(3) Upon a judicial finding of unreasonableness with respect to actions taken by the parents.

(A) The department shall obtain parental consent, in accordance with section 8-60-31(a)(1), prior to conducting any reevaluation of a student with a disability;

(B) If the parent refuses to consent to the reevaluation, the department may, but is not required to, pursue the reevaluation by using the consent override procedures described in subsection (a)(3);

(C) The department does not violate its obligation under section 8-60-10 and sections 8-60-33 through 8-60-43 if it declines to pursue the evaluation or reevaluation.

(2) The parental consent described in paragraph (1) need not be obtained if the department can demonstrate that:

(A) It made reasonable efforts to obtain such consent; and

(B) The student's parent has failed to respond.

(d) Other consent requirements.

(1) Parental consent is not required before:

(A) Reviewing existing data as part of an evaluation or a reevaluation; or

(B) Administering a test or other evaluation that is administered to all students unless, before administration of that test or evaluation, consent is required of parents of all students.

(2) The department may not use a parent's refusal to consent to one service or activity under subsection (a) to deny the parent

or student any other service, benefit, or activity of the department, except as required by this chapter.

(3) (A) If a parent of a student who is home schooled or placed in a private school by the parents at their own expense does not provide consent for the initial evaluation or the reevaluation, or the parent fails to respond to a request to provide consent, the department may not use the consent override procedures (described in subsections (a) (3) and (c) (1)); and

(B) The department is not required to consider the student as eligible for services under sections 8-60-22 through 8-60-26;

(4) To meet the reasonable efforts requirement in subsections (a) (1) (C), (a) (2) (A), (b) (2), and (c) (2) (A), the department shall document its attempts to obtain parental consent using the procedures in section 8-60-46(d). §8-60-32 Evaluation. Students with disabilities shall be evaluated in accordance with sections 8-60-31 through 8-60-43 of this chapter. [Eff 11/23/09] (Auth: 20 U.S.C. 1412(a) (7), HRS §302A-1112) (Imp: 34 C.F.R. §300.122)

§8-60-33 Initial evaluations. (a) General. The department shall conduct a full and individual initial evaluation, in accordance with sections 8-60-36 and 8-60-38, before the initial provision of special education and related services to a student with a disability.

(b) Request for initial evaluation. Consistent with the consent requirements in section 8-60-31, either a parent of a student or the department may initiate a request for an initial evaluation to determine if the student is a student with a disability.

(c) Procedures for initial evaluation. The initial evaluation:

(1) Shall be conducted within 60 days of receiving parental consent for the evaluation; and

(2) Shall determine:

(A) If the student is a student with a disability under sections 8-60-2 and 8-60-39; and

(B) The educational needs of the student.

(d) Exception. The timeframe described in subsection (c)(1) does not apply to the department if the parent of a student repeatedly fails or refuses to produce the student for the evaluation. [Eff 11/23/09] (Auth: 20 U.S.C. 1414(a), HRS §302A-1112) (Imp: 34 C.F.R. §300.301)

§8-60-34 Screening for instructional purposes is not evaluation. The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. [Eff 11/23/09] (Auth: 20 U.S.C. 1414(a)(1)(E), HRS §302A-1112) (Imp: 34 C.F.R. §300.302)

§8-60-35 Reevaluations. (a) General. The department shall ensure that a reevaluation of each student with a disability is conducted in accordance with sections 8-60-36 through 8-60-43:

(1) If the department determines that the educational or related services needs, including improved academic achievement and functional performance, of the student warrant a reevaluation; or

(2) If the student's parent or teacher requests a reevaluation.

(b) Limitation. A reevaluation conducted under subsection (a):

(1) May occur not more than once a year, unless the parent and the department agree otherwise; and

(2) Shall occur at least once every 3 years, unless the parent and the department agree that a reevaluation is unnecessary. [Eff 11/23/09] (Auth: 20 U.S.C. 1414(a)(2), HRS §302A-1112) (Imp: 34 C.F.R. §300.303)

§8-60-36 Evaluation procedures. (a) Notice. The department shall provide notice to the parents of a student with a disability, in

accordance with section 8-60-58, that describes any evaluation procedures the department proposes to conduct.

(b) Conduct of evaluation. In conducting the evaluation, the department shall:

(1) Use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the student, including information provided by the parent, that may assist in determining:

(A) Whether the student is a student with a disability under sections 8-60-2 and 8-60-39; and

(B) The content of the student's IEP, including information related to enabling the student to be involved in and progress in the general education curriculum (or for a preschool student, to participate in appropriate activities);

(2) Not use any single measure or assessment as the sole criterion for determining whether a student is a student with a disability and for determining an appropriate educational program for the student; and

(3) Use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors.

(c) Other evaluation procedures. The department shall ensure that:

(1) Assessments and other evaluation materials used to assess a student:

(A) Are selected and administered so as not to be discriminatory on a racial or cultural basis;

(B) Are provided and administered in the student's native language or other mode of communication and in the form most likely to yield accurate information on what the student knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer;

(C) Are used for the purposes for which the assessments or measures are valid and reliable;

(D) Are administered by trained and knowledgeable personnel;
and

(E) Are administered in accordance with any instructions
provided by the producer of the assessments.

(2) Assessments and other evaluation materials include those
tailored to assess specific areas of educational need and not
merely those that are designed to provide a single general
intelligence quotient.

(3) Assessments are selected and administered so as best to
ensure that if an assessment is administered to a student with
impaired sensory, manual, or speaking skills, the assessment
results accurately reflect the student's aptitude or achievement
level or whatever other factors the test purports to measure,
rather than reflecting the student's impaired sensory, manual,
or speaking skills (unless those skills are the factors that the
test purports to measure).

(4) The student is assessed in all areas related to the
suspected disability, including, if appropriate, health, vision,
hearing, social and emotional status, general intelligence,
academic performance, communicative status, visual and auditory
processing, and motor abilities;

(5) Assessments of students with disabilities who transfer from
one public school to another public school in the same school
year are coordinated with those students' prior and subsequent
schools, as necessary and as expeditiously as possible to ensure
prompt completion of full evaluations.

(6) In evaluating each student with a disability under sections
8-60-36 through 8-60-38, the evaluation is sufficiently
comprehensive to identify all of the student's special education
and related services needs, whether or not commonly linked to
the disability category in which the student has been
classified.

(7) Assessment tools and strategies that provide relevant
information that directly assists persons in determining the
educational needs of the student are provided. [Eff 11/23/09]

§8-60-37 Additional requirements for evaluations and reevaluations.

(a) Review of existing evaluation data. As part of an initial evaluation (if appropriate) and as part of any reevaluation, the IEP team and other qualified professionals, as appropriate, shall:

(1) Review existing evaluation data on the student, including:

(A) Evaluations and information provided by the parents of the student;

(B) Current classroom-based or State assessments, and classroom-based observations; and

(C) Observations by teachers and related services providers; and

(2) On the basis of that review, and input from the student's parents, identify what additional data, if any, are needed to determine:

(A) (i) Whether the student is a student with a disability, as defined in sections 8-60-2 and 8-60-39 and the educational needs of the student; or

(ii) In case of a reevaluation of a student, whether the student continues to have such a disability, and the educational needs of the student;

(B) The present levels of academic achievement and related developmental needs of the student;

(C) (i) Whether the student needs special education and related services; or

(ii) In the case of a reevaluation of a student, whether the student continues to need special education and related services; and

(D) Whether any additions or modifications to the special education and related services are needed to enable the student to meet the measurable annual goals set out in the IEP of the student and to participate, as appropriate, in the general education curriculum.

(b) Conduct of review. The group described in subsection (a) may conduct its review without a meeting.

(c) Source of data. The department shall administer such assessments and other evaluation measures as may be needed to produce the data identified under subsection (a).

(d) Requirements if additional data are not needed.

(1) If the IEP team and other qualified professionals, as appropriate, determine that no additional data are needed to determine whether the student continues to be a student with a disability, and to determine the student's educational needs, the department shall notify the student's parents of:

(A) That determination and the reasons for the determination; and

(B) The right of the parents to request an assessment to determine whether the student continues to be a student with a disability, and to determine the student's educational needs.

(2) The department is not required to conduct the assessment described in paragraph (1)(B) unless requested to do so by the student's parents.

(e) Evaluations before change in eligibility.

(1) Except as provided in paragraph (2), the department shall evaluate a student with a disability in accordance with sections 8-60-36 through 8-60-43 before determining that the student is no longer a student with a disability.

(2) The evaluation described in paragraph (1) is not required before the termination of a student's eligibility due to graduation from secondary school with a regular diploma, or due to exceeding the age eligibility for a FAPE under State law.

(3) For a student whose eligibility terminates under circumstances described in paragraph (2), the department shall provide the student with a summary of the student's academic achievement and functional performance, which shall include recommendations on how to assist the student in meeting the student's postsecondary goals. [Eff 11/23/09] (Auth: 20 U.S.C. 1414(c), HRS §302A-1112) (Imp: 34 C.F.R. §300.305)

§8-60-38 Determination of eligibility. (a) General. Upon completion of the administration of assessments and other evaluation measures:

(1) A group of qualified professionals and the parent of the student determines whether the student is a student with a disability as defined in sections 8-60-2 and 8-60-39, in accordance with subsection (c) and the educational needs of the student; and

(2) The department provides a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent.

(b) Special rule for eligibility determination. A student shall not be determined to be a student with a disability:

(1) If the determinant factor for that determination is:

(A) Lack of appropriate instruction in reading, including the essential components of reading instruction (as defined in section 1208(3) of the ESEA);

(B) Lack of appropriate instruction in math; or §8-60-38

(C) Limited English proficiency; and

(2) If the student does not otherwise meet the eligibility criteria under sections 8-60-2 and 8-60-39.

(c) Procedures for determining eligibility and educational need.

(1) In interpreting evaluation data for the purpose of determining if a student is a student with a disability under sections 8-60-2 and 8-60-39, and the educational needs of the student, the department shall:

(A) Draw upon information from a variety of sources, including aptitude and achievement tests, parent input, and teacher recommendations, as well as information about the student's physical condition, social or cultural background, and adaptive behavior; and

(B) Ensure that information obtained from all of these sources is documented and carefully considered.

(2) If a determination is made that a student has a disability and needs special education and related services, an IEP shall

be developed for the student in accordance with sections 8-60-44 through 8-60-48.

(d) The student resides in the State and comes within the following age range:

(1) Is three years of age; and

(2) Under twenty on the first instructional day of the official school year calendar set by the department. A student who is under twenty years of age on the first instructional day of the school year set by the department, but who reaches the age of twenty during the school year, shall be eligible for the full school year, including extended school year when the requirements of section 8-60-7 are met. [Eff 11/23/09] (Auth: HRS §302A-1112) (Imp: HRS §§302A-101; 34 C.F.R. §§300.7; 300.306)

§8-60-39 Eligibility criteria.

(a) (1) Autism spectrum disorder. A student shall be eligible under the category of autism spectrum disorder if the student has a developmental disability significantly affecting verbal and nonverbal communication and social interaction, generally evident before age three, that adversely affects the student's educational performance. The student may have one or more of the following other characteristics often associated with autism spectrum disorder:

(A) Engagement in repetitive activities and stereotyped movements;

(B) Resistance to environmental change or change in daily routines;

(C) Unusual responses to sensory experiences.

(2) A student who manifests the characteristics of autism spectrum disorder after age three may be diagnosed as having autism spectrum disorder if the criteria in paragraph (1) are satisfied.

(3) A team of qualified professionals and the parent may not identify a student as having autism spectrum disorder if the student's educational performance is adversely affected

primarily because the student has an emotional disability pursuant to subsection (e).

(b) Deaf. A student shall be eligible under the disability category of deaf if the student has a hearing loss averaging greater than 70 decibels in the speech frequencies (500Hz to 4,000Hz) and:

(1) The hearing loss impairs the student's auditory processing of linguistic information through hearing, with or without amplification; or§8-60-39

(2) The hearing loss adversely affects the student's educational performance.

(c) Deaf-blindness. A student shall be eligible under the category of deaf-blindness:

(1) If the student meets the criteria under the category of deaf, or the category of hard of hearing, and the category of visual disability; and

(2) The concomitant hearing and visual disabilities cause severe communication and other developmental and educational needs.

(d) Developmental delay.

(1) A student, aged three through five, shall be eligible for any eligibility category in this subchapter if the applicable criteria are met, or for the category of developmental delay if, as measured by appropriate diagnostic instruments and procedures, one or more of the following is met:

(A) Cognitive development and adaptive behavior are delayed equivalent to one and one-half standard deviations below the mean when compared with the standard score expected for the chronological age.

(B) One of the following areas is delayed one and one-half standard deviations below a standard score for:

(i) Motor development, including fine motor, gross motor, sensory motor, and perceptual-motor development;

(ii) Communication, including speech and language development;

(iii) Academic development;

(iv) Adaptive behavior;

(2) A student, aged six through eight, shall be eligible for any eligibility category in this subchapter if the applicable criteria are met, or for the category of developmental delay if as measured by appropriate diagnostic instruments and procedures, three of the five areas are delayed one and one-half standard deviations below a standard score for:

(A) Motor development, including fine motor, gross motor, sensory motor, and perceptual-motor development;

(B) Communication, including speech and language development;

(C) Academic development;

(D) Adaptive behavior;

(E) Cognition.

(3) If assessment materials would not conclusively demonstrate eligibility as required under paragraphs (1) or (2), the team of qualified professionals and the parent may find the student eligible under the category of developmental delay if the team determines the student's patterns of learning deviate from age expectations across settings. The documentation of eligibility required by section 8-60-38 shall include a statement of the patterns of learning that deviate from age expectations across settings and the basis and method used in determining eligibility.

(e) Emotional disability.

(1) A student shall be eligible under the disability category of emotional disability if the student exhibits one or more of the following characteristics over a long period of time and to a marked degree that adversely affect the student's educational performance:

(A) An inability to learn that cannot be explained by intellectual, sensory, or health factors;

(B) An inability to build or maintain satisfactory interpersonal relationships with peers and teachers;

(C) Inappropriate types of behavior or feelings under normal circumstances;§8-60-39

(D) A general pervasive mood of unhappiness or depression;

(E) A tendency to develop physical symptoms or fears associated with personal or school problems.

(2) A student shall not be determined to be a student with a disability under this category, if paragraph (1) is primarily the result of cultural, or language differences, or both.

(3) Emotional disability includes schizophrenia. Emotional disability does not apply to a student who is socially maladjusted, unless it is determined that the student has an emotional disability.

(f) Hard of hearing. A student shall be eligible under the disability category of hard of hearing if the student has a hearing loss, whether permanent or fluctuating, averaging 26 to 70 decibels in the speech frequencies (500 Hz to 4,000 Hz), and:

(1) The hearing loss impairs the student's auditory processing of linguistic information, with or without amplification; or

(2) The hearing impairment adversely affects the student's educational performance.

(g) Intellectual disability. A student shall be eligible under the disability category of intellectual disability when all of the following are met:

(1) The student has subaverage general intellectual functioning, as demonstrated by evidence of intellectual functioning two or more standard deviations below the mean;

(2) The subaverage intellectual functioning exists concurrently with deficits in at least two adaptive skill areas; and

(3) The subaverage intellectual functioning and deficits in adaptive skill areas were manifested during the developmental period and adversely affect the student's educational performance.

(h) Multiple disabilities.

(1) A student shall be eligible under the category of multiple disabilities if the student has concomitant impairments, the combination of which causes severe educational needs and all of the following criteria are met:

(A) The student has subaverage general intellectual functioning, as demonstrated by evidence of intellectual functioning three or more standard deviations below the mean;

(B) The subaverage intellectual functioning exists concurrently with deficits in at least two adaptive skill areas;

(C) The subaverage intellectual functioning and deficits in adaptive skill areas were manifested during the developmental period and adversely affect the student's educational performance; and

(D) The student is not eligible under the category of deaf-blindness, as set forth in subsection (c), and the student is eligible under one or more of the following disability categories:

(i) Autism spectrum disorder, as set forth in subsection (a);

(ii) Deaf, as set forth in subsection (b);

(iii) Hard of hearing, as set forth in subsection (f);

(iv) Orthopedic disability, as set forth in subsection (i);

(v) Other health disability, as set forth in subsection (j); or

(vi) Visual disability including blindness, as set forth in subsection (n);

(2) If assessment materials would not conclusively demonstrate eligibility as required under paragraph(1), the team of qualified professionals and the parent may find the student eligible under the category of multiple disabilities if the criteria in paragraph (1)(A) to (C) are met and the team documents the existence of a concomitant disability in the determination of eligibility. The documentation of eligibility

shall include a statement of the concomitant disability and the basis and method used in determining eligibility.

(i) Orthopedic disability. A student shall be eligible under the disability category of orthopedic disability if there is medical evidence that a severe orthopedic disability exists that adversely affects the student's educational performance. The term includes disabilities caused by congenital anomaly, disabilities caused by disease (e.g., poliomyelitis, bone tuberculosis), and disabilities from other causes (e.g., cerebral palsy, amputations, and fractures or burns that cause contractures).

(j) Other health disability. A student shall be eligible under the category of other health disability if both of the following are met:

(1) The student has limited strength, vitality or alertness, including a heightened alertness to environmental stimuli, that results in limited alertness with respect to the educational environment, that is due to chronic or acute health problems or a medically fragile condition such as asthma, attention deficit disorder or attention deficit hyperactivity disorder, diabetes, epilepsy, a heart condition, hemophilia, lead poisoning, leukemia, nephritis, rheumatic fever, sickle cell anemia, and Tourette syndrome; and

(2) The health disability adversely affects the student's educational performance.

(k) Specific learning disability.

(1) General. Specific learning disability means a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, that may manifest itself in the imperfect ability to listen, think, speak, read, write, spell, or to do mathematical calculations, including conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia;

(2) Disorders not included. Specific learning disability does not include learning problems that are primarily the result of visual, hearing, or motor disabilities; intellectual disability; emotional disability; or environmental, cultural, or economic disadvantage.

(l) Speech or language disability. A student shall be eligible under the category of speech or language disability when a significant problem in the comprehension or production, or both, of an oral communication system, which is not consistent with the student's other developmental or cognitive abilities, or both, adversely affects the student's educational performance and is evident in one or more of the following:

(1) Articulation or phonological condition, or both;

(2) Voice condition;

(3) Fluency condition;

(4) Language conditions, as documented by:

(A) Multiple sources of data; and

(m) Traumatic brain injury.

(1) A student shall be eligible under the category of traumatic brain injury if both of the following are met:

(A) There is medical evidence that the student has an acquired injury to the brain, caused by an external physical force, resulting in total or partial functional disability or psychosocial impairment, or both that adversely affects the student's educational performance; and

(B) The traumatic brain injury is either an open or closed head injury, resulting in impairments in one or more areas such as:

(i) Cognition;

(ii) Language;

(iii) Memory;

(iv) Attention;

(v) Reasoning;

- (vi) Abstract thinking;
- (vii) Judgment;
- (viii) Problem-solving;
- (ix) Sensory, perceptual and motor abilities;
- (x) Psychosocial behavior;

(2) The team of qualified professionals and the parent may not identify a student as having a traumatic brain injury if the brain injury is congenital or degenerative, or induced by birth trauma.

(n) Visual disability including blindness. A student shall be eligible for the disability category of visual disability, including both partial sight and blindness, if the impairment in vision, even with the best correction, adversely affects the student's educational performance and one or more of the following are met:

(1) Partially-sighted. The student's visual acuity is 20/70 to 20/200 in the better eye and with the best correction;

(2) Blind. The student's visual acuity is 20/200 in the better eye and with the best correction, or less, or the student has a subtended visual field of less than 20 degrees, regardless of central visual acuity;

(3) The student has a progressive visual impairment, such as retinitis pigmentosa, that will lead to eventual visual disability as set forth in paragraphs (1) and (2). [Eff 11/23/09] (Auth: 20 U.S.C. 1414(b)(4) and (5), HRS §302A-1112) (Imp: HRS §§302A-101; 302A-439; 34 C.F.R. §§300.8, 300.306, and 300.534)

§8-60-40 Additional group members. The determination of whether a student suspected of having a specific learning disability is a student with a disability as defined in section 8-60-39(k), shall be made by the student's parents and a team of qualified professionals, which shall include:

(1) (A) The student's regular teacher;

(B) If the student does not have a regular teacher, a regular classroom teacher qualified to teach a student of his or her age; or

(C) For a student of less than school age, an individual qualified by the department to teach a student of his or her age; and

(2) At least one person qualified to conduct individual diagnostic examinations of students, such as a school psychologist, speech-language pathologist, or remedial reading teacher. [Eff 11/23/09] (Auth: 20 U.S.C. 1221e-3; 1401(30); 1414(b)(6); HRS §302A-1112) (Imp: 34 C.F.R. §300.308)

§8-60-41 Determining the existence of a specific learning disability.

(a) The group described in section 8-60-38 may determine that a student has a specific learning disability, as defined in section 8-60-39(k), if:

(1) (A) The student does not achieve adequately for the student's age or to meet State-approved grade-level standards in one or more of the following areas, when provided with learning experiences and instruction appropriate for the student's age or State-approved grade-level standards:

(i) Oral expression;

(ii) Listening comprehension;

(iii) Written expression;

(iv) Basic reading skill (including phonemic awareness, phonics, and/or vocabulary);

(v) Reading fluency skills;

(vi) Reading comprehension;

(vii) Mathematics calculation;

(viii) Mathematics problem solving; or

(B) The student demonstrates a severe discrepancy between actual achievement and intellectual ability by a difference of at least one and one-half standard deviations in one or more of the areas in subparagraph(A); and

(2) (A) The student does not make sufficient progress to meet age or State-approved grade-level standards in one or more of the areas identified in paragraph(1) (A) when using a process based on the student's response to scientific, research-based intervention; or

(B) The student exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, State-approved grade-level standards, or intellectual development, that is determined by the group to be relevant to the identification of a specific learning disability, using appropriate assessments, consistent with sections 8-60-36 and 8-60-37; and

(3) The group determines that its findings under paragraphs (1) (A) and (2) (A) are not primarily the result of:

(A) A visual, hearing, or motor disability;

(B) Intellectual disability;

(C) Emotional disability;

(D) Cultural factors;

(E) Environmental or economic disadvantage; or

(F) Limited English proficiency.

(b) To ensure that underachievement in a student suspected of having a specific learning disability is not due to lack of appropriate instruction in reading or math, the group shall consider, as part of the evaluation described in sections 8-60-36 through 8-60-38:

(1) Data that demonstrate that prior to, or as a part of, the referral process, the student was provided appropriate instruction in regular education settings, delivered by qualified personnel; and

(2) Data-based documentation of repeated assessments of achievement at reasonable intervals, reflecting formal

assessment of student progress during instruction, which was provided to the student's parents.

(c) The department shall promptly request parental consent to evaluate the student to determine if the student needs special education and related services, and shall adhere to the timeframes described in sections 8-60-33 and 8-60-35, unless extended by mutual written agreement of the student's parents and a group of qualified professionals, as described in section 8-60-38(a)(1):

(1) If, prior to a referral, a student has not made adequate progress after an appropriate period of time when provided instruction, as described in subsections (b)(1) and (b)(2); and §8-60-43

(2) Whenever a student is referred for an evaluation. [Eff 11/23/09] (Auth: 20 U.S.C. 1221e-3; 1401(30); 1414(b)(6), HRS §302A-1112) (Imp: 34 C.F.R. §300.309)

§8-60-42 Observation. (a) The department shall ensure that the student is observed in the student's learning environment (including the regular classroom setting) to document the student's academic performance and behavior in the areas of difficulty.

(b) The group described in section 8-60-38(a)(1), in determining whether a student has a specific learning disability, shall decide to:

(1) Use information from an observation in routine classroom instruction and monitoring of the student's performance that was done before the student was referred for an evaluation; or

(2) Have at least one member of the group described in section 8-60-38(a)(1) conduct an observation of the student's academic performance in the regular classroom after the student has been referred for an evaluation and parental consent, consistent with section 8-60-31(a), is obtained.

(c) In the case of a student of less than school age or out of school, a group member shall observe the student in an environment appropriate for a student of that age. [Eff 11/23/09] (Auth: 20 U.S.C. 1221e-3; 1401(30); 1414(b)(6), HRS §302A-1112) (Imp: 34 C.F.R. §300.310)

§8-60-43 Specific documentation for the eligibility determination. (a) For a student suspected of having a specific learning disability, the documentation of the determination of eligibility, as required in section 8-60-38(a)(2), shall contain a statement of:

- (1) Whether the student has a specific learning disability;
- (2) The basis for making the determination, including an assurance that the determination has been made in accordance with section 8-60-38(c)(1);
- (3) The relevant behavior, if any, noted during the observation of the student and the relationship of that behavior to the student's academic functioning;

§8-60-47 When IEPs shall be in effect. (a) General. At the beginning of each school year, the department shall have in effect, for each student with a disability within its jurisdiction, an IEP, as defined in section 8-60-44.

(b) IEP for students aged three through five. In the case of a student with a disability aged three through five, in the development of an IEP, the IEP team shall consider the IFSP content (including the natural environments statement) described in section 636(d) of the Act and its implementing regulations (including an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills for students with IFSPs under this section who are at least three years of age).

(c) Initial IEPs; provision of services. The department shall ensure that:

(1) A meeting to develop an IEP for a student is conducted within 15 days after the receipt of parental consent for the initial provision of special education and related services by the department; and

(2) As soon as possible following development of the IEP, special education and related services are made available to the student in accordance with the student's IEP.

(d) Accessibility of student's IEP to teachers and others. The department shall ensure that:

(1) The student's IEP is accessible to each regular education teacher, special education teacher, related services provider, and any other service provider who is responsible for its implementation; and

(2) Each teacher and provider described in paragraph (1) is informed of:

(A) His or her specific responsibilities related to implementing the student's IEP; and

(B) The specific accommodations, modifications, and supports that shall be provided for the student in accordance with the IEP.

(e) IEPs for students who transfer from another state. If a student with a disability (who had an IEP that was in effect in a previous public school in another state) transfers and enrolls in a Hawaii public school, within the same school year, the new public school (in consultation with the parents) shall provide the student with a FAPE (including services comparable to those described in the student's IEP from the previous public school), until the new public school:

(1) Conducts an evaluation pursuant to sections 8-60-36 through 8-60-38 (if determined to be necessary); and

(2) Develops, adopts, and implements a new IEP, if appropriate, that meets the applicable requirements in sections 8-60-44 through 8-60-48.

(f) Transmittal of records. To facilitate the transition for a student described in subsection (e), the new public school in which the student enrolls shall take reasonable steps to promptly obtain the student's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the student, from the previous public school in which the student was enrolled, pursuant to 34 CFR 99.31(a)(2). [Eff 11/23/09] (Auth: 20 U.S.C. 1414(d)(2)(A)-(C), HRS §302A-1112) (Imp: 34 C.F.R. §300.323)

§8-60-48 Development, review, and revision of IEP. (a) Development of IEP:(1) General. In developing each student's IEP, the IEP team shall consider:

(A) The strengths of the student;

(B) The concerns of the parents for enhancing the education of their student;

(C) The results of the initial or most recent evaluation of the student; and

(D) The academic, developmental, and functional needs of the student.

(2) Consideration of special factors. The IEP team shall:

(A) In the case of a student whose behavior impedes the student's learning or that of others, consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior;

(B) In the case of a student with limited English proficiency, consider the language needs of the student as those needs relate to the student's IEP;

(C) In the case of a student who is blind or visually impaired, provide for instruction in Braille and the use of Braille unless the IEP team determines, after an evaluation of the student's reading and writing skills, needs, and appropriate reading and writing media (including an evaluation of the student's future needs for instruction in Braille or the use of Braille), that instruction in Braille or the use of Braille is not appropriate for the student;

(D) Consider the communication needs of the student including students who are deaf or hearing impaired. This consideration includes a review of the student's language and communication needs, opportunities for direct communications with peers and professional personnel in the student's language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the student's language and communication mode; and

(E) Consider whether the student needs assistive technology devices and services.

(3) Requirement with respect to regular education teacher. A regular education teacher of a student with a disability, as a member of the IEP team, shall, to the extent appropriate, participate in the development of the IEP of the student, including the determination of:

(A) Appropriate positive behavioral interventions and supports and other strategies for the student; and

(B) Supplementary aids and services, program modifications, and support for school personnel consistent with section 8-60-44(a)(4).

(4) Agreement. (A) In making changes to a student's IEP after the annual IEP team meeting for a school year, the parent of a student with a disability and the department may agree not to convene an IEP team meeting for the purposes of making those changes, and instead may develop a written document to amend or modify the student's current IEP.

(B) If changes are made to the student's IEP in accordance with subparagraph (A), the department shall ensure that the student's IEP team is informed of those changes.

(5) Consolidation of IEP team meetings. To the extent possible, the department shall encourage the consolidation of reevaluation meetings for the student and other IEP team meetings for the student.

(6) Amendments. Changes to the IEP may be made either by the entire IEP team at an IEP team meeting, or as provided in paragraph (4), by amending the IEP rather than by redrafting the entire IEP. A parent shall be provided with a revised copy of the IEP with the amendments incorporated.

(b) Review and revision of IEPs:(1) General. The department shall ensure that, subject to paragraphs (2) and (3), the IEP team:

(A) Reviews the student's IEP periodically, but not less than annually, to determine whether the annual goals for the student are being achieved; and

(B) Revises the IEP, as appropriate, to address:

(i) Any lack of expected progress toward the annual goals described in section 8-60-44(a)(2), and in the general education curriculum, if appropriate;

(ii) The results of any reevaluation conducted under section 8-60-35;

(iv) The student's anticipated needs; or

(v) Other matters.

(2) Consideration of special factors. In conducting a review of the student's IEP, the IEP team shall consider the special factors described in subsection (a)(2).

(3) Requirement with respect to regular education teacher. A regular education teacher of the student, as a member of the IEP team, shall, consistent with subsection (a)(3), participate in the review and revision of the IEP of the student.

(c) Failure to meet transition objectives:

(1) Participating agency failure. If a participating agency, other than the department, fails to provide the transition services described in the IEP in accordance with section 8-60-44(b), the department shall reconvene the IEP team to identify alternative strategies to meet the transition objectives for the student set out in the IEP.

(2) Construction. Nothing in this chapter relieves any participating agency, including a State vocational rehabilitation agency, of the responsibility to provide or pay for any transition service that the agency would otherwise provide to students with disabilities who meet the eligibility criteria of that agency.

(d) Students with disabilities in adult prisons:

(1) Requirements that do not apply. The following requirements do not apply to students with disabilities who are convicted as adults under State law and incarcerated in adult prisons:

(A) The requirements contained in section 612(a)(16) of the Act and section 8-60-44(a)(6) (relating to participation of students with disabilities in general assessments).

(B) The requirements in section 8-60-44(b) (relating to transition planning and transition services) do not apply with respect to the students whose eligibility under this chapter will end, because of their age, before they will be eligible to be released from prison based on consideration of their sentence and eligibility for early release.

(2) Modifications of IEP or placement. (A) Subject to subsection (d) (2) (B), the IEP team of a student with a disability who is convicted as an adult under State law and incarcerated in an adult prison may modify the student's IEP or placement if the State has demonstrated a bona fide security or compelling penological interest that cannot otherwise be accommodated.

(B) The requirements of sections 8-60-44 (relating to IEPs), and 8-60-15, do not apply with respect to the modifications described in subsection (d) (2) (A). [Eff 11/23/09] (Auth: 20 U.S.C. 1412(a) (1), 1412(a) (12) (A) (i), 1414(d) (3), (4) (B), and (7); and 1414(e), HRS §302A-1112) (Imp: 34 C.F.R. §300.324)

§8-60-49 Private school placements by the department. (a) Developing IEPs. (1) Before the department places a student with a disability in, or refers a student to, a private school or facility, the department shall initiate and conduct a meeting to develop an IEP for the student in accordance with sections 8-60-44 and 8-60-48.

(2) The department shall ensure that a representative of the private school or facility attends the meeting. If the representative cannot attend, the department shall use other methods to ensure participation by the private school or facility, including individual or conference telephone calls.

(b) Reviewing and revising IEPs. (1) After a student with a disability enters a private school or facility, any meetings to review and revise the student's IEP may be initiated and conducted by the private school or facility at the discretion of the department.

(2) If the private school or facility initiates and conducts these meetings, the department shall ensure that the parents and a department representative:

(A) Are involved in any decision about the student's IEP;
and

(B) Agree to any proposed changes in the IEP before those changes are implemented.

(c) Responsibility. Even if a private school or facility implements a student's IEP, responsibility for compliance with Part B of the Act

remains with the department. [Eff 11/23/09] (Auth: 20 U.S.C. 1412(a)(10)(B), HRS §302A-1112) (Imp: 34 C.F.R. §300.325)

§8-60-50 Educational placements. Consistent with section 8-60-56(c), the department shall ensure that the parents of each student with a disability are members of any group that makes decisions on the educational placement of their student. [Eff 11/23/09] (Auth: 20 U.S.C. 1414(e), HRS §302A-1112) (Imp: 34 C.F.R. §300.327)

§8-60-51 Alternative means of meeting participation. When conducting IEP team meetings and placement meetings pursuant to this chapter, and carrying out administrative matters under section 615 of the Act (such as scheduling, exchange of witness lists, and status conferences), the parent of a student with a disability and the department may agree to use alternative means of meeting participation, such as video conferences and conference calls. [Eff 11/23/09] (Auth: 20 U.S.C. 1414(f), HRS §302A-1112) (Imp: 34 C.F.R. §300.328)

§8-60-56 Opportunity to examine records; parent participation in meetings. (a) Opportunity to examine records. The parents of a student with a disability shall be afforded an opportunity to inspect and review all education records with respect to:

(1) The identification, evaluation, and educational placement of the student; and

(2) The provision of a FAPE to the student.

(b) Parent participation in meetings. (1) The parents of a student with a disability shall be afforded an opportunity to participate in meetings with respect to:

(A) The identification, evaluation, and educational placement of the student; and

(B) The provision of a FAPE to the student.

(2) The department shall provide notice consistent with sections 8-60-46(a)(1) and (b)(1) to ensure that parents of students with disabilities have the opportunity to participate in meetings described in paragraph (1).

(3) A meeting does not include informal or unscheduled conversations involving department personnel and conversations on issues such as teaching methodology, lesson plans, or

coordination of service provision. A meeting also does not include preparatory activities that department personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

(c) Parent involvement in placement decisions. (1) The department shall ensure that a parent of each student with a disability is a member of any group that makes decisions on the educational placement of the parent's student.

(2) In implementing the requirements of paragraph (1), the department shall use procedures consistent with the procedures described in section 8-60-46(a) through (b)(1).

(3) If neither parent can participate in a meeting in which a decision is to be made relating to the educational placement of their student, the department shall use other methods to ensure their participation, including individual or conference telephone calls, or video conferencing.

(4) A placement decision may be made by a group without the involvement of a parent, if the department is unable to obtain the parent's participation in the decision. In this case, the department shall have a record of its attempt to ensure their involvement. [Eff 11/23/09] (Auth: 20 U.S.C. 1414(e), 1415(b)(1), HRS §302A-1112) (Imp: 34 C.F.R. §300.501)

§8-60-57 Independent educational evaluation. (a) General. (1) The parents of a student with a disability have the right to obtain an independent educational evaluation of the student, subject to subsections (b) through (e).

(2) The department shall provide to parents, upon request for an independent educational evaluation, information about where an independent educational evaluation may be obtained, and the department criteria applicable for independent educational evaluations as set forth in subsection (e).

(3) For the purposes of this chapter:

(A) Independent educational evaluation means an evaluation conducted by a qualified examiner who is not employed by the department; and

(B) Public expense means that the department either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent.

(b) Parent right to evaluation at public expense.

(1) A parent has the right to an independent educational evaluation at public expense if the parent disagrees with an evaluation obtained by the department, subject to the conditions in paragraphs (2) through (4).

(2) If a parent requests an independent educational evaluation at public expense, the department shall, without unnecessary delay, either:

(A) File a due process complaint to request a hearing to show that its evaluation is appropriate; or

(B) Ensure that an independent educational evaluation is provided at public expense, unless the department demonstrates in a hearing pursuant to sections 8-60-61 through 8-60-67 that the evaluation obtained by the parent did not meet department criteria.

(3) If the department files a due process complaint notice to request a hearing and the final decision is that the department's evaluation is appropriate, the parent still has the right to an independent educational evaluation, but not at public expense.

(4) If a parent requests an independent educational evaluation, the department may ask for the parent's reason why he or she objects to the public evaluation. However, the department may not require the parent to provide an explanation and may not unreasonably delay either providing the independent educational evaluation at public expense or filing a due process complaint to request a due process hearing to defend the public evaluation.

(5) A parent is entitled to only one independent educational evaluation at public expense each time the department conducts an evaluation with which the parent disagrees.

(c) Parent-initiated evaluations. If the parent obtains an independent educational evaluation at public expense or shares with

the department an evaluation obtained at private expense, the results of the evaluation:

(1) Shall be considered by the department, if it meets department criteria, in any decision made with respect to the provision of a FAPE to the student; and

(2) May be presented by any party as evidence at a hearing on a due process complaint under this chapter regarding that student.

(d) Requests for evaluations by hearing officers. If a hearing officer requests an independent educational evaluation as part of a hearing on a due process complaint, the cost of the evaluation shall be at public expense.

(e) Department criteria. (1) If an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, shall be the same as the criteria that the department uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an independent educational evaluation.

(2) Except for the criteria described in paragraph (1), the department may not impose conditions or timelines related to obtaining an independent educational evaluation at public expense. [Eff 11/23/09] (Auth: 20 U.S.C. 1415(b)(1) and (d)(2)(A), HRS section 302A-1112) (Imp: 34 C.F.R. section 300.502)

(3) Except where the parties have jointly agreed to waive the resolution process or to use mediation, notwithstanding paragraphs (1) and (2), the failure of the parent filing a due process complaint to participate in the resolution meeting will delay the timelines for the resolution process and due process hearing until the meeting is held.

(4) If the department is unable to obtain the participation of the parent in the resolution meeting after reasonable efforts have been made (and documented using the procedures in section 8-60-46(d)), the department may, at the conclusion of the 30-day period, request that a hearing officer dismiss the parent's due process complaint.

(5) If the department fails to hold the resolution meeting specified in subsection (a) within 15 days of receiving notice of a parent's due process complaint or fails to participate in the resolution meeting, the parent may seek the intervention of a hearing officer to begin the due process hearing timeline.

(D) The negative effects denying the request for an extension;

(E) The intent of this chapter and federal laws to expedite an informal administrative proceeding; and

(F) Whether granting the extension will override the intent of the law in favor of the convenience of the parties.

(2) Absent a compelling reason or a specific showing of substantial hardship, a request for an extension shall not be granted. Agreement of the parties is not a sufficient basis for granting an extension.

(3) The impartial hearing officer shall respond in writing to each request for an extension. The response shall include findings of fact and conclusions as to why good cause exists. The response shall become part of the record. The impartial hearing officer shall set a new date for rendering his or her decision, and notify the parties in writing of such date.

(c) Each hearing and each review involving oral arguments shall be conducted at a time and place that is reasonably convenient to the parents and student involved. [Eff 11/23/09] (Auth: 20 U.S.C. 1415(f)(1)(B)(ii), 1415(g), 1415(i)(1), HRS §302A-1112) (Imp: 34 C.F.R. §300.515)

§8-60-70 Civil action. (a) General. Any party aggrieved by the findings and decision made under sections 8-60-61 through 8-60-67 or sections 8-60-75 through 8-60-79 has the right to bring a civil action with respect to the due process complaint notice requesting a due process hearing under section 8-60-61 or sections 8-60-75 through 8-60-77. The action may be brought in any State court of competent jurisdiction or in a district court of the United States without regard to the amount in controversy.

(b) Time limitation. The party bringing the action shall have 30 days from the date of the decision of the hearing officer to file a civil action, or, in the time allowed by State law.

(c) Additional requirements. In any action brought under subsection (a), the court:

- (1) Receives the records of the administrative proceedings;
- (2) Hears additional evidence at the request of a party; and
- (3) Basing its decision on the preponderance of the evidence, grants the relief that the court determines to be appropriate.

(d) Jurisdiction of district courts. The district courts of the United States have jurisdiction of actions brought under section 615 of the Act without regard to the amount in controversy.

(e) Rule of construction. Nothing in this chapter restricts or limits the rights, procedures, and remedies available under the Constitution, the Americans with Disabilities Act of 1990, title V of the Rehabilitation Act of 1973, or other Federal laws protecting the rights of students with disabilities, except that before the filing of a civil action under these laws seeking relief that is also available under section 615 of the Act, the procedures under sections 8-60-61 and 8-60-68 shall be exhausted to the same extent as would be required had the action been brought under section 615 of the Act. [Eff 11/23/09] (Auth: 20 U.S.C. 1415(i)(2) and (3)(A), 1415(l), HRS §302A-1112) (Imp: 34 C.F.R. §300.516)

§8-60-71 Attorneys' fees. (a) In general. In any action or proceeding brought under section 615 of the Act, the court, in its discretion, may award reasonable attorneys' fees as part of the costs to:

(1) The prevailing party who is the parent of a student with a disability;

(2) To a prevailing party who is the department against the attorney of a parent who files a complaint or subsequent cause of action that is frivolous, unreasonable, or without foundation, or against the attorney of a parent who continued to litigate after the litigation clearly became frivolous, unreasonable, or without foundation; or

(3) To the department prevailing against the attorney of a parent, or against the parent, if the parent's request for a due process hearing or subsequent cause of action was presented for any improper purpose, such as to harass, to cause unnecessary delay, or to needlessly increase the cost of litigation.

(b) Prohibition on use of funds. (1) Funds under Part B of the Act may not be used to pay attorneys' fees or costs of a party related to any action or proceeding under section 615 of the Act and sections 8-60-56 through 8-60-81.

(2) Paragraph (1) does not preclude the department from using funds under Part B of the Act for conducting an action or proceeding under section 615 of the Act.

(c) Award of fees. A court awards reasonable attorneys' fees under section 615(i)(3) of the Act consistent with the following:

(1) Fees awarded under section 615(i)(3) of the Act shall be based on rates prevailing in the community in which the action or proceeding arose for the kind and quality of services furnished. No bonus or multiplier may be used in calculating the fees awarded under this paragraph.

(2) (A) Attorneys' fees may not be awarded and related costs may not be reimbursed in any action or proceeding under section 615 of the Act for services performed subsequent to the time of a written offer of settlement to a parent if:

(i) The offer is made within the time prescribed by Rule 68 of the Federal Rules of Civil Procedure or, in the case of an administrative proceeding, at any time more than 10 days before the proceeding begins;

(ii) The offer is not accepted within 10 days; and

(iii) The court or administrative hearing officer finds that the relief finally obtained by the parents is not more favorable to the parents than the offer of settlement.

(B) Attorneys' fees may not be awarded relating to any meeting of the IEP team unless the meeting is convened as a result of an administrative proceeding or judicial action, or at the discretion of the State, for a mediation described in section 8-60-60.

(C) A meeting conducted pursuant to section 8-60-64 shall not be considered:

(i) A meeting convened as a result of an administrative hearing or judicial action; or

(ii) An administrative hearing or judicial action for purposes of this subchapter.

(3) Notwithstanding paragraph (2), an award of attorneys' fees and related costs may be made to a parent who is the prevailing party and who was substantially justified in rejecting the settlement offer.

(4) Except as provided in paragraph (5), the court reduces, accordingly, the amount of the attorneys' fees awarded under section 615 of the Act, if the court finds that:

(A) The parent, or the parent's attorney, during the course of the action or proceeding, unreasonably protracted the final resolution of the controversy;

(B) The amount of the attorneys' fees otherwise authorized to be awarded unreasonably exceeds the hourly rate prevailing in the community for similar services by attorneys of reasonably comparable skill, reputation, and experience;

(C) The time spent and legal services furnished were excessive considering the nature of the action or proceeding; or

(D) The attorney representing the parent did not provide to the department the appropriate information in the due process request notice in accordance with section 8-60-62.

(5) The provisions of paragraph (4) do not apply in any action or proceeding if the court finds that the department unreasonably protracted the final resolution of the action or proceeding or there was a violation of section 615 of the Act. [Eff 11/23/09] (Auth: 20 U.S.C. 1415(i)(3)(B)-(G), HRS §302A-1112) (Imp: 34 C.F.R. §300.517)

§8-60-72 Student's status during proceedings. (a) Except as provided in section 8-60-78, during the pendency of any administrative or judicial proceeding regarding a due process complaint notice requesting a due process hearing under section 8-60-61, unless the department and the parents of the student agree otherwise, the student involved in the complaint shall remain in his or her current educational placement.

(b) If the complaint involves an application for initial admission to public school, the student, with the consent of the parents, shall be placed in the public school until the completion of all the proceedings.

(c) If the complaint involves an application for initial services from a student who is transitioning from Part C of the Act to Part B and is no longer eligible for Part C services because the student has turned three, the department is not required to provide the Part C services that the student had been receiving. If the student is found eligible for special education and related services under Part B and

the parent consents to the initial provision of special education and related services under section 8-60-31(b), then the department shall provide those special education and related services that are not in dispute between the parent and the department.

(d) If the hearing officer in a due process hearing conducted by the department agrees with the student's parents that a change of placement is appropriate, that placement shall be treated as an agreement between the State and the parents for purposes of subsection (a). [Eff 11/23/09] (Auth: 20 U.S.C. 1415(j), HRS §302A-1112) (Imp: 34 C.F.R. §300.518)

§8-60-73 Surrogate parents. (a) General. The department shall ensure that the rights of a student are protected when:

- (1) No parent (as defined in section 8-60-2) can be identified;
- (2) The department, after reasonable efforts, cannot locate a parent;
- (3) The student is a ward of the State under the laws of that State; or
- (4) The student is an unaccompanied homeless youth as defined in section 725(6) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(6)).

(b) Duties of the department. The duties of the department under subsection (a) include the assignment of an individual to act as a surrogate for the parents. This shall include a method:

- (1) For determining whether a student needs a surrogate parent; and
- (2) For assigning a surrogate parent to the student.

(c) Wards of the State. In the case of a student who is a ward of the State, the surrogate parent alternatively may be appointed by the judge overseeing the student's case, provided that the surrogate meets the requirements in subsections (d)(2)(A) and (e).

(d) Criteria for selection of surrogate parents. (1) The department may select a surrogate parent in any way permitted under State law.

(2) The department shall ensure that a person selected as a surrogate parent:

(A) Is not an employee of the department or any other agency that is involved in the education or care of the student;

(B) Has no personal or professional interest that conflicts with the interest of the student the surrogate parent represents; and

(C) Has knowledge and skills that ensure adequate representation of the student.

(e) Non-employee requirement; compensation. A person otherwise qualified to be a surrogate parent under subsection (d) is not an employee of the department solely because he or she is paid by the department to serve as a surrogate parent.

(f) Unaccompanied homeless youth. In the case of a student who is an unaccompanied homeless youth, appropriate staff of emergency shelters, transitional shelters, independent living programs, and street outreach programs may be appointed as temporary surrogate parents without regard to subsection (d)(2)(A), until a surrogate parent can be appointed that meets all of the requirements of subsection (d).

(g) Surrogate parent responsibilities. The surrogate parent may represent the student in all matters relating to:

(1) The identification, evaluation, and educational placement of the student; and

(2) The provision of a FAPE to the student.

(h) Department responsibility. The department shall make reasonable efforts to ensure the assignment of a surrogate parent not more than 30 days after the department determines that the student needs a surrogate parent. [Eff 11/23/09] (Auth: 20 U.S.C. 1415(b)(2), HRS §302A-1112) (Imp: 34 C.F.R. §300.519)

§8-60-74 Transfer of parental rights at age of majority. General. A State may provide that, when a student with a disability reaches the age of majority under State law that applies to all students (except for a student with a disability who has been determined to be incompetent under State law):

(a) (1) The department shall provide any notice required by this chapter to both the student and the parents; and

(2) All rights accorded to parents under Part B of the Act transfer to the student;

(b) All rights accorded to parents under Part B of the Act transfer to students who are incarcerated in an adult or juvenile, State or local correctional institution; and

(c) Whenever the State provides for the transfer of rights pursuant to subsection (a), the department shall notify the student and the parents of the transfer of rights. [Eff 11/23/09] (Auth: 20 U.S.C. 1415(m), HRS §302A-1112) (Imp: 34 C.F.R. §300.520)

SUBCHAPTER 9

Discipline Procedures

§8-60-75 Authority of school personnel. (a) Case-by-case determination. School personnel may consider any unique circumstances on a case-by-case basis when determining whether a change in placement, consistent with the other requirements of this subchapter, is appropriate for a student with a disability who violates chapter 8-19.

(b) General.

(1) School personnel under this subchapter may remove a student with a disability who violates school rules from the student's current placement to an appropriate interim alternative educational setting, another setting, or suspension for not more than 10 cumulative school days (to the extent those alternatives are applied to students without disabilities) in that same school year for one or separate incidents of misconduct;

(2) After a student with a disability has been removed from the student's current placement for ten school days in the same school year, during any subsequent days of removal the department shall provide services to the extent required under subsection (d);

(3) "Current educational placement" means the type of educational placement of the student as described in the student's annual IEP. It does not mean the specific location or school, but the type of placement on the continuum of placement options (e.g., regular classroom with support; regular classroom with resource room support; special class; special school; home, etc.).

(c) Additional authority. For disciplinary changes in placement that would exceed ten consecutive or cumulative school days, if the behavior that gave rise to the violation of chapter 8-19 is determined not to be a manifestation of the student's disability pursuant to subsection (e), school personnel may apply the relevant disciplinary procedures to students with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities, except as provided in subsection (d).

(d) Services.

(1) A student with a disability who is removed from the student's current placement pursuant to subsection (c) or (g), shall:

(A) Continue to receive educational services, as provided in section 8-60-3(a), so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's IEP; and

(B) Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur;

(2) The services required by paragraphs (1), (3), and (4) may be provided in an interim alternative educational setting.

(3) When a student with a disability has been removed from his or her current placement for 10 school days or less in the same school year, that student may be provided with an alternate educational option (such as homework, projects, class assignments) in the same manner as a student without a disability who is similarly removed, in accordance with chapter 8-19.

(4) If the removal is a change of placement under section 8-60-81, the student's IEP team determines appropriate services under paragraph (1), except as stated in paragraph (5).

(5) For crisis removals that exceed the ten cumulative school days in a school year, school personnel, in consultation with at least one of the student's teachers, determine the extent to which services are needed so as to enable the student to continue to participate in the general education curriculum although in another setting, and to progress in meeting the goals set out in the student's IEP.

(e) Manifestation determination.

(1) Excluding subparagraph (g)(2)(A), within ten school days of any decision to change the placement of a student with a disability because of a violation of Chapter 19, the department, the parent, and relevant members of the student's IEP team (as determined by the parent and the department) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents to determine:

(A) If the conduct in question was caused by, or had a direct and substantial relationship to, the student's disability; or

(B) If the conduct in question was the direct result of the department's failure to implement the IEP;

(2) The conduct shall be determined to be a manifestation of the student's disability if the department, the parent, and relevant members of the student's IEP team determine that a condition in either paragraph (1)(A) or (B) was met;

(3) If the department, the parent, and relevant members of the student's IEP team determine the condition described in paragraph (1)(B) was met, the department shall take immediate steps to remedy those deficiencies.

(f) Determination that behavior was a manifestation. If the department, the parent, and relevant members of the IEP team make the determination that the conduct was a manifestation of the student's disability, the IEP team shall:

(1) Either:

(A) Conduct a functional behavioral assessment, unless the department had conducted a functional behavioral assessment before the behavior that resulted in the change of placement occurred, and implement a behavioral intervention plan for the student; or

(B) If a behavioral intervention plan already has been developed, review the behavioral intervention plan, and modify it, as necessary, to address the behavior; and

(2) Except as provided in subsection (g), return the student to the placement from which the student was removed, unless the parent and the department agree to a change of placement as part of the modification of the behavioral intervention plan.

(g) Special circumstances.

(1) School personnel may remove a student to an interim alternative educational setting for not more than forty-five school days without regard to whether the behavior is determined to be a manifestation of the student's disability, if the student:

(A) Carries or possesses a weapon to or at school, on school premises, or to or at a school function under the jurisdiction of the department;

(B) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of the department; or

(C) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of the department.

(2) (A) If the basis for a crisis removal exists pursuant to chapter 8-19-7, school personnel may order the removal of a student with a disability from the student's current educational placement, for up to ten consecutive school days. If the crisis removal, together with any previous days of disciplinary suspensions or removals, exceeds ten school days, the crisis removal would constitute a change of placement only if the removals constitute a pattern:

(i) because the student's behavior is substantially similar to the student's behavior in previous incidents that resulted in the series of removals.

(ii) because of such additional factors such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals one to another.

(B) If school personnel determine the authority for a crisis removal exists pursuant to paragraph [(1)](2) (A):

(i) The crisis removal shall be in accordance with chapter 8-19-7, including the student's right to resume attendance at school as soon as the exclusion pursuant to chapter 8-19-7(a) is no longer necessary;

(ii) The student with a disability shall be provided a free appropriate public education in accordance with subsection (d) during the period of the crisis removal;§8-60-75

(iii)The IEP team shall conduct the functional behavioral assessment in accordance with subparagraph (d) (1) (b);

(iv) If the student's parent disagrees with the determination under paragraph (2), the parent may request a hearing pursuant to section 8-60-77. For purposes of section 8-60-72 on the student's status during the proceedings, the current placement is the free appropriate public education provided in accordance with subsection (d) until the end of the crisis removal, at which time the student shall resume attendance at school; and

(v) For purposes of subsequent disciplinary action, the school days of crisis removal shall be included as days of removal in this section. Nothing in this paragraph prohibits a student from being the subject of a subsequent crisis removal in a given school year if the requirements of chapter 8-19-7, and this subparagraph are met.

(h) Notification. On the date on which the decision is made to make a removal that constitutes a change of placement of a student with a

disability because of a violation of a code of student conduct, the department shall notify the parents of that decision, and provide the parents the procedural safeguards notice described in section 8-60-59.

(i) Definitions. For purposes of this subchapter, the following definitions apply:

(1) "Controlled substance" means a drug or other substance identified under schedules I, II, III, IV, or V in section 202(c) of the Controlled Substances Act (21 U.S.C. 812(c));

(2) "Illegal drug" means a controlled substance; but does not include a controlled substance that is legally possessed or used under the supervision of a licensed health-care professional or that is legally possessed or used under any other authority under that Act or under any other provision of Federal law;

(3) "Serious bodily injury" has the meaning given the term "serious bodily injury" under section 1365(h)(3) of title 18, United States Code.

(4) "Weapon" has the meaning given the term "dangerous weapon" under 18 U.S.C. section 930(g)(2). [Eff 11/23/09] (Auth: 20 U.S.C. 1415(k)(1) and (7); HRS §302A-1112) (Imp: 34 C.F.R. §300.530)

§8-60-76 Determination of setting. The student's IEP team determines the interim alternative educational setting for services under section 8-60-75(c), (d)(4), and (g). [Eff 11/23/09] (Auth: 20 U.S.C. 1415(k)(2); HRS §302A-1112) (Imp: 34 C.F.R. §300.531)

§8-60-77 Appeal. (a) General. The parent of a student with a disability who disagrees with any decision regarding placement under sections 8-60-75 and 8-60-76, or the manifestation determination under section 8-60-75(e), or the department believes that maintaining the current placement of the student is substantially likely to result in injury to the student or others, may appeal the decision by requesting a hearing. The hearing is requested by filing a complaint pursuant to sections 8-60-61 and 8-60-62(a) and (b).

(b) Authority of hearing officer.

(1) A hearing officer under section 8-60-65 hears, and makes a determination regarding an appeal under subsection (a).

(2) In making the determination under paragraph (1), the hearing officer may:

(A) Return the student with a disability to the placement from which the student was removed if the hearing officer determines that the removal was a violation of section 8-60-75 or that the student's behavior was a manifestation of the student's disability; or

(B) Order a change of placement of the student with a disability to an appropriate interim alternative educational setting for not more than forty-five school days if the hearing officer determines that maintaining the current placement of the student is substantially likely to result in injury to the student or to others.

(3) The procedures under subsection (a) and paragraphs (1) and (2) may be repeated, if the department believes that returning the student to the original placement is substantially likely to result in injury to the student or to others.

(c) Expedited due process hearing.

(1) Whenever a hearing is requested under subsection (a), the parents involved in the dispute or the department shall have an opportunity for an impartial due process hearing consistent with the requirements of sections 8-60-61 and 8-60-62(a) through (c) and sections 8-60-64 through 8-60-68, except as provided in paragraphs (2) through (4).

(2) The department is responsible for arranging the expedited due process hearing, which shall occur within twenty school days of the date the complaint requesting the hearing is filed. The hearing officer shall make a determination within ten school days after the hearing;

(3) Unless the parents and department agree in writing to waive the resolution meeting described in subparagraph (A), or agree to use the mediation process described in section 8-60-60:

(A) A resolution meeting shall occur within seven days of receiving notice of the due process complaint; and

(B) The due process hearing may proceed unless the matter has been resolved to the satisfaction of both parties within fifteen days of the receipt of the due process complaint;

(4) The State shall ensure that the requirements in sections 8-60-64 through 8-60-68 are met;

(5) The decisions on expedited due process hearings are appealable consistent with section 8-60-68. [Eff 11/23/09] (Auth: 20 U.S.C. 1415(k) (3) and (4) (B), 1415(f) (1) (A); HRS §302A-1112) (Imp: 34 C.F.R. §300.532)

§8-60-78 Placement during appeals. When an appeal under section 8-60-77 has been made by either the parent or the department, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the time period specified in section 8-60-75(c) or (g), whichever occurs first, unless the parent and the department agree otherwise. [Eff 11/23/09] (Auth: 20 U.S.C. 1415(k) (4) (A), HRS §302A-1112) (Imp: 34 C.F.R. §300.533)

§8-60-79 Protections for students not determined eligible for special education and related services. (a) General. A student who has not been determined to be eligible for special education and related services and who has engaged in behavior that violated chapter 8-19, may assert any of the protections provided for in this chapter if the department had knowledge (as determined in accordance with subsection (b)) that the student was a student with a disability before the behavior that precipitated the disciplinary action occurred.

(b) Basis of knowledge. The department shall be deemed to have knowledge that a student is a student with a disability if before the behavior that precipitated the disciplinary action occurred:

(1) The parent of the student expressed concern in writing to supervisory or administrative personnel of the department, or a teacher of the student, that the student is in need of special education and related services;

(2) The parent of the student requested an evaluation of the student pursuant to sections 8-60-31 through 8-60-43; or

(3) The teacher of the student, or other personnel of the department, expressed specific concerns about a pattern of behavior demonstrated by the student directly to the director of special education or to other supervisory personnel of the department.

(c) Exception. The department would not be deemed to have knowledge under subsection (b) if:

(1) The parent of the student:

(A) Has not allowed an evaluation of the student pursuant to sections 8-60-31 through 8-60-43; or

(B) Has refused services; or

(2) The student has been evaluated in accordance with sections 8-60-31 through 8-60-43 and determined to not be a student with a disability.

(d) Conditions that apply if no basis of knowledge.

(1) If the department does not have knowledge that a student is a student with a disability (in accordance with subsections (b) and (c)) prior to taking disciplinary measures against the student, the student may be subjected to the disciplinary measures applied to students without disabilities who engage in comparable behaviors consistent with paragraph (2).

(2) (A) If a request is made for an evaluation of a student during the time period in which the student is subjected to disciplinary measures under section 8-60-75, the evaluation shall be conducted in an expedited manner;

(B) Until the evaluation is completed, the student remains in the educational placement determined by school authorities, which can include suspension or expulsion without educational services;

(C) If the student is determined to be a student with a disability, taking into consideration information from the evaluation conducted by the department and information provided by the parents, the department shall provide special education and related services in accordance with this chapter, including the requirements of sections 8-60-75 through 8-60-81 and section 612(a)(1)(A) of the Act. §8-60-80 Referral to and action by law enforcement and judicial authorities.

(a) Rule of construction. Nothing in this chapter prohibits the department from reporting a crime committed by a student with a disability to appropriate authorities or prevents state law enforcement and judicial authorities from exercising their responsibilities with regard to the application of federal and state law to crimes committed by a student with a disability.

(b) Transmittal of records.

(1) When reporting a crime committed by a student with a disability, the department shall ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to whom the department reports the crime.

(2) The department may transmit copies of the student's special education and disciplinary records only to the extent that the transmission is permitted by the Family Educational Rights and Privacy Act (20 U.S.C. 1232g). §8-60-81 Change of placement because of disciplinary removals. For purposes of removals of a student with a disability from the student's current educational placement under sections 8-60-75 through 8-60-80, a change of placement occurs if the removal is for more than ten cumulative school days in the same school year, unless the basis for a crisis removal exists in accordance with sections 8-60-75(d)(5) and 8-60-75(g)(2).
