Plan and demonstrate how the waiver will improve student learning and increase student achievement.

To ensure SCCs and schools regularly review and update their Academic and Financial Plans, any waivers granted shall be effective for up to one school year. Nothing in this policy shall be construed to prohibit an SCC from requesting a waiver that may have been granted previously, provided that the waiver request still aligns with the school's Academic and Financial Plan.

The Board may grant general waivers from specific administrative rules, policies, or procedures under its jurisdiction or specific statutory provisions, as allowed by law, to apply to all schools under the same circumstances. General waivers shall be effective for up to one school year. The Board may extend general waivers if it determines a general waiver is more appropriate than changing permanently changing administrative rules, policies, or procedures or seeking permanent changes to statute.
