TO:	Board of Education
FROM:	Roy M. Takumi Chairperson, Hawaiʻi State Board of Education
AGENDA ITEM:	Revised community meeting schedule for 2026-2027 fiscal year

---

I. BACKGROUND

In an effort to increase transparency and encourage public participation, the Board of Education (Board) has historically published its general business meeting schedule and community meeting schedule in advance to give the public ample notice for planning purposes. From time to time, events beyond the control of the Board require that this schedule be subsequently revised and published again.

II. PRESENTATION

Section 6.1 of the Board's bylaws authorizes the Board Chairperson to set and reschedule the general business meetings of the Board, while section 6.3 provides this same authority to Committee Chairpersons. In addition to its regular meetings, pursuant to section 6.4 of the Board's bylaws, the Board is committed to holding community meetings in each county, to discuss and receive input from the community on public education and public library issues.

As a result of recent storms and the damage and disruption they've caused across the State, the Board rescheduled some community meetings to ensure that such meetings do not further disrupt affected communities and to allow for adequate recovery time.

This revised community meeting schedule includes dates for these rescheduled meetings.

Attached as **Exhibit A** is the Board's meeting schedule for the 2026-2027 fiscal year, which remains unchanged.

Attached as **Exhibit B** is the Board's revised community meeting schedule for the 2026-2027 fiscal year.

Please note that the schedules remain subject to change. The Board chairperson is given the discretion to schedule special meetings pursuant to section 6.2 of the Board's bylaws.
