The Board of Education is holding a series of community engagement meetings across the state. You are invited to join Board Members and various Department of Education staff to share opinions on priority areas such as cell phones in schools, financial literacy for students, artificial intelligence, and the vision of a Hawai'i public school graduate.

* If you need an auxiliary aid/service or other accommodation due to a disability, contact Board office staff at (808)586-3334 and/or BOE.Hawaii@boe.hawaii.gov as soon as possible, preferably by three days prior to the meeting. Requests made as early as possible have a greater likelihood of being fulfilled.
