

BOARD OF EDUCATION
DEPARTMENT OF EDUCATION LEADERSHIP SALARY STRUCTURE

I. Purpose

- A. The purpose of this salary structure is to establish a system for performance-based and other case-by-case salary adjustments for the subordinate superintendents (which are the deputy superintendent, assistant superintendents, and complex area superintendents) of the Department of Education (“Department”).
- B. This salary structure articulates the flexibility of the Board of Education (“Board”) to provide fair and competitive salaries to subordinate superintendents while ensuring this system and resulting leadership salaries are transparent.

II. Authority

- A. Pursuant to Section 302A-621, Hawaii Revised Statutes, the Board has the sole authority to set the salaries of subordinate superintendents with the only restriction being that the salary of a subordinate superintendent cannot exceed the salary of the superintendent.
- B. In accordance with Board Policy 500-6, entitled “Salaries of Subordinate Superintendents,” the Board is to “establish a salary structure that is competitive and commensurate with the duties, responsibilities, and authorities of the respective subordinate superintendent positions.”

III. Salaries and Salary Ranges

- A. The Board must be able to review and approve exact salaries to ensure equity, avoid salary compression issues, and optimize competitiveness for recruitment and retention. Further, more transparency as to salaries of the top leaders of the Department, which is one of the largest state departments, is in the best interest of the public.
- B. The Board has set the following salary ranges for subordinate superintendents to assist the superintendent with leadership recruitment:
 - 1. Deputy superintendent: \$162,750 to \$194,250
 - 2. Assistant superintendents: \$157,500 to \$189,000
 - 3. Complex area superintendents: \$165,000 to \$205,000

- C. The superintendent may recommend changes to the Board to the salary ranges stated in Section III.B based on market conditions. Any changes to the salary ranges require the Board to amend this salary structure document.
- D. The superintendent shall not adjust the salary of a subordinate superintendent without prior approval from the Board.
- E. Whenever the superintendent recommends to the Board the approval of the appointment of a new subordinate superintendent, the superintendent must also recommend an entry salary for that individual.
- F. Whenever the superintendent requests adjustments to a subordinate superintendent's salary, the superintendent must provide the Board with the current salary of the subordinate superintendent and the new proposed salary.
- G. Any Board approval of recommended salary adjustments is also approval of the use of funds necessary to effectuate such salary adjustments. The superintendent shall provide the Board with information on the total cost of any proposed salary adjustments.

IV. Performance-based Salary Adjustments

- A. The superintendent shall annually evaluate the performance of subordinate superintendents using an evaluation instrument of the superintendent's choosing that sets the performance expectations for each subordinate superintendent. The evaluation instrument used by the superintendent to evaluate performance should align with Department and Board goals for consistency and fairness.
- B. Subordinate superintendents who meet performance expectations as determined by the performance evaluation are eligible for a minimum performance-based salary adjustment as determined by the superintendent in consultation with the Human Resources Committee Chairperson or their designee. In determining the minimum performance-based salary adjustment, the superintendent and the Human Resources Committee Chairperson, or their designee, shall consider various market factors, including the Hawaii Consumer Price Index, average Hawaii salary increase rates, and collective bargaining raises of other Department employees.
- C. Subordinate superintendents who exceed performance expectations as determined by the performance evaluation are eligible for an additional performance-based salary adjustment as recommended by the superintendent.

- D. The superintendent shall annually report the overall performance evaluation results to the Board and recommend performance-based salary adjustments based on the evaluation results. The report annually shall also include the copy of the current evaluation being used and the position descriptions of those affected.
- E. The superintendent may recommend no performance-based salary adjustments based on circumstantial conditions, such as economic downturns.
- F. The Board has total discretion over salary adjustments for subordinate superintendents and may decide to defer or forgo performance-based salary adjustments in any given year based on circumstantial conditions, such as economic downturns.
- G. Subordinate superintendents serving in an interim or acting capacity are not eligible for performance-based salary adjustments.

V. Other Salary Adjustments

- A. The superintendent may recommend, and the Board may consider, other salary adjustments for subordinate superintendents separate from performance-based compensation adjustments on a case-by-case basis as circumstances warrant, which include, but are not limited to:
 - 1. A complex area superintendent whose salary is less than the average salary of high school principals;
 - 2. An assistant superintendent whose salary is less than the average salary of peers in the industries relevant to the subject matter area overseen by the assistant superintendent; or
 - 3. A deputy superintendent whose salary is less than the average salary of other subordinate superintendents that the deputy superintendent supervises.
- B. Other salary adjustments may require the amendments of the salary ranges stated in Section III.B and in accordance with Section III. C.
